SATURDAY MORNING, JAN. 3.

CITY AND NEIGHBORHOOD INTELLIGENCE

New Year's Day.

The first of January was, as we expected, generally observed in the city. Business generally was suspended, except by those retailers who do their most lucrative business at the holiday—most persons enjoyed the day quitly, and there was but little rowdyism, only one serious disturbance having occurred. Celebrations were held in the morning at most of the Sabbath schools and the churches were mostly open. In the afternoon the public liberally patronized the places of amusement, and in the evening every place was crowded to its utmost capacity, including the Theatre, Trimble's Varieties, the Holman Opera Troupe at Masonic Hall, the "Kangaroo Show," the "Living Skeleton," the Orphan's Fair at Concert Hall and the Asbury Chapel Fair at Lafayette Hall. Surely the proprietors cannot complain of that day's business, as their highest expectations were more than realized.

The almost obsolete custom of New Year's calling was not much observed, but the young folks still found ample means of recreation and all spent "a happy New Year."

Riot on New Year's Day.

A very serious disturcance occurred on New Year's afternoon at the Red Lion Hotel, St. Clair Street, in which one man was severely beaten. The participants were a party of Pittsburghers and a number of "oil men" boarding at the Red Lion, who have for some time been at feud, culminating in a disgraceful fight on Thursday, about four o'clock. It originated in the street and was then adjourned to the bar-room, where the bar-keeper and several others barricaded themselves, the former armed with a revolver and the rest with bottles, tumblers, &c. The oil men broke in the door and a general fight ensued, in which one of the "oil men," John Dyer, was brutally beaten—his head and face cut and bruised, teeth knocked out and eyes blackened. He cried "enough," "murder," &c., without avail, and it was only by the strong exertions of the bar-keeper that his life was saved. Yesterday Dyer made his appearance before Alderman Humbert, and preferred a charge of riot against three of his assailants—John Dougherty, Jerry Lutz, and John Baird. Warrants were issued for their arrest, and Dougherty was soon after taken into custody and held to bail. The others have not yet been arrested, but they will probably enter bail for their appearce, as cross suits are likely to grow out of the affair.

Captured by Guerrillas.

The Cincinnati *Commercial* says:—"Capt. Blythe Weaver, of Pittsburgh, first clerk, and Mr. Edwin Ryland, of St. Louis, second clerk, were on the Lake City when captured by guerrillas. They are among those reported in jail at Vicksburg."

Postoffice Robbery.

On last Tuesday night the Postoffice at St. Clairsville, Belmont county, Ohio, was forcibly entered by some burglariously disposed person, who attempted a good deal more than he effected. But little plunder was achieved, the highest known amount taken from the till being only $6.

New and Malignant Disease.

The Greene County *Republican* states that a strange but dire malady has made its appearance in the neighborhood of New Geneva and Greensboro. Its attacks are sudden and unexpected, and it carries off the most healthy persons in the course of twenty-four hours. It has been pronounced by the local physicians a combination of Scarlet Fever and Diotheria, and operates upon the brain. It commences with a chill which impedes all circulation. Hot bath and a free use of brandy has proven the only successful remedy. Several deaths have occurred among the most healthy citizens.

A Ghost Hunt.

The Wheeling *Press* has the following: "A ghost hunt, and a successful one came off on Tuesday night. For weeks past, believers in and about East Wheeling in that class of animal productions have been confirmed in their faith, though terrified out of their wits, by the freaks and feats of a veritable and frequently recurring ghost. Others, not so sound in the faith, nevertheless believed there was something that moved about scaring their weaker neighbors, and so, a number of them gathered round a certain spot, and, after patiently waiting, closed upon their game as the French do, by *battu*. The gratifying result was the capture of the ghost; a fine, substantial fellow, of large bone and tough muscle, who by day performs duties in the Government stables on John street. The ghost when run down was invested with a horse skin and looked altogether like an "ugly customer." We have not heard to what purpose the captured sprite is to be applied; but surely he should not be subjected to anything short of a "course of sprouts."

The University.

The Western University is having a great success. The number of students is one hundred and twenty seven, and others will enter after the holidays. Students in German recite daily. Professor Wells, an eloquent lecturer, is giving a course of scientific lectures. There are seven Professors.

The Pennsylvania Canal.

The water has not yet been let out of the Pennsylvania canal, although the recent cold snap made ice several inches thick and completely blockaded navigation.

Col. Coulter.

The Greensburg *Republican* says: Our gallant townsman, Col. Coulter, arrived home on Monday. He is severely wounded by a shot which entered his left side and came out in the back. He is doing very well under the care of Dr. Anawalt, and is as full of energy and spirit as ever—the delight and the society.

Council Meeting.

Councils hold a special meeting to-night, to finish up the business of the year.

Remains Interred.

The funeral of Captain Daniel Boisol, late of Co. G, 123d regiment, took place yesterday afternoon and was attended by one company of the Fifteenth regiment State militia and a large concourse of citizens.

Not in Session.

The Courts were not in session yesterday, but will meet this morning for motions.

Confirmed.

Bishop Domenec administered the sacrament of confirmation to one hundred and eighty persons at St. Michael's church, Birmingham, on Sunday last.

Discharged.

Wednesday Catharine McDowell, ted by Alderman Davis for fifteen default of a $50 fine imposed for or on Sunday, was discharged *corpus* by Judge Stowe, who ommitment insufficient.

A New Year's Gift.

Our old and valued friend, Dr. Pollock, of Clinton, this county, yesterday sent us quite a handsome New Year's present in the shape of a list of eighty-one subscribers to the *Weekly*, with the money, this, too, as the first instalment, with a promise to run the club up to over one hundred.—Our subscription list is steadily increasing in Clinton and vicinity, for which we are under many obligations to Dr. Pollock.—We are always willing to receive like favors which will be properly appreciated and rewarded.

A Card.

I am not a candidate for Alderman in the Third Ward, notwithstanding a notice has appeared in the papers of the city to that effect. I want it understood I have never operated against any Democratic nomination that has been made, and never intend to do so.

Yours respectfully,
JOHN QUINN.

Pittsburgh, Jan. 2d, '63.

Fifth Ward Democratic Nominations.

The Fifth Ward Democracy have placed in nomination the following candidates for ward offices: Select Council—Wm. Lutton; Common Council—Jos. Lang, Thos. C. Dain, Nicholas Heyl, Sam'l Cameron, Wm. D. Kearns, Caspar Fink; School Directors—Jos. L. Duncan, Dan'l Cornman; Assessor—Peter Zern; Constable—James A. Bell; Inspectors—1st Preinct: Jas. Tucker; 2d Precinct: Jos. Bell; Judges—1st Precinct: John Doyl; 2d Precinct: J. A. Miller.

Defaulting Jurors.

The business of the Criminal Court having been delayed a good deal by the absence of some of those summoned to serve as jurors, notice has been given that unless they put in appearance on Monday, attachments will be issued against them.

Attacking an Officer.

Officer W. C. Wray, employed to keep order at Trimble Varieties, has made information for assault and battery against two parties who attacked him after he had arrested a disorderly person, and handled him very roughly. One has given bail, the other, Jerry Lutz, has not been arrested.

Injured.

A lad named Ford, from Connellsville, was crushed pretty severely on Thursday, at the Pittsburgh and Connellsville Depot, by being caught between a post and a train coming past. He was conveyed to the Mercy Hospital. His left arm is fractured and he has internal injuries which may prove fatal.

Steubenville Railroad Tunnel.

We understand that application is to be made to Councils for such an amendment to the ordinance recently passed granting the right of way to the Pittsburgh and Steubenville Railroad Company as will permit the Connellsville Railroad Company to form a connection with the western roads by means of the tunnel of the Pittsburgh and Steubenville Railroad Company, which will, of course, receive compensation for the privilege.

Burglaries in Manchester.

On Wednesday the residence of W. H. Phelps, Esq., corner Chartiers street and Ohio Lane, Manchester, was entered and robbed of an overcoat, a lot of silver spoons and forks, and some edibles. No clue to the thieves.——On Thursday morning about three o'clock, Mrs. Fish, wife of Wm. Fish, pilot, residing on Rebecca street, was aroused by a noise and looking out, saw two ill looking fellows in the yard, whom she frightened away by tapping on the window.

Major Frank B. Ward.

This young officer of the Anderson Cavalry, whose death is announced by telegraph, is a son of Dr. Wm. A. Ward, dentist of this city, and brother of Mr. Wm. Ward, of White, Orr & Co. He was a private in the three months' service and gained his promotion in the Anderson Cavalry by good conduct and soldierly qualities. He was much beloved here and in the army, and his loss will be severely felt.

The Baltimore and Ohio Railroad.

It is announced that this railroad will be in running order by next Monday, the 5th of January. The railroad telegraph line along the line of the railroad, was completed on Monday, under the supervision of Superintendent Westbrook, so that teles graphic communication between Baltimore and Wheeling will be resumed at once.

Election of Directors.

The Pittsburgh and Steubenville and Chartiers Valley Railroad will elect directors on Monday next. The Allegheny Valley road elects directors on the 3d of February, and the People's Insurance Company on the 12th instant.

Reckless.

On Thursday a boy discharged a loaded revolver on Wood street, the ball passing through the window at Mr. Geo. Breed's china store, shattering a costly ware to atoms. The boy was not caught, but he should be severely punished for his recklessness.

Cheap John in Trouble Again.

This inimitable genius, who made his debut here some two years ago, seems to be in trouble, not with the authorities nor with the people, but with himself; the fact being that his place is not half large enough to hold the goods he has for sale or the people who nightly crowd to his store to listen to his wit and novel style of selling goods, and as he cannot get another store in the proper place he is in a quandary what to do. John is a novelty indeed; his variety of goods seems to be endless and his prices astonish all, as although all goods have advanced largely, John continues to sell them at old prices. Go and see him by all means, if for nothing else than to hear him talk, for he is certainly the most comical and witty man we ever heard over a counter.

Assignee's Sale of Groceries.

The large sale of groceries by order of Assignee, which takes place next Tuesday at 270 Liberty street, should be attended by both city and country dealers.

The Last Night of the Holman Troupe.

The Holmans will conclude their engagement at Masonic Hall to-night, and we have no doubt the many friends and admirers whom they have deservingly made during their first visit to Pittsburgh, will turn out in full force to bid them farewell. The bill they offer is an excellent one and should at any time command a full house. We hope they will receive the liberal patronage they so richly merit. May success ever attend them.

Miss Thompson's Last Night.

The complimentary benefit to Miss Charlotte Thompson last evening was an immense success — the Theatre being crowded in every part. The large attendance seemed to animate the lady, and her personation of Julia, in the "Hunchback," was even better than on the first night of her engagement. To-night is the last of Miss Thompson's engagement, when we expect to see quite as full an auditory.—She plays Madelaine in the "Foundling of Paris," one of her most effective parts. The engagement of Miss Thompson closes but too soon and we can only be reconciled to the loss by the knowledge that she will be succeeded by Miss Emma Waller, the celebrated tragedienne, who will doubtless meet with deserved success.

NASHVILLE, Dec. 2.—A terrible battle took place at Murfresboro, the greatest carnage of the war. The federalists encountered the rebels on the 30th ult. near Stewart's Creek; heavy skirmishing; the rebels were driven back. We captured one hundred prisoners and killed and wounded a large number. Our loss was seventy killed and wounded.

At day break on the 31st the fight was renewed with great fury. McCook's corps opposed to Hardell's. After desperate fighting with heavy loss on both sides, McCook retreated two miles this side of the ground occupied in the morning; the fight continued until ten o'clock, p. m., at which time we held our position. The federal loss is very heavy.

Killed—Brig. Gen. Sill, Lieut. Col. Garesche, chief of Rosecrans staff, Brig. Gen. Willich, of Ind; Col. Kell, 2d Ohio; Col. Shaffer, Acting Brig. Gen.; Col. Farmer, 15th Ky.; Col. Jones, 39th Ohio; Lieut. Col. Cotton, 6th Ky.; Lieut. Col. Jones, 39th Ind.; Major Carpenter, 19th Regulars; Major Rosengarten, of Philadelphia; Capt. Garrett, 19th Illinois; Col. Carpenter, 18th Wisconsin battery, and Lieut. Col. McKee, 15th Wisconsin.

Wounded—Brig. Gen. C. M. Kirk, Ill.; Wood, of Ind.; Vandeour, Minn., Col. Cassale, Ohio, Maj. Gen. Rosseau, Ky., Lieut. Col. Berry, 5th Ky., Major Slemmer 15th regulars, Major King, 15th regulars, and many others.

The 21st, 25th, and 35th Illinois lost two thirds, the 15th and 38th one half their number. The 101st Ohio lost 124 men, and the 38th Indiana, about the same number of killed and wounded is estimated at 2,500. The rebel loss exceed ours.

Gen. Rains is killed and Gen. Cheatham wounded and a prisoner.

We have captured 500 prisoners. The fight was renewed at 8 a. m., January 1st. Cannonading was heard at Nashville, at 10 a. m. Woods and Van Cleves' divisions were in Murfreesboro, driving the enemy, who were in full retreat.

Many buildings were taken for hospital purposes, and great numbers of wounded are being brought in.

New river has fallen eighteen inches on the shoals.

Major Foley commanding 175 of the 10th Kentucky cavalry, surprised 350 rebels at camp at Elfork, Campbell county, killing and wounding 17, and capturing 51 and burning all their camp equipage; also capturing 80 horses and a large amount of arms.

The report that 15,000 rebels crossed the Cumberland last Monday and was moving towards Louisville, is discredited at Headquarters.

WASHINGTON, Jan. 2.—The President has signed the bill for the admission of Western Virginia into the Union.

The Secretary of the Treasury has decided to pay in coin the loan of 1842, amounting to $2,800,000, falling due yesterday.

The Secretary of War was to-day advised as follows:

CLEVELAND, Jan. 2.—The following has just been received by telegraph from Cincinnati, dated Murfreesboro, Jan. 1st. A terrible battle was fought yesterday. The latest from the field is up to noon.

The rebel centre was broken and things looked favorable.

The losses are reported to have been enormous.

Stanley, Rousseau and Palmer are wounded.

The Secretary of the Treasury has decided to pay in coin of 1842, amounting to 2,800,000 dollars, falling due yesterday. All bonds to be redeemed must be transmitted to the Secretary of the Treasury, endorsed by the legal holder to the United States, on the reception of which, the Department, they will be referred to the first Auditor and promptly settled. Drafts for principal and interest upon the Assistant Treasurer nearest the residence of the owner will be transmitted to the legal holder in the usual manner. All speculations as to the President's action upon the bill for the admission of Western Virginia into the Union are now ended. The facts having been ascertained, on inquiry, that he approved and signed it on Wednesday night, therefore it is a law.

The following official dispatch has been received:

LOUISVILLE, KY., January, 1st.

The rebel General Morgan crossed the Cumberland river and cut off Nashville at Gainesboro, and reappeared in front of Mumfordsville on the 25th of December. Colonel Hobson, of the 18th Kentucky, drove in part of his forces, killing nine and capturing sixteen.

Morgan crossed Green river above Mumfordsville and moved in the direction of Elizabethtown, burning the bridge at Bacon creek and Nolin. He destroyed the trestle work at Muldrough's Hill and moved for Rolling Fork.

Colonel Harlan, of the 10th Kentucky, commanding a brigade, overtook him at Rolling Fork and attacked him, killing and wounding a number and capturing a captain and some privates.

Col. Dull, a rebel, died of his wounds, and one of our Lieutenants of the artillery.

Col. Harlan crossed, pursued, and attacked him at Rolling Fork and Salt river bridge. This is the first instance, I believe, of infantry meeting and attacking cavalry. Morgan fled before Harlan to Bardstown, and from there attempted to escape between Lebanon and Camp Bellville. Col. Harkins, 128th Kentucky, commanding there, attacked them this morning, killing a number and capturing ninety men, his caissons and ammunition wagons. Morgan is flying precipitately. General Reynolds marched from Glasgow yesterday for Greensburg, and may intercept him. Colonel Halsy, Sixth Kentucky Cavalry, was killed. Our casualties are not yet reported. Morgan has paid dearly for what he has done. Gen. Rosecrans occupies Murfreesboro.

(Signed) J. T. BOYLE, Brig. Gen.

WASHINGTON, Dec. 2.—The following was received at Headquarters of the Army this afternoon:

HEADQUARTERS, CINCINNATI, July 2.—Major General Halleck, General-in-chief: Major General Granger reports he has received a dispatch from Major Foley, commanding an expedition sent by him to Elk Fork, Campbell County, Tenn., composed of two hundred and fifty men of the 6th and 10th Kentucky cavalry, stating that on Sunday morning last he surprised a camp of the rabels 3,500 strong, at that place, killing thirty, wounded seventeen and captured fifty-one without the loss of a man; all of their camp equipage was burned; eighty horses and a large amount of arms captured.

Also the following vessels of war: Hartford, Pensacola, Potomac, Mississippi, Winona, Sciota, Cayuga, Itaska, Katahdon and Pampero.

Gen. Banks had removed the restrictions upon the holding of church services, giving notice, however, therewith, that clergymen are subject to restrictions imposed on all other men.

Quite a number of political prisoners have been ordered to be released on giving their parole to commit no acts of hostility to the United States.

The steamer Creole, from New York, arrived on the 24th.

SAN FRANCISCO, January 1.—Arrived, steamer Sierra Nevada, from Oregon, with $90,000 in gold.

The steamer Constitution sailed to-day with $1,067,000 in treasure for England, and $890,000 for New York.

ALBANY, Jan. 2.—Gov. Seymour thanked Gov. Morgan for the kind expression of his good wishes, and congratulated him on the able close of his administration.—Gov. Seymour said, I have solemnly sworn to support the Constitution of the United States with all its grants, restrictions and guarantees, and I shall support it. I have also sworn to support the Constitution and the State of New York with all its powers and rights, and I shall uphold it. I have sworn to support the duties of the office of Governor of the State, and with your aid they shall be faithfully performed.

These constitutions and laws are meant for the guidance of our official conduct and for your protection and welfare. The first law recorded for my observance is that declaring that it shall be the duty of the Governor to maintain and defend the sovereignty and jurisdiction of the State. The most strict injunction of the constitution is that the Governor shall take care that the laws are faithfully executed, and so help me God they shall be. He would not dwell on the present occasion on our national affairs. Our position as a State has been happily attended to by my predecessor, and my views on the subject will be laid before the legislature. While knowing that his position gave him control over National affairs, and he (Seymour) yet ventured to trust that before the end of his term of service the country would be again great, glorious and united as it once was.

JEFFERSON CITY, Nov. 2.—Both houses of the Legislature to day passed resolutions appointing a joint committee to memorialize Congress to appropriate not less than $2,000,000 to pay such enrolled militia as have been in active service; also to ask Congress to grant to this State all rebel property confiscated to the United States to indemnify royal citizens. They also passed resolutions for a joint session on Tuesday next for electing two United States Senators.

NEW YORK, Jan. 2.—The fire last night destroyed a great amount of property.—The loss is estimated at about one hundred and fourteen thousand dollars.

Capt. H. Devinny's fine passenger steamer Mariner is announced to leave for Cincinnati this day. She has fine accommodations and is in charge of experienced officers.

The favorite steamer Fred Lorenz, Capt Mason, is announced for Cairo and St Louis. We take pleasure in recommending this boat to our friends.

The well known steamer Progress, Captain Barker, the boat that brought up the valuable load of cotton, leaves this day for Saint Louis. Passengers and shippers will bear this in mind.

Capt. Porter's splendid steamer Argonaut No. 2, leaves to-day for St. Louis and intermediate points. This boat has good accommodations and attentive officers, Capt. Porter has charge of the office.

Capt. Shuman's new steamer Silver Cloud, is loading for St. Louis. She has fine speed, excellent accommodations and attentive officers, Capt. Conway has charge of the office.

The New Steamer Armada—Capt. C. W. Johnston.

A new and magnificent steamer named as above is now at our landing. She is side-wheel, and entirely new and was built for a tri-weekly packet between this place and Wheeling. She was built under the superintendence of Captain A. Jacoba, one the most experienced builders in the West—Length 180 feet, beam 32 feet, hold 5½ feet. She is extra fastened and timbered. The hull was built at California; the machinery by Herbenson; Cylinders 20 inches in diameter with 6 feet stroke. The boilers were built by Messrs. Wotton & Monroe. Three boilers 40 inches in diameter and 24 feet long; the cabin work by Messrs. Asbury, Crumlow & Co.; painting by Mr. C. W. Jeffers. In the construction of this boat no expense has spared, and all who have examined her say she is the best boat for the trade ever built. As far as experience goes Capt. Jacobs is second to none. Capt. Johnston is determined to establish punctuality. His hour of leaving is 11 a. m. positively, so persons doing business with the Armada must observe this. There is no reason why a packet making regular trips should not leave at the hour named in her advertisement. Capt. Johnson is well known. He is a clever, obliging and attentive officer, as we have ever met. He has lots of friends and deserves them all. Success certainly awaits the Armada and her enterprising owners. She leaves on her first trip on Monday at 11 a. m.
