What do the white laborers of the North think of that? How do they like such the bark Eugene and carried to Peru. Capt. Semmes at first intended to des troy the steamship Ariel by burning her found upon the side which has the finest FALL GOODS, MISSES AND CHILDREN'S armies and the heaviest artillery. Had "accessions to the productive labor of the loyal States?" How do they like negro competition with their labor? Mr. Lia-coln in his Message advises those whites consisting of shortes rungoo i troy the steamship Ariel by burning her, putting the passengers ashore in the little settlement of huts at Saint Domingo, but Captain Jones of the Ariel protested that half of his passengers would die if this was done. Capt. Sammes then proposed to land the passengers at Kingston, but after much parleying an arrangement was effected to release the Ariel on Capt. Jones giving bonds in the sum of \$228,000, payable in 30 days after the acknowledge-ment of the Southern Confederacy.
