GOV. SEYMOUR'S MESSAGE. We publish in this morning's paper the message of Gov. Seymour, of New York, to the Legislature of that State entire,

omitting only the portion relating to the State finances. We ask our readers to give the entire document a careful perusal .--Let the reader not neglect this, nor pernse it hastily, but let him ponder over its sugrestions, and then ask himself if anything like it has emanated from the heated brain
