PRILIPSEURG, CENTER Co., PA.,
August 18th, 1862.

A bold highway robbery was perpetrated in Allegheny at an early hour yesterday morning. Henry Sproull, Esq., residing on Ridge street, West Common, left home about one o'clock for the purpose of visiting the Federal street depot to receive a couple of female friends whom he expected to arrive by the Western train. He had gone but a short distance when he was attacked by three men, knocked down, and allowed of a gold watch, together with the course of the care.

Washington County ORGANDIE LAWNS, from 12 1-2 to 37 C. HANSON LOVE & CO., Appearance of the New Comet.
The second comet of 1862, discovered at the Dudley Observatory and at Cambridge on the night of the 18th ult., has, within a few evenings, become quite a conspicuous object. It is now about eight edgress distant from the polar star, and one have comet. When first discovered its motion appeared to be very slow: but this was owing, doubtless, to us great distance from the earth—135,000,600 miles. It is known as Tutte's comet. When first discovered its motion appeared to be very slow: but this was owing, doubtless, to us great distance from the earth—135,000,600 miles. It has not many a spar of the trate of two and a half millions of miles daily. The embryo of a tail was first observed on the 31st ult. About the 26th inst, the comet is expected to attain its greatestbrilliancy. Up to that date at least it will shine through the whole night.

En Route for Washington.
