TUESDAY MORNING, JAN. 6.

THE SOLDIERS' PAY. The air is rife with charges of pecula-

any way authorized to act for the governmer and the who are tempted by the rich gulenes of green backs displayed to view. One paymaster gambles away a quarter of millions of dollars have been squandered lished in yesterday's papers here: since the commencement of the war, without the shadow of a return to the government. What a sickening aspect does this wagon trains are shot. Twenty of the killed are lying in the Murfreesboro pike." present of the morality and patriotism of our people—particularly in view of the slaves being hung in Eastern Virginia; of our people—particularly in view of salaves being nung in master of fact that our brave, self-sacrificing and now, from Nashville, we have an account of the salaves being nung in master of the salaves of the salaves being nung in master of the salaves being nung in master of the salaves of the sal ed a dollar of their hard carned wages for seven months. This applies down like mad dogs. Now, who are to only to the volunteers, as we understand blame for this monstrous condition of the regulars are paid every sixty days. The question comes to us from the camp lition teachers, who have been laboring to and fireside in unmistakeable tones: Why divert the war for the Union into a bloody war is it? How is it? Contractors are paid and the soldiers who tace death in its We already see some of the effects of the many forms and are daily laying down their lives are without the poor consolation of ballets in their heads lying appears high knowing that the Government for which they give everything is able or willing to well make up their minds for the worst. shield their unprotected families from des titution. Upwards of seventy millions of dollars are now due the soldier. Are caught asserting his freedom will meet a steam presses out of the market or has the tribe of engravers ceared to exist, that Mr. Chase can ture out no more green backs? Better that members of Congress, who could not forego their usual holiday frolice, slould want their mileage,

A MYSTERIOUS PARAGRAPH The following paragraph appeared in the Washington Republican of the 1st inst; it is entirely too mysterious and pro. found for our understanding, but still we commend it to the investigation of our inquiring and intelligent community:

and even their salaries, than that this

this state of afairs should exist. Pay the

soldiers first and keep them paid if you

want a disciplined and efficient army.

INAUGURATION OF PRESIDENT LINCOLN. Abraham Lincoln is to be inaugurated to first number is before us. It looks well, day. Hitherto he has yielded his sound and is, we are informed, ably edited. Mr. day. Hitherto he has yielded his sound judgment to the impetuosity of selfish and gross men. His great heart has controlled his convictions, but the people may rely on a positive sagagious policy from ed his convictions, but the people may rely on a positive sagacious policy from this day to the close of the war, and even fellow-citizens. We wish him all success fellow-citizens. portant changes are to be made in the Cabinet, and in various departments of the Government indicating a wisdom inherent in the President, but now fully developed. Such are our convictions, based upon what we regard as good authority and correct reading the convictions.

has undertaken.

come over and rule us.

But when here and there an officer, in an

The rule of loyalty now sought

The Republican and the Chronicle, two famishing concerns published in Washington city, are rival establishments, and tic rule has ever been, and ever will beeach endeavors to obscure the radiance of "Our country, right or wrong." It never organs subsist on such advertisements as without being disloyal. If, after our the departments furnish, just like seedy practical experience in the workings of and dilapidated individuals living off of this government, it is necessary to assert the charity of their more fortunate rela- that there is and can be no such thing as tions. Last month, the Chronicle, For loyalty to an administration, we had best ney's paper, had several startling articles follow the example of Greece, and invite about the "big beating heart," and "creative, teeming brain" of President Lincoln: One would imagine; from the careful perusal of these articles, that that "teeming brain" was as busy as a spider, weaving meet to-day at Harrisburg. Doubtless an ingenious nets to catch the leading rebels. The result of the Fredericksburg affair, however, demonstrated that some one else's "teeming brain" had been planning day, and as the Democracy have the ma too; and that our generals had lead our ority on joint ballot, there can be no forces right into the trap which the rebel doubt but a Democrat will be chosen. Lee had set for them. That "teeming brain" of our President may be most luminous; it may lift him to the stars, the 139th Regt: and carry him over the swollen waters of the angry deep, as swallows skim the air, but his military strategy is the worst we have yet seen, forcing us, reluctantly, to the "bounty," and of course they are tithe conclusion, that, although a fair human decourse, and a country was "too patriotic." Many left their families

But the Republican, the other organ of the Administration, assures us that the President was only inaugurated last Thursday, the first day of the present year. We were all under the impression that he lies. was inducted into office on the 4th of March, 1861, when he swore to "support March, 1861, when he swore to "support and defend the Constitution of the United States;" but the time which elapsed between that date and the first of the present month, was mere oblivion.

The designs of the Abolitionists were not Walk through the streets of the different companies, and hardly any other conversable was weeks we have been most months and 3 days.

For fully six weeks we have been most miserably clothed. But now all are comfortable. I do not exaggerate when I say not that I do not believe there would be over one hundred enlisted men in this regiment were we to be paid off, and put in a position where desertion is not so dangerous. Walk through the streets of the different when they go forth to battle, and, even though the blow may come suddenly, it has not the January's emandipation proclamation was issued; then the President arose to the full dignity of his position, and from that date commences his administration—this is our interpretation of the Republican's mysterious announcement. From the 4th of March, 1861, until the honorable and in no way will I go out of it. Such men are an honor to the land.— 1st of January, 1863—twenty-two months -the President has been in a half torpid old regiment, deserts, what can we expect from those who have to run the same risks condition. It is true that the rest of the nation was tolerably awake and sensitive and suffer the hardships besides. to the condition of affairs throughout the country. Since the first battle of Bull Run What quadrupeds are admitted to balls, operas, and dinner parties? White kids, sometimes the goats themselves go with the sounds of death and carnage have been borne to us upon every breeze; incompetency in the field and schism in the cabi-

streets, crowded with the maimed victims from the earth, on the firing of a Federal of incompetency, painfully impressed us gun against the soverignity of a State, who with the idea that the world had not been would court death in defension of their loasleep. All this time the head and front cal rights and privileges. It was for these LATEST NEWS BY TELEGRAPH. The thundering echoes and reverbations of the "independence of these States." lifts him to the clouds. Surely it is time in defense of their rights. for the commander in chief of the army and navy to awake—to shake off death's

ounterfeit and look on death itself. The dispatches from Murfreesboro enote a complete victory for our arms. --We sincerely hope and pray this may be the always glad to hear of the 62d. case, and that the rebels may be pushed tion and wholesale plundering and frauds into the swamps of the Yazoo. General on the part of government agents, paymas-Rosecrans is the hero of the war, and will ters, contractors, as well by those not in receive, as he deserves, the highest post of honor.

IT OPERATES ALREADY. The rebel President, anticipating th a million whose character before his ap emancipation proclamation of President pointment was not above suspicion, whose Lincoln, issued an edict against Gen. But right to handle millions of the peoples' ler and his officers in New Orleans, and tained without scrutiny and at the in- the rebel authority. On the first of the stance of some ward politician. In New present month our President issued his de-York city alone one million of dollars has cree, giving freedom to the three or four been gobbled up by thieves professing to millions of slaves in the country; the only act for the administration, and it may be response we have seen is the following, fairly estimated that at least one hundred from Nashville, of the 3d inst., and pub-"All contrabands captured on Federal

Last week we published an account of count of twenty more having been shot affairs? Not the poor victimized blacks; they are the innocent victims of our abo-The decree has gone forth, and every slave similar fate to those mentioned. And this is but the beginning of the end of that agitation which has carried the country from

one stage to another, until there is nothing left to be done but the raising of the black flag, which will bear upon its accuraed folds, "take no prisoners and give no quarter." When that time arrives, which

we fear is not far distant, then will civil ietta, Ohio, and laterly a Paymaster in the United States service, some time since fell into the hands of gamblers, and sustained considerable losses. The story is the usual one—that he entered upon the desperate enterprise of making things even, and of course his losses grewheavier as he proceeded, until they amounted to nearly a quarter of a million; the sum being largely above two hundred thousand dollars.

Lieut. Hastings, of the 25th Illinois, and all the commissioned officers and sergeants of Co's G. L and K are killed or disabled. Col. Scott, of the 19th Illinois, seriously. Capt. Austin, of Woodruff's staff was taken prisoner. Private dispatches say that the rebels in their retreat, are burning cotton whereever they can get hold of it.

A number of Jews are concentrating deputation to proceed to Washington and remonstrate against Gen. Grant's order war have reached a degree of savage fe ocity which the world has not seen. NEWSPAPER CHANGE. Mr. J. George Ripper, formerly senior ditor of the "Harrisburg and Lancaster Democrat," has taken up his residence in Pittsburgh, and purchased the Union (German) newspaper office. He has

in the somewhat uncertain enterprise he

the other, by the intensity of its Abolitionism. Each claims to be the organ of the Administration; and in order to impress their readers with their official importance, they occasionally publish such mysterious able to understand that it is possible to detail to be the grant of the administration may be unable to understand that it is possible to detail to be the grant of the gr were robbing the government, and some of them pursued him in his travels. The gambling house of Whaley, in this city, is reported to have taken near one hundred

> some beggarly scion of royal stock to The Paymaster was not a green one.—
> He was, some years ago, a steamboatman, in the Ohio trade. Atterward he was an agent of the Marietta Railroad in this city, and it is now said that there were rumors of a defalcation on his part at that time. These tacts have been known to us for several days, and the publication of the circumstances has been deferred that the Government might have all the advantages. The Pennsylvania Legislature will organization will be at once effected. On next Tuesday a United States Senator will be elected, at least the law designates that We copy the following from the Pitts We copy the following from the Pitts burg Dispatch, contained in a letter from the 189th Regt:
>
