A word more in conclusion is reterance to to the war. I understand the pointion of the Democratic party in Pennsylvinia, to be that it should be prosecuted under the Constitution for the restoration of the Union: that, according to the resolution of Congress adopted in July, 1861, it should in out he wared in any spirit of congression every reason to believe that the sober sense of the President, and the strong an'i-abolitionist feeling of the Northern people at large, will prevent this horrible consummation, and that we shall not see an infamous crime committed under the n, and that we shall not see clock of a spurious and late born philan-thropy. These new Abolitionists do'not conceal their motives: they have not the decency to pretend conviction: they seek avowedly nothing but an instrument of vengeance on their enemy, and an instru-me it so dastardly, involving the commission of outrages so horrible, that even the Government which employs a Mitchell and a Butler must shrink from such a load A DRAFT. It is now reduced to a certainty that Al legheny county will have to draft, and that extensively, in order to furnish her proportion of troops called for by the govern-

destroyed under the false pretence of pre-serving them. It is, as I understand it, the firm purpose of the Democratic party to defend and assist the officers of the Fedment. This being the case, the next point is to have an impartial and honest draft. Let every ward, township and borough in eral Government in all their efforts under the county furnish a thorough and comthe Constitution to put down all the enemies of the Constitution and the Union. All Democrats, whether in the camp or "in the assemblies of the people." will so treat these enemies, whether they be sessor neglecting to report certain names cnown as Secessionists or Abolitionists.
