Special Meeting of Connolls. | friends and neighbors. In the final action DAILY POST. The set our Lowest Rates.

TUESDAY MORNING, DEC. 16. CITY AND NEIGHBORROOD INTELLIGENCE

Bold Incendiarism in Alleghe-We can conceive of no lower depth of by showing that the average population of more and Boston to each steamer is a little because he considered if unfair to remove a stould be con-burgh desolation and frequently murder in

fearful consequnces which may ensue to the perpetrator. On Sunday night the people of Allegheny city were thrown into a state of unlocate six steamers. We give that protected to of the report, and the practical considera-tions which influenced the committee in deciding upon the locations: ronted trepidation by the occurrence of wonted treputation by the occurrence of aeveral incendiary fires, in various locali-ties, all, as is alleged, the work of the

The first fire broke out about 11 o'clock on Sunday night, in the stable of James Gilleland, on Ohio Lane, Second Ward. The stable was burned to the ground and a horse kept in it also perished in the flames. Loss \$200; no insurance, At 12 o'clock the stable of Geo. Both-well, corner of Benton and Franklin alleys, Second Ward, was discovered to he on fire, and was con table destroard

the first steam engine company that will locate at the corner of Fulton and Webster be on fire, and was soon totally destroyed together with two horses and three sets of ness. Loss \$500; no insurance. At one o'clock a stable belonging to the Morgan House, D. Shaffer, proprietor, situated on Taylor avenue, Second Ward, mas burned, involving a loss of \$250; no.

A special meeting of Councils was held ast evening to dispose of a number of tiers of important business which have for some time been pending. In the select Council, Mr. Allen occu-pied the chair in the absence of President McAuley, announced the object of tre meeting—to hear the report of the joint committee to ascertain and recommend to Councils proper locations for the stearm

Councils proper locations for the steam Mr. McCarthy then read an ordinance

mr. ncUarthy, Chairman of the Special Committee, read a lengthy report on the location of steam fire engines. It begins y showing that the average percenter ing desolation and frequently murder in burgh proper would have one to every distant is not even disterred by the dozen locations in the city where over half rights of the Fire Department as well as well as the vertex of the strength of t a dozen isteamers can get en adequate sup-ply of water, and then follows an argu-ment against the location of steamers by winch Mr. Killen proposed as a substi-tute: That it is inexpedient to change the location of steamers by location or limit the number of steamers within the corporate limits of the city.

Both reports were accepted and Mr Morrow moved the adoption of Mr. Kil That the steamers Nisgara, Neptune and Duquesne be retained in their present po-sitions; that the Vigilant be removed to the intersection of the extension of Pennlen's resolution as a substitute. Mr. McCarthy then read a resolution passed at the last meeting of the Fire men's Association, declaring the propos-ed action of Councils changing the loca-tion of atomorphic memory and the locasylvania avenue with Fifth street, and that tion of steamers inexpedient, also a coman appropriation similar to that received by the above named companies be given to munication, signed by fourteen of the twenty seven members of the Firemen's Association, in their individual capacity, locate at the corner of Futtor and there by the city. The above named companies are the only ones that have steamers now in or ready ones that have steamers now in or ready of the steamers now in service, meets the d approval of each of them. In a fire department, situated as curs is, in transition condition from hand to steam in a fire department, situated as the the interval of the curst of the curst of the steamers of them. In a fire department, situated as curs is, interval of each of them. In a fire department, situated as curs is, interval of the curst of the steamers of the steamers of the steamers now in service. In a fire department, situated as curs is, interval of the steamers of them. In a fire department, situated as curs is, interval of the steamers of them. In a fire department, situated as curs is, interval of the curst of the steamers of them. In a fire department, situated as curs is, interval of the steamers of the steame

Second Edition Another Rebel Raid into Maryland

FROM FORTRESS MONBOE LATEST SOUTHERN NEWS.

> &c., åc., åc., åc.

The weather to day has been clear and warm, with a strong Southerly wind. The roads are in very good condition. The position of the two armies remain

nearly the same. There was not much artillery firing th afternoon by either party. Those shots the rebels did fire were thrown into the

city. The enemy, who are in plain view, are not idle, but are strengthening their fortifications.

Most of the wounded to-day were re moved from the city to this side of the river, as on the renewal of the battle the rebel guns would likely cause its destruc

ion Over 700 prisoners have been taken since our army crossed the river.
