The Union as it was

The Constitution as it is!

TUESDAY MOBNING, DEC. 28.

THE REBELLION MUST BE

Under this positive and determined an

nouncement, the Washington Chronicle,

CRUSHED.

6

The Dispatch, yesterday atter DAILY POST. column, series ingine yes array attar a ministration, came to the following decided conclusion. It says: The Richmond Dispatch publishes th ollowing official report of the Fredericks ourg battle, from Gen. Lee: . It is shigh time that the Republican HEADQUARTERS NUITHEN, VIRGINIA â party, being held responsible for the war, should assume its direction." December 17th. 1862.-To the Hon. Sec.

retary of War, Richmond, Virginia :-We endorse this; every word it. Ever Sir: On the night of the 10th, the enemy need to Republican party openly pro- commenced to throw two bridges over since the Republican party openly prothe Rappahannock, above Fredericksburg and a third a mile and a quarter below. Maimed the war to be for the destruction of the Union, and not for its salvation, near the mouth of Deep Run. The plain near the mouth of Deep Run. The plain there have been in favor of those who advo we have been in favor of those who advowe have been in tayor of those who advo-cate that doctrine being entrusted with its prosecution. We desire to see a thorough Abolition Cabinet; Abolition Ar See First Pare the Commercia Daily Markets and River News.

> inxious fer Abolition privates. If this is an Abolition war in which Abolitionism is he principle, we think with the Dispatch that Abolitionism should assume, not only "its direction," but its risks, its disasters

and disgrace. Let us have Abolitionists the Administration organ, under the control of that spotted scoundrel, Forney, in the field as well as in the Cabinet; let all be dismissed from the service whose contains the following: hearts are not for negro emancipation and nothing else.

For the Morning Post. Geo. Francis Train.

contains the following: "If anything were wanting to prove the stern determination of the North to crush the rebellion, it is supplied, in the vote yesterday on the Army bill, appropriating seven hundred millions of dollars for the purposes of the Army during the ensuing year. There was no debate and no objection. The committee asked for what they mented and cost it without a word of com-Mr. EDITOR :- Judging from an article which made its appearance in the local tion. The committee assess for what they wanted, and got it without a word of com-plaint. There is something sublime about this expression of energy and determina-tion, while yet the dispiriting effect of the reverse at Frederickaburg fills all minds with sorrow and gloom. No temporary column of the Gazette of the 20th inst., I should say the above named gentleman had touched the writer in a tender spot, as he writhes under the lash most terribly, and in his demoniac fury. does the elodisaster, however, severe it may first ap-pear, can abate one jot of the resolution of the American people to crush this inquent speaker very great injustice. He says Mr. Train's remarks were greet. ed with a storm of hisses. I deny fernal rebellion. This refreshing paragraph reveals the it. When he put the question to

precise amount of interest which Forney the audience as to whether he should and his set feel in our Nation's struggle address them on the war it was carried for existence. Bo long as Congress sup unanimously. His assertion that the Abo plies the sinewsof war, he and his jobbing litionists of the North was the cause of ples the anewaod war, he and has journed in the war was received with deafening sounds of applause, with the exception of three or four, who, in imitation of the goose and adder, hissed. The cry was immedicrush the rebellion, are but mere pretexts to cover up their schemes for public plun-der. They are thrown into ecstacies of ad. which, owing to their modesty, they did miration for our representatives, who, with alacrity and without debate vote In the course of his remarks Mr. Train

with alacrity and without debate vote in the course of his remarks mr. That "seven hundred additional millions" to very appropriately said that stinking lish, prosecute the war; but thisset of vampires have no word of condemnation for the fish to stem that current. The writer in blandering officials whose incapacity has the Gazzite is so positive on the subject not only squandered the people's treas that he must have been present; if he was not only squandered the people's treads that in international provide the people of th of thousands of gallant spirits to untimely debate, when he threw down the gaulater of thousands of gallant spirits to untimely to any gentleman in the audience. Cassius graves. To carry on the war so that it M. Clay did in New York. The test of may be prolonged, thereby enabling con loyalty in some localities is not feally to the Union or the Constitution but 'can tractors to pile up ill gotten wealth, is the

tractors to pile up ill gotten wealth, is the third build of the bolow anigger whole, wool and all?" extent of the patriotism of that noisy set. who are constantly assailing the loyalty of all had it not been such a gross perversion their neighbors. If those having charge of the seven hundred intention evidently was to create a false impression in the minds of those who were

If those having charge of the seven have a seven in the minds of those who were millions all aded to, were only competent to see it properly expended not in fitting out naval expeditions of old rickety ves-plause. ONE OF THE AUDIENCE.

Generals and officers of all grades, and age of the river, without exposing our what is still more important to us, we are used to be destructive fire of his numer ous batteries. Positions were, therefore, selected t oppose his advance after crossing; the narrowness of the Rappahannock, its winding course and deep bed, affording opportunity for the construction of the bridges at points beyond the reach of our artillery, and the banks had to be watched by skirmishers. The latter, sheltering themselves behind the houses,

drove back the working parties of the enemy at the bridges opposite to the city. But, at the lowest point of crossing, where no shelter could be had, our sharp-

about noon on the 11th. On the afternoon of that day the ene his force down the river and elsewhere Un the atternoon of that day the energy is batteries opened upon the city, and by dark had so demolished the houses on the river bank as to deprive our skirnish ers of shelter, and, under cover of his guns, he effected a lodgment in the town. The troops who had so callantly held the guns, he effected a lodgment in the town, The troops who had so gallantly held the position in the city during the severe can-nonade during the day, resisting the ad-vance of the enemy at every step, were withdrawn during the night, as were also those who, with signal tenacity, had main-tained their post at the lowest bridges.— Under cover of darkness and of a durse tained their post at the lowest ortuges.— case we could fight him with great advan Under cover of darkness and of a dense fog, on the 12th, a large force passed the river and took position on the right bank, crest, which height commanded a new well protected by their heavy guns on the

left. On the morning of the 13th, his arrange our right wing. General Jackson's corps occupied the right on our line, which rest-icd on the railroad, General Longstreet's How near we came to accomplishing our

eft standing along the heights to the Rap bahannock, above Fredericksburg, and Jeneral Stuart, with two brigades of cev alry, was posted in the extensive plain on he fog; Gen. Stuart, with his accustomed unflinchingly for about two hours.

commenced a series of attacks on our left, with a view of obtaining possession of the heights immediately overlooking the town. sion that "our esteemed correspondent, heights immediately overlooking the town. These repeated attacks were repulsed in gallant style by the Wsshington Artillery, under Colonel Walton, and a portion of McLaw's Division, which occupied these heights. The last assault was made after dark, when Colonel Alexander's battlion had relieved the Washington Artillery, had relieved the Washington Artillery, whose ammunition had been exhausted, Yours, as ever, JAMES ONSLOW. and ended the contest for the day. The enemy was supported in his attacks by the fire of strong batteries of artillery on the right bank of the river, as well as by his right bank of the Fiver, as well as by his numerous heavy batteries on the Stafford Heights. Our loss, during the operations since the movements of the enemy began, amounts to about 1800 killed and wound-ed. Among the former I regret to report the death of the patriotic soldier and states. the death of the patriotic soldier and states-man, Brigadier General Thomas R. R. revolution, Mr. Lincoln will continue te hold the office of President until the be bold the office of President until the be ginning of 1865, and may, notwithstanding the opposition of his Congress, pursue whatever course he or his advisers may think best. As, however, we are reluctant the believe that the war will be protracted to believe that the war will be protracted for the President's term of office, and, as we are not less confident than hereto- fore that the effort to subjugate the South mist prove futile, we anxiously seek an indication of a change in the present policy. The position of the ex officio Com mander in Chief of the Federal army is and well appointed army, within a few
