Induced by the extensive sale and universal opularity of Hootland's German Bitters, (purely executive) hosts of ignorant quacks and ansertation adventurers, have opened upon suffering funantity-the flood gates of Nostrums in the shape of poor whisky, vilely compounded with injurious arugs, and christened Tonics, Stomachies and Bitters.

Beware of the innunerable array of alcoholic preparations in plethoric bottles, and big-beilied kers, under the modest appellation of Bitters; which, instead of curing only affers wates diseases, ad leave the disappointed sufferers in despair.

HOOFLAND'S GERMAN BITTERS. From J. Newton Brown, D. D., Editor of the En-cyclopedia of Religious Knowledge. Action Brown, D. D., Editor of the Encodopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects: I yet know of no sufficient reason why a men may not testify to the benefit he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofings of German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced squints them for many years, under the impression that they were chiefly an alcoholic mixture, Lam indebied to my friend Robert Shoemaker, Lam indebied to my friend Robert Shoemaker, Egg., for the removal of this prejudice by proper ests, and for encouragement to try them, when aftering from great and long continued debility, he trof three bottles of these Bitters, at the organizing of the present year, was followed by sydent relief, and restoration to a degree of soddly and inental vigor which I had not left for ix months lighter, and had almost depaired of relief, in the present year was fellowed.

In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours very reopectfully.

GREMANTOWN, June I, 1861.

DE. C. M. JANKSON — Sir:—It gave me pleasure, wo years ago, to give you a criticate, testifying nat the German Bitters had done for me. I am ow perfectly cured of all those diseases your actione professes to cure, viz. Dyspepsia, Chronace and Nervous delity, disease of the Kidneys, viz. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reforence to your Bitters, and without hesitation, have recommended it for the above complaints, and in wery instance it has effectually curied. Your medicine has a great peptatation in Viernautown, and is sold in every Drug Store, and in most of the Grocery stores here. If say one should question what I say, let them come to Germantown, and I will prove to their satisfactioit, that the Bitters have cured in this vicinity more than twenty oaces of the above insease.

De. C. M. Jackson-Dear Sir: While in Vira, owing to the change of water. I was taken when we have the change of water. I was taken which seemed incurable, and which greatly weakened me. When we eached Martinghire, I feared I should have to ome home; but noticing some of your Bitters in the store Mr. II. H. Price, in that town, I purhased a supply, and on taking it was speedily restored to health. The diarrheas was quickly checked, and I experience in or feturn of it. A number of my connectes, who suffered in the same manner and from the same cause, with whom I shared the Bitters, join me in this cortificate. I say each to return to the seast of war with the Leg on, and shall certainly take a supply of the Bit I is my knapasik.
