

stitution as it is!

leth Stder Fing Minion of Enhancement of the Ne-Coult Napoleon and Intervention de WASHINGTON, Dec. 29. It appears to be the opinion of the money dealers here and elsewhere, and especially in New York, that Mr. Chase's financial project will require, at least for he present, a large issue of legal tenders. It is true that, as the President said to the Senate Committee on Cabinet changes, if we nad military success, United States

First Page for Commerc rkets and River News. bonds would sell, but, without such success, everything, he said, would go wrong. A HAPPY NEW YEAR. The legal tenders seem to be the only or chief resource meanwhile.

all our readers, young and old, grave Congress, by taking a long receas at this y, we extend a cordial New Year's time, intended, no doubt, to afford an opportunity to the administration to prepare ing, wishing them all the follest and perfect their financial, political and asure of epipyment and prosperity acure of epipyment and prosperity ronghout the year We shall be glad to ntinue the same friendly relations with ch and every one, and trust the unhappy rogle now agitating to the very centre in the field, and vast financial trimus and trust the triat of the war. The emancipation plan is the most impor-tant of all these in the view of the rad-icals, and, as this will be carried into effect on the first of Jannary. Congress will be that it will give the Government victories in the field, and vast financial trimus he milltary plans for the conduct of the war. throughout the year We shall be glad to continue the same friendly relations with ach and every one, and trust the unhappy the now agitating to the very centre that it will give the Government victories happy country may not disturb the in the field, and vast financial triumphs be-ling which exists; or, by further talists will be slow to respond to the call of families, reduce the number for loans under such circumstances. There are abundant signs that, after the most thing during the past year first of Jappars the way will essume a new

• 3 their support. Our course shall and more ferocious aspect on the support nd more ferocious aspect, as it will be onducted, on both sides, under the black peretofores conservative and we

the Union and the maintenance of the sitution, advocating each and every asure which will tend to bring about these desirable objects. But we will submit to no dictation from those in authority to be represented in Congress under the as to the measures best calculated to subas to the measures pest calculated to such serve these ends, claiming and exercising the common right of every citizen to a free expression of opinion. It is intimated that Louis Napoleon, at his New Year's reception, will notify the American Minister, Mr. Dayton, of his intervitors in respect to Mexico and the free expression of the common respect to the common respect t

intentions in respect to Mexico and the Southern Confederocy. The probability

to ail us in extending the usefulness of this interference by treaty with the Con-federate States is increased by the failure to aid us in extending the usefulness of our journal by assisting in its wider dis-semination. Its principles are so well known that we need not refer to them more at length and we confidently ask every man our journal by assisting in its wider disat length and we confidently ask every man pose that a treaty has been agreed upon who reads the Post to use his exertions to between Mr. Slidell and the French govsend us one or more new subscribers ernment, looking to an alliance founded and thus secure the wider spread of those on mutual aid in future projects. good and pure principles of Democracy, based on equal rights to all, upon Search for New Cotton Fields. Europe is all alive in the search for new
