Induced by the extensive sale and universal repularity of Hoofland's German Bitters, (purely regetable) hosts of isnorant quacks and unserulous adventurers, have opened upon suffering rumanity the flood gates of Nostrums in the shape of poor whisky, vilely compounded with injurious krugs, and christened Tonics, Stomachics and Bitters. ters.

Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bellied kegs, under the modest appellation of Bitters; which, instead of curing only aggravated diseases, ad leave the disappointed sufferers in despair.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the imprestion that they were chieffy an alcoholic mixture, I am indicated to my friend Robert Sheemaker, I am indicated to my friend Robert Sheemaker, Esq. for the removal of this prejudice by proper ests, and for encouragement to try them, when offering from great and long continued debility. he triof three bottles of these Bitters, at the beginning of the present year, was fellowed by evident relief, and restoration to a degree of podily and mental vigor which I had not telt for ix months before, and had almost depaired of realing. I therefore thank God and my friend for ilrecting me to the use of them.

De. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours very reopectfully.

nat the German Bitters had done for me. I am
ow perfectly oured of all those diseases your
redicine professes to cure, vis: Dyspapsia, Chronte and Nervous debility, disease of the Kidneys,

without hesitation, have recommended it for the
above complaints, and in every instance it has
effectually cured. Your medicine has a great
yeputation in Germantown, and is sold in every
prug Store, and in most of the Grocery stores
here, If any one should question what I say, let
them come to Germantown, and I will prove to
their satisfaction, that the Bitters have cured in
