They will cure the above diseases in ninety-nine ases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofand's German Bitters, (purely vegetable) hosts of ignorant quacks and unscrupulous adventurers; have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whisky, vitely compounded with injurious cirugs, and christened Tonics, Stomachics and Bitters. Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-beilied kers, under the modest appellation of Bitters; which, instead of curing only aggravates diseases, and leave the disappointed sufferers in despair.

HOOFLAND'S GERMAN BITTERS. From J. Newton Brown, D. D., Editor of the En-cyclopedia of Religious Knowledge. Athough not disposed to favor or recommend Patent Medicines in general, through distrust of Their ingredients and offects; I yet know of no sufficient reason why a man may not testify to the bouneft he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hooffand's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture, I am indebted to my friend Robert Shoemaker, Kay, for the removel of this prejudice by proper cests, and for enceuragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of podily and mental vigor which I had not left for its months before, and had almost depaired of realing. I therefore thank God and my friend for lirecting me to the use of them.

DR. C. M. JACKSON—SIT—It gave me pleasure, wo years ago, to give you a certificate, testifying nat the German Bitters had done for me. I am ew perfectly cured of all those diseases your redicine professes to bure, viz. Dyspeysin, Chronic and Nervous debility, disease of the Ridneys, ct. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown, and is sold in every Drug Store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their estisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above diseases. Respectfully, HANNAH WUNDER, Main street, above Rittenhouse, Germantown JUST THE THING FOR THE SOLDIERS.

PHILADRIPHIA, August 12, 1862.

Br. C. M. JACKSON—Dear Sir: While in Vir.

Jowing to the change of water, I was taken with a Severe diarrhoza, which seemed incurable, and which greatly weakened me. When we eached Martinsburg, I feared I should have to ome home: but notteing some of your Bitters in he store Mr. H. H. Price, in that town, I purhased a supply, and on taking it was speedily restored to health. The diarrhoza was quickly checked, and I experienced no return of it. A number of my countades, who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this certificate. I expect to return to the seat of war with the Legron, and shall certainly take a supply of the Bitrein my knapsack. I would not be without it it is weight in gold, particularly on going into a mestone region.
