opponents like an avalanche; they can't follows: comprehend them, and hence their mandling excuses and explanations as to their Warren cause. Results so general and overwheim-IcKean, ing can be attributed but to a single cause, Forest, Jefferson, and that is a change in public sentiment, To talk about the soldiers' absence being Elk, Clearfield. the cause of Democratic victories, is audacious nonsense. The Democracy is

9954 composed of the bone and sinew of the Judge Schofield is elected by 492 majorcountry, and this is the class which is in ity. the army.

he army. On the 4th of next month—in eight days Mr. Chase's Financial Policy. Congress, in its fiscal acts, managed from to day—there will be held Sittle adrioity to leave the use of all or any of its elections in New York, New Jersey, Mich-igan, Illinois, Missonri, Minnesota, Wiss-consin and Massachusetts; and, if the re-of the Treasury is not compelled by any from to day-there will be held State turns of the late contests are any indica-tion, we may look to them for the der notes, but yet, voluntarily and detion, we may look to them for even liberately, with predetermination, elected more extraordinary results. Even Mas- to use them, instead of certificates of indebtedness and the Treasury 3.64 notes in \$10 and \$20, authorized by the act of July sachusetts we do not despair of; if we can not carry the State we are sure to gain

not carry the State we are sure to gain some members of Congress. What a gloot to June 30 1862, 502;020,0000 of legal ten-rious result the defeat of that innatical der notes, instead of certificates, has ad-conspirator Gov. Andrew, would be? vanced gold to in terminous premium, an the country would rejoice in the rejection foreign exchange to rates that form arun-by Massachusetts of the chief of the Al-conspiracy equinst the gallant McClellan. We do not deepair of the Barcharsen and for the current year they will probably We do not despair of the Bay State the spirit of Webster seems to animate many of sity day sterling bills is 1051 and last of her sons; the Parkers, Curtises and week it was 163 against 108 last year. I Winthrops are shoulder to shoulder, and follows, therefore, that Mr. Chases pr ed by the entire Democracy of the State, to arrest that ancient Commonwealth from the fanaticism of Andrew and Sumner. The defeat of these two would be ann. tional blessing. Changed their Politics

Changed their Politics

may use \$180,000,000 of legal tender note instead of a like amount of certificates of indebtedness and Treasury 3.45 notes in \$10 may 500 may An army correspondent of the Dispatch, writing from Col. Rowley's regiment, store average of the country is suffer-asys: "Election average quietly by Very policy of Mr. Chase. The poor are daily few votes were polled in our regiment, becoming poorer, to average and the vide in this connec-owing, probably, to the fact that but one in that the government and the vide will set of tickets (Republican) was farmished for well to take immediate measures for a us. We have all changed our gointics framed to specie standard for prices. The since we left home, and do not vote that farmished is grave and argent in its demands for ticket now." An army correspondent of the Disnutch.

He will be able to resume

ment; that these commissions would amount to one dollar per head on the cat-

the and one per cent. on the money paid them; and, in pursuance of these de mands: they were required, in the commissary a office, to sign a false receipt, giving the government crédit for an amount several hundred dollars more than was received. This fact is capable, as far as we can un-derstand, of abundant testimony. When the fulse receipt was signed there were

Callow, all of whom were at one time con-nected with the Post, and are delighted to hear that its proprietor has been elected udges. State. There are a great many Denio crats here from Pittsburgh, who state that if tickets had been sent to their regiments a heavy vote would have been polled, but the Return Judges Courtright 1245 not a single Democratic ticket was re-564 ceived. They were all glad to learn of 142 the success of that party, which alone can 59 save the Union. Have just been invited 1245 not a

The New Programme.

The New York Herald gives, from well-informed source at Washington, the the October election. Their favorite plea ollowing in relation to the recent changes in the army of which rumor has said so

much : 1st. The transfer of General McClellar from the command of the Army of the Potomac to the office of General in Chief at Washington, now held by General Halelections. This is not only untrue, but a

brained individual or a demagogue of a very low class would use. 2d. The transfer of General Haileck to his original command of the great Depart-ment of the West. GOOD CIDER ALL THE YEAR 2d. The promotion of General Hooker

Sulphite of Lime, will preserve Ciler for any length of time. Directions for its ase.—Take one quarter of an ounce for svery gailon of Cider, or ten ounces of the Sulphite to every barrel of forty gallons—first mixing it with some Cider or water. After a few days draw off the Cider carefully into another barrel. For sule in bottles containing a sufficient quan-tity for one barrel of Cider, by SIMON JOHNSTON, occorre Smithfield and Fourth streets. "In all these arrangements it is evident that President Lincoln has aimed to se-cure increased efficiency, unity and har-mony in the army, without offense to any officer or to the friends of any officer con-cerned. Nor do we think that in this bread and compactencies view is a but the second state of the se MANHOOD-

recast of the olicers indicated could be made. Let us hope that the most glorious achievments will follow, and that the HOW LOST! HOW RESTORED!
