DEMOORATIC COUNTY CONVEN-TION .- The Democratis County Commit-ION. The Democratis County Commit-Correspondence met at the St. Charles in Wednesday morning, the 10th ingt, pur-o call. The following resolution was

Replaced. That the Democratic citizens of Al-legheny County meet at their respective places for Holding primary meetings on Sarvienar, the 27th joar of Decembers, to elect two delegates from such Township, Borough and Wari, to meet a convention at the Court House, in the City of Pittianar gh; on Twesnar, the State Convention. The Mathematic meet in the size and here onists. The reader can now readily unlerstand why the emancipation champions are so stubborn and persistent in their denials of peace propositions, if any such have been presented to the administra

RESTED.

The dalegate mee ings in the oities and hor ugins will open at 5 F. M. and continue until - M. and in the zownships the meetings will b ield between the hours of 3 and 5 F. M. By order of JOHN WESLEY GREENE AR By order of THOMAS FARLEY, President. JAMES M. RICHARDS, Secretary.

NEW RATES. chiefs of ours and the rebel government, The advanced rates to agents and subappear, than measures were taken to have scribers will commence from to-day. We him arrested. On Thursday evening, shall endeavor to furnish our readers with therefore, an order from Washington was a good paper, at least the worth of their received in Chicago, and on the following morning he was captured upon a charge of

A BATTLE. The long looked for engagement

tween the Union forces under Gen. Burn side and the rebels under Gen. Lee, com menced in earnest on Saturday morning. For the first few hours both armies fought ' in the dark, there being hanging over them a dense fog. About eleven o'clock, however, the sun dispelled the gloom, sheddingits rays around the valley and hill side. preparatory to the carnage which was to follow. It will be seen by the account published in this morning's paper that at the opening of the engagement our centre was and was discharged. paralyzed by a destructive fire from be-

hind batteries which our troops heroically attempted to take at the point of the bayonet. Gen. Franklin, who commanded on wives, penitentiaries and the Methodist the left was successful, but after an entire day's fight he drove the enemy but it not unlikely he is given to romancing. a mile, which leads us to infer that that We cannot but admire the charity of those part of the engagement was desperately contested.

In the battle of Saturday, Pittsburgh lost another of her gallant sons, Brigadier General Jackson. He was a brave and dashing officer; his thousands of friends in this city will mourn his fall.

The report that fighting was resumed yesterday morning was contradicted last evening, so that we having nothing decisive, up to the present writing, as to the actual condition of the contending forces. The reports of Saturday's hard fighting is

not so encouraging as we anticipated. We

of the rebel leaders had an interview with Fernando Wood, in this city, and sub-mitted to him informal suggestions on the propositions alluded to by a correspondent (of the New York Tribune). Should it be necessary, he has been authorized to visit Europe, and open negotiations offi-cially with the Southern commissioners residing there. But, thus far, the rebels, have not been slow to accept direct nego-

rand spectacles of war—the bombardment have not been slow to accept direct nego f a city. For days the attack had been tiation between Richmond and this city. The statement of Gov. Seymour, which was made some time since, to the effect that in these methods. of a city. For days the attack had been looked for with feverish anxiety, and with each successive evening the morrow was facilities for shielding themselves, our arthat in three months time the Union might prophesied as the inaugural occasion of tillery could not permanently be restored, was founded upon facts bet ter established than the public at that time reamed of being possibl

weeks slipped by, and yet we rested in our camps, while all along the ridges just across the river batteries nightly sprang from the earth, as if by magic, and the in-creasing smoke of the enemy's camp fires wrapped hill and valley in indistinguish-ble gloom. Wild, exciting rumors were creadily accented for faste and a thome. There can be no doubt but an armistice has been asked for or hinted at by rebel commissioners to our government, and the reason why it has not been granted is that the propositions contemplate the restoration of "the Union as it was," a greedily accepted for facts, and a thous-and statements, as ridiculous as they were consummation not desired by the Abolicontradictory, flew like wild-fire from camp

Throughout the week there have been in-dications that the crisis was rapidly ap-proaching, and each night the troops retir-d at tattoo fully canfident that the roar of artillery would be their reveille.

Last evening, at sundown, the move-ment commenced. Batteries hastened to

in permanent triumph, upon the fortifica- **PEACE PROPOSITIONS.** The runor of peace propositions from the rebel government to ours has thrown the rebel government to ours has thrown assist the suffering pcor of Lancashire, in their arms their wounded, dead and the leading Abolition papers of the coun-try into a fit of mingled indignation and despair. The mere idea of a sudden peace seems to cow their better part of man. Peace without emancipation is not to be even considered, and hence the pains taken by the Abolitionists to assure us all that nothing but interminable and failure of the cats crop, and the general pains taken by the Abolitionists to assure us all that nothing but interminable and desolating war will bring the rebels back to their allegiance. Peace, not war, is the thing now most dreaded, and a remote possibility of itstrikes the emancipationists with consternation and despair. In fact a well told and ingenious romance, based upon a groundwork of peace propositions, atrikes them with homor consilled only by

wante looking on the counterieit of the murder of Gonzago. What is the cause of this? How does it happen that a re-turn of pence is so dreaded by our politi-cal opponents? Is it danger to their party's existence that so exercises them; or is it the harrowing reflection of losing or wars, measlf and little community, struct party's existence that so exercises them, or taken and the far West of Ireland—in the wild of Connemar? For more than serve the summer being allow while of Ireland—in the wild as a pocial train with solid shot; and farms a special train with solid shot; and farms a special train with solid shot; and farms the thunder breaks out name. You have been, at all times, my effort to serve the server the server and the same and farms the solid shot; and the thunder breaks out name.
