45 See First Page for Commercial Daily Markets and River News. WEDNESDAY MORNING, DEC. 24

we have read some curious documents—the left eye, which felled the burly Secrereports of some of our commanding offitary to the floor, frescoing the left side of of Commons. North Carolina," as the our as the orea, detailing their operations in the field his "human face divine" in a most artisterm their Legislature. It shows the progress of wire and the price of tobagood cases as possible for those who indigood in a rough and tumble could nt stand co ted them, and in some cases the writers do the impetuosity of "oid Brains," and old not heaitate to hint at the incompetency Abe, himself, had to interfere, by threat or disloyalty of brother officers. There ening to thrash both parties, if they did not point of Gen. Pope, detailing his Virginia behave themselves. Burnside having to least one implied censure in: it on me. as compaign, is conspicuous in these particul ken the responsibility of the late engagecompaign, is conspicuous in these particulars. He is quite complimentary to him ment we do not see the necessity of any self, while he is equally demunciatory of further discussion of the subject.

others. His report has caused the court martial of Fits John Particulars. Storter Called the martial of Fits John Particulars. Storter Called the martial of Fits John Particulars. martial of Fitz John Porter, while his charge against Sigel remains unretracted. It is true that the investigation, so far, or Pope's report, has damaged himself more than it has anybody else, but this is by no means his fault, but the result of a search will be anxious to know some of the par-

But, of all the reports we have yet seen, that of Gen. Burnside's, published yester posite one of the strongest positions of the day, giving an account of our late disaster enemy. In order to the success of our at Fredericksburg, is the most peculiar and arms, it was deemed necessary to take remarkable. In it he openly announces their position. This, however, would inthat he is not only responsible for our de- volve a terrible conflict, as the enemy were feat, but that he disobeyed the instructions in great force behind their intrenchments. of Halleck and the War Department, in Gen. Meade, commanding the Reserve acting as the did. This is an exhibition of Division, said he would undertake the moral courage and self-sacrificing heroism fearful task, provide he would be properly hope so. If it does, Lempronus well supported Gen Reynolds assured him

the temper of our p chief command, because, as Halleck al. Jackson was leading the Third Brigade. leges, he refused to obey "an imperative order" to advance upon the enemy .merely dispbeying imperative orders, but his men, encouraging them on, till, reaching the track of the road, the fatal ball pierc because heacted in defience of them, the result of which was the killing and maiming of ten or twelve thousand of our best soldiers. Much against our inclination we are forced to the conclusion that this report is a fabrication, and that General Burnside has permitted himself to be used to screen the culpable incompetency of Halleck and the War Department. Why it was notorious, for several days, that Burnside and his principal officers are. Burnside and his principal officers protested against the plan of Halleck, but that they were overruled; a dozen correst the Reserves having lost about twenty.

In a snort time the intrencuments of the possession; but the tat the Yankees were advancing or the support promised by Gen, Reynolds failed that they were overruled; a dozen correst the Reserves having lost about twenty.

RALEIGH, N. C., Dec. 12, 1862. facts, and not one contradicted them. So tion, were unable to hold it and were shocked, so petrified, almost, were the forced to fall back to their original position, leaving their dead and wounded in brought to my attention the name of Lieutenant Colonal 8 D. Peol for Adjin. shocked, so petrified, almost, were the people and the government, at the remains of the Frederickspary engagement, that such Republican papers as the New York Evening Post demanded the head of the party which planned it, even though it turned out to be the President of the United States. In the face of this Burnel side takes all the responsibility, and avows that he is wholly to blame; this nation's close and grief heing the result of his postitive violation) of orders from Halleck and the War Department. How is this Y which the body of our General was at least and no officer for his branch has given their as leads in Congress a pretext for breaking up the Administration, their course of that disaster excitering the regarded by them as a man and an officer for his one in which to be causes of that disaster excitering the regarded by them as a formal date date of the latter for breaking up the Administration; their coases of that disaster excitering the regarded by them as a formal date date on the papers of the control of the causes of that disaster excitering the regarded by them as a formal date date of the latter for breaking up the Administration; their coases of that disaster excitering the formal date of the latter of the causes of that disaster excitering the regarded by them as a particular to make an order of the transfer of the war, the particular to make and the war, and the war placed and wounded in the come to the tendency forms and the war placed and the war, and the war placed to investigate the come to the subject of the control of the co people and the government, at the result the hands of the enemy. Gen. Birney (

a a o n

Gen. Burnside, in his anxiety to serve the radicals, states too much. It will be remembered that some five weeks since he mother of J. H. Jennings, a private in gave the people of Fredericksburg "sixteen hours" to remove the women and ment, sought to obtain the release of her children, as he intended to shell the town. The relels improved these hours in forti- ded this morning by Judge Wilson, in the fying their position, thus postponing the U.S. Court. The case was heard on Friaction for several weeks. Burnside called day, Mersrs. Creal & Hester appearing in for reinforcements and obtained them; he support of the application, and C. W. No-

washington, and the Freshoent visited aim that Jennings was enlisted at Berea on the at Fredericksburg; and Quartermaster 30th of September, 1862, by Capt. R. Wal. Some danger. Write to me very soon and because of inefficiency in not furnishing at the time he declared himself over the subjects above presented. Postoon bridges were required, but were not furnished for ten days after the day they were promised and expected; and yet in the face of these notorious public 21 years of age, and me appearance but the statement. He was paid the regular County and Government bounty, and \$90 additional from the Eleventh Ward, which thereupon received the credit of his enlistment. facts, Gen. Burnside winds up his report as follows:

"Thanking the government for that en tire support and confidence which I have always received from them, I remain, General, very respectfully, your obedient

minded of the widnes and orbitals made by the result of the butchery at Fredericks ourg, for which it seems he is willing by take the entire responsibility.

STANTON AND HALLECK.

A gentleman direct, from Washington ber of characteristic letters, some of which aforms us that on Safurday last there was we give below. As they were written for A gentleman direct from Washington Cabinet was in session, discussing the late the exact feelings and sentiments of the standard at Fredericksburg, when Stan-writers: ton denied having had anything to do in advaing it. Halleck replied that had not he Secretary of War ordered the advance

For the Morning Post. DEATH OF GEN. JACKSON.

CAMP NEAR FREDERICKSBURG,) EDITOR OF THE POST-Sir: Your reader ing inquiry and cross examination after ticulars of the death of the lamented Jack son, of the Third Brigade, Penn'a R. C. The Reserves were on the left wing, opwithout example, and is therefore entitled to some reflection and attention. It is that he would give him the necessary supreally most extraordinary, when we consort. The charge was then made by the five or six dollars of Mr. Taylor when I Gen. McClellan was dismissed from the hard fought battles. In this charge Gen. The enemy were behind the railroad, so protected that only their heads could be Gen. Burnside, in his report, yesterday, tells the world that the late dinaster at Fredericks burg was the result of, not merely disobeying imperative orders, but he course he was harded in the course he was he course he was a superfected that only their heads could be seen by our men, who steadily advanced, under a murderou 're that, mowed them down like grass. Jackson's horse was killed before he reached the railroad.—

He then advanced on foot, still in front of his men encouraging them on till resolute.

From the Cleveland Herald. The Habeas Corpus Case.

The habeas corpus case, in which the Capt. Wallace's Company, 125th Regison, on the ground of minority, was deci-

enlistment.
The mother of Jennings testified that he was 17 years of age on the 20th of August last, and produced the family Bible in support of her statement.

support or ner statement.

Support or ner statement.

This morning Judge Wilson decided that Jennings was under age, and must therefore be discharged from custody.

In another place he shows that the attack was made at an earlier hour than was ment act of February 13th, 1862, which reads that "no person under the page of expected, because the government was so punctual in furnishing all he desired, ted States service, and the oath of enlist-Hear him:

"I will add here that the movement was made earlier than you expected, and after the prudent Secretary and yourself requested me not to be in hast for the reason that we were supplied much sooner by the staff departments than was anticipated when I last saw you."

This entire report strikes us as being a limsy and transparent trick; it is merely intended, although not calculated, to relieve Halleck and Stanton, by damaging its reputed author. If Gen. Burnside is willing to suffer himself to be so used we leased.

Led States service, and the oath of enlist ment taken by the recruit shall be conclusions in the second section is officer who has been deceived by the false statement of the recruit, and does not after the direct prohibition in the first section. It was, however, conditioned, that before being discharged Jennings must pay use of his clothing; and the costs of the wall willing to suffer himself to be so used we willing to suffer himself to be so used we leased.

As to the tobacco I have on hand, I believe it to be an excellent bargain at seventy cents per pound, it is the last lot I purchased some time since, and I desire to close up my affairs in this line if possible by the 1st of January, 1863.—Herce I had rather sell if possible, though I make less. Truly yours,

D. F. CADEWELL.

A rumor on the streets this morning says reinforcements passed Kinston, on the south side of the Neuse, to succor

etter from Another Official—the Rebel Adjutant General and the Election of Army Officers. Election of Army Officers.

Here is a letter from another official—
a genuine politician—to his cousin, who expects an appointment in the Adjutant General's Department. He speaks of an animated discussion concerning the man. deneral's Lepartment. He speaks of an animated discussion concerning the manner of appointing or electing army officers. He cuts his communication short, however, by a hasty closing paragraph, stating that he has just heard by telegraph

Burnside and compel the President to refuse that officer's resignation. Gen. Burnside assumes all the responsibility for the most stupendous blunder of the war, and instead of being dismissed he is sustained by those having power to make and unmake Cabinets. Has Gen. Burnside, like so many others, been seduced by the blandishments of power? and to retain position has he prostituted his reputation? Has he, too, gone over to the destructives, furnishing another example of the frailty of public virtue when sorely tempted by the prize of lofty, and con. anity with him, &c. I intend to look into this matter, and, if any one has to be appointed, I will try to get some one of a different stripe to William P. Ward for our section. How would you like something of this sort? To-day we had an other lengthy debate on the Military bill that is, the minority report on a section of the bill on discovering the section of the section of the bill on discovering the section of the bill on discovering the section of the section of the bill on discovering the section of the bill on discovering the section of the section of the bill on discovering the section of the section of the bill on discovering the section of the bill on discovering the section of the other lengthy debate on the Military bill that is, the minority report on a section of the bill on discussion providing for the Governor to appoint all the officers over and above company officers. Considerable objection was made to that, and, finally an amendment was proposed to able objection was made to that, and, finally, an amendment was proposed to give the election of field officers to the company officers. This, however, was reconsidered, and another amendment offered, giving the election of all officers to the under consideration when the House adjourned. What sort of a bill will finally pass I am unable to say. If the original

Army to Flank the Enemy Rebel Account of the Fight in North Carolina. TENNESSEE ACAN INVADED.

&c., &c., &c., &c.

WASHINGTON, Dec. 23, 12:50 a. m.-It s not best for the public to cherish an illusory hope that the Cabinet imbroglio is ended. Secretary Seward to day de THE \$200 REWARD sumption of ministerial duties was made to depend on two conditions, whose non- RUSSIAN PEBBLE. fulfillment would even yet compel his resignation, and though Chase as anticipated in our dispatches last night, to-day signi-

ready representatives are auxiously con-sulting on the subject.
Unless the President yields, it will soon

Unless the President yields, and the be Congress against Executive, and the issue of such a struggle is not difficult to forestell. Never, in a free Government, has an Executive successfully defied the Legislature. It is a significant fact that Sanator Wade to day was closeted several hours with the President, during which his time the latter was denied to all visitors, time the latter was denied to all visitors, the latter was denied to all visitors. and it is unquestionable that the vacant Senatorship in Ohio, will operate to complicate the existing difficulties.

FORTRESS MOTROE, Dec. 22.—The following dispatches are published in the Richmond papers of the 20th:
Goldsborough, December 19.—A re-

says reinforcements passed Kinston, on the south side of the Neuse, to succor their skedaddling friends. As the smoke of battle clears away it reveals considera-

Only three companies of the 59th and 11th North Carolina were engaged. Col. Ferrchee, of the 50th, with eighteen men of the 14th fought the enemy for several hours, until reinforced by three of his own companies, who were subsequently relieved by the 11th, Col. Leaventhrone, and of the importal Parks 14th 14th 14th 14th 14th renewed by the 11th, Col. Leaventhrone, under the immortal Bethel flag, who ultimately drove them from their guns into the field. The 2lat North Carolina Col. Journal, was on the neith, that with the ex-

Standard states that the enemy disappeared South of Goldsborough.

taken at Trenton, says that Col. Fry, in command of two hundred men, who were half sick, the main part in the garrison, had been previously sent to Jackson, as that place anticipated a rebel menace, bu

works of cotton bales around the depot, and placed his men behind them. The journed. What sort of a bill will finally pass I am unable to say. If the original minority should pass, there will be many officers for the Governor to appoint, and be very good, provided you would take it.

I have just heard that a telegram has been received here that the Yankees were dvancing on Kingston in large force.—
his makes me feel uneasy. If the process of the grant of the grant of the process of the grant of th
