TO THE PUBLIC.

It the ignorant and false by actaces or all decisions, treat seered and delicated disorders, self-abuse and discases or tractions common and incident to youths of both sexes, and adults, single or married. Because Dr. Branstrup publishes the fact of his doing so, the ignorant and falsely modest are drawfully shocked, and think it agreat sin very immoral and for contamination and corruption among their wives, promising soms and darchivers. Their family physician should be cautious to keep them in ignorance that they do the same as Dr. BRAN STRIP, (except publishing) lest a lucrative practice might be lost to them among stupid falsely modest and presumptious families, born and caised in ignorance, sprung up as mushrooms and spring compare society, intelligence, sense, ke, to foliars and coate, mysteriously, meanly still gotten. It is to publicity however, that numerous warents and guardians are thankful that their sons, daughters and wards, previously feeble sickly and of delicate condition and appearance have been restored to health and vivor by DR. They insist that martial law is superior to constitutional law, that the wills of Generals in the field are above all restraint; but have not dared to tell the truth to the community. A system of misrepresentation had been practised so long and so successfully that when the war burst upon us they feared to let people know its full proportions, and they persisted in assuring their friends it was but a passing excitement.
