At one o'clock serious and the termination was a visited the ground ined the localities. was no sweeping out done, and no powder hauled; it was carried in barrows; the carpet was raised twice a day and all the dust in it shook into the center, and from that gathered into a coffee pan and carried of the building on the upper side, falling; after I felt able, got up and want towards the burning building; met a gentleman, who told me to get back, as the magazine was going to be blown up; know nothing about the cause of the explosion that gathered into a conee pan and carried off; no stones or coal were hauled near the door of the laboratory during my time, while Major Harding or Mr. Rodman were there. We were not allowed to wear the cause of the explosion. (In explanation of the first part of the cvidence of the next witness, it may be proper to state that a meeting was held in shoes in the inside of the laboratory, only the borough on Saturday evening, at which Lieut. J. R. Edie was severely censured, moccasins. Robert Dudlap, sworn—Worked at the laboratory; was going towards the laboratory.

As nearly all the active members of the Gymnasium are now in the service of the such as the pronch of the was nearly all the active members of the gymnasium are now in the service of the country to keep it going the pountry to keep it was prove successful, as it is one of our most worthy associations. A meeting is the pronch of the empty boxes were was no plank at the end of the porch of tower worthy associations. A meeting is the pronch of the was prove successfu Robert Dudlap, sworn-Worked at the carts carrying those sweepings away; sunderstood him also to tell me he wished the Park cleared of people; saw Lieut. Edie and told him this was the order from the Burgess to have the Park cleared; we went to the upper grounds, and, with sentinels, cleared the Park down to the lower warehouse; at that point there was quite a crowd of people, some of whom did not wish to go out; those persons who did wish to go out; those persons who did wish to go out those persons who did not wish to go out did not seem to have lost any triends, at least if they had, their conduct was improper; the Burgess attempted to pass the sentinels, and was stopped by one of them in rather a rough manner; as soon as I learned who he was,

rooms. When the stone was being broken upon the road, the work was going on in the laboratory. Wore the boots I have on (showing them to the jury: they had two rows of heavy nails upon the sole, never was ordered to put on other shoes or slippers:) went into the magazine, inside the inner door upon the curnet with these a hoax, and we are glad to contradict the manner; as soon as I learned who he was, I ordered them to let him pass; Lieut. Edie was sone 20 or 30 feet distant and seeing a citizen pass, as he supposed, without authority, he haltoed to the sentinels to put him out; I told him it was a man who had a right to pass; he immediately then said, 'pass him, of course.' There is an other matter respecting some language reported to have been used by Lieut. Edie, during the fire, of which I should like to speak. I was with Lieut. E. most of the time that day; don't recoilect any word or expression of his which was improper; we were together near where the building was burning. A gentleman came to us, and said be had lost two daughters in the fire. I think he gave his name as Donahue, will not be certain about that. He was at the time very considerably intoxicated. He was at the time very

Lieut. Myers said Lieut. Edie would also desire to make a statement about the matter, but the inwaded in desired to make a statement about the matter. ter: but the jury declined to hear anything more of it, regarding the statement as alway. When the stones in the road-together out of their province.

Was in the habit of visiting all the buildings once a day; the laboratory oftener than that. On the day of the accident visited it twice—once made a thorough investigation; have been stationed at the room used to work and sometimes used to go into the magazine with the road-way. investigation; have been stationed at the Arrenal since the 1st of July; some days I go into the magazine with their boots did not visit the laboratory at all, because of absence on other duty—for instance. did not visit the laboratory at all, because of absence on other duty—for instance, when testing guns at the proving ground: received order of Col. Symington, dated August 7th (read to jury), and inspected oftener after receiving than before; when I visited the rooms, saw that there was no powder scattered loosely, and saw that the work was going on reg. larly; don't recollect having my attention called to, or seeing powder scattered outside of the room, and but two or three days before the accident gave special orders for greater care.

(abowing heavy ones which he had on.)—Mr. McBride used to order, I understood, not to sweep the powder out into the road will never the road will enter Clevelland by the Mahoning or by the Pittsburgh road. A third road will be inceessary on either. The road will be in full operation sometime this winter.

The Draft Inevitable.

It is the general opinion that there will be no further postponement of the draft, but that it will take place on the 25th inst. Dr. Murdock is the examining physician.

Think the accident was caused by ignition from the grating of the wheels in the roadway. It may have been caused by abrasion of nails in the shoes of persons Death of a Physician. roadway. It may have been caused by abrasion of nails in the shoes of persons employed. Mr. McBride is general superintendent of the whole of that department. It was Mr. McB is immediate business, and mine as supervisor, to see to the removal of ammunition and powder to and from the magazine and laboratory. Know from the magazine and laboratory. Know not of any violation of the rules respecting these matters by personal observation.

There were some instances of careless putting up of ammunition at the laboratory
detected at Washington. The order of
August 7th was perhaps caused by an investigation consequent upon said careless
putting up of the ammunition, and the
detection of the fact that the inses were
not properly made.

James Thorp, Assistant Superintendent
of the laboratory, testified that in the abtence of Mr. MaBride ke was enjoined to Time Extended.

cause an explosion. The heads of each department or room were considered responsible for negligence of duty or lack of care in their respective rooms, as well as the two officers who had special supervision of the buildings. Under the instructions of witness the sweepings from the rooms were swept out upon a clean piece of ground, free from stones, between the porch and roadway, in all cases. It was gathered up from here by the boys and removed from day to day in boxes. Witness last saw the sweepings removed the day before the explosion. Witness did dot know there was an order to throw the sweepings of the committee, of which, sir, you are chair man, the use of the Theatre on Wednesday evening, Sept. 24th, 1862, the entire receipts of the house for the evening to be applied for the relief of the sufferers; and dot know there was an order to throw the for this year, owing to the excited state of for this year, owing to the excited state of the country.

No More Wanted Now.

By reference to the notice of Assistant Adjutant General Howe, in another column, it will be seen that all military or ganizations made under the law of 1858, in accordance with the proclamation of the Governor, are notified to remain at home for the present, keep up their orders. LOUISVILLE, Sept. 22.—Bregg's forces | HEADQUARTERS ARMY OF THE POTOMAC. have escaped from those of Buell and are several hours whend, approaching rapidly upon Louistills. Maj. Gen. Nelson is arranging to defend the city to the last. Accordingly he has issued the following son's division—killed, 212; wounded, 1,67; missing, 221. In French's division—Killed, 233; wounded, 1,67; missing, 303. Total less in Sum or's corps, 6,208. The loss in may be somewhat reduced by stragglers returning.

A train of cars crossed Monocacy this morning. The road is now open to Har-per's Ferry, where there is a sufficient fedbattle of the Antietam have been received at Headquarters and 17 more are known to have been captured and are in the bands of different regiment.

BALTIMORE, Sept. 22. - A correspondent of the American states that at Sharp-sburg, on Friday, Gen. McClellan met the guida who conducted our cavalry from Haper's Ferry, and enabled them to escape and mented him for his service, and remarked that if Miles had beld out twenty fur hours louger he would have been able to capture a large portion of the rebel army
