dirty." was a start of the sta "Don't go, little boy, you are so cold!

"Don't go, little boy, you are so coust to come to my house and get warm. O, do come," she continued, as he hesitated; and he followed her inte a large kitchen, where a bright fire was shedding its genial warmth around. "Well, Miss Marian, who are you bring-ing here now?" acted the old servant wo

ing here now ?'' asked the old servant wo "A poor boy, who is almost perished, yon will let him warm, will you not, good

yon will let him warm, will you not, good "Marian. Jimmie has never forgotten "Marian. Jimmie has never forgotten you. Since the day you were so kind to him and gave him this book, his life has hor and meat. "Marian and gave him this book, his life has hor and meat. "Marian watched these arrangements and then glided from the room. When she returned she had a primer, with the first rudiments of spelling and reading. "Little boy, here is a book that you can be returned she had a primer, with the first rudiments of spelling and reading. "Little boy, here is a book that you can had any one to teach me. I just learned of paper. Do you know sll your letters, yet?" "Some of them, but not all. I never had any one to teach me. I just learned myself? but Oh ! I want to learn to read so badly." Marian sat down beside him and be-gan teaching him his letters. She was so busily engaged in this work that she did not see her mother enter the room, nor hear Raching the little beggar boy his There were but few he had not already interest. There were but few he had not already learned himself, and it was not long be There were but few he had not already she once spurned from her door, and d risively called "intellect in rags." Bi she learned a very severe lesson and or

learned himself, and it was not long be-fore Marian had the satisfaction of hearthat changed the whole current of her life For a while she shunned Mr. Hamilton ing him repeat his alphabet. When he rose he thanked Rachel for er kindness and offered Marian her little but by persevering kindness he made her feel easy in his presence, and she was the acknowledged friend of the Congressman and his noble wife. "No, I'don't want it," she said, "I have

Y ears have passed since then and Louise is training up a family of little ones; br

Louise Gardner and Marian Hays were all. playmates and friends. The dwellings joined, and almost every hour of the day they were together, for they attended the same school. These two children were differently dispositioned, and differently he had not been able to meet with an ugly differently dispositioned, and differently he had not been able to meet with an ugly brought up. Louise was proud and haughty. Poverty, in her eyes was a dis-grace and a crime, and she thought nothing too severe for the poor to suffer.— These views she learned from her mother.

These views she learned from her mother. Mrs. Gardrer moved in one exclusive cir-cle the bon ton of new York. Without the precints of this she never ventured, for all others were beneath her. Lonise was taught to mingle with no children save her mothers friends, was growing up be-lieving herself even better than they. The teaching that Marian Havs receiv.
