abandoned by her officers and toss ness and other causes, that it can now ing miles at sea. There seems to be no of the regiments have been reduced to complan of campaign, because the capacity of panies, some to mere squads, and it is those in power is utterly incapable of feared that—unless they can be withdrawn grasping the extent of the country's nefrom active service and permitted to return

cessities and dangers. GEN. NEGLEY.

GEN. NEGLEY. This Pittsburgh officer, who behaved so splendidly at the late bloody battle of the State—and we since rely hope he may succeed. What reason the President and War Department can have for refusing im-Murfreesbord, is receiving great commendation for his gallantry. Even the Pittsmediate compliance with the Governo burgh Gazette yesterday neglected Acoli- request, we cannot imagine, and we think to follow it up properly, and that Halleck ing townsman. This is the first indication infor that it thinks upon anything con-nected with the war except slavery. Its notice of Genil Negley is very compliment tary, except the following closing par-

agraph, which was unnecessary. It says : agraph, which was unnecessary. It says: "We might speak of General Negley as a man, as an accomplished botanist, hor-ticulturist, and as a gentleman of fine taste; but we forbear. Suffice it to say that he has been born, reared, and has lived all his life in this county, and that his record in every walk of life has been such as to do him honor." RESOLUTIONS OF THE ABO LITION MEMBERS OF THE UNITED STATES SENATE.

The following are the resolutions said This is all true enough, but "the fitness to have been presented to the President of things" should have reserved these light by the committee of nine; but they look of things" should have reserved these light compliments for some other occasion. We can't see the propriety of closing an account of a man's military achievements by complimenting his taste in, and knowledge of, botany; nor can we exactly per- of the government. These propositions ceive the connection between horticulta- are entirely too moderate to have emanated ral accomplishments and the place of from a secret abolition cancus: ral accomplishments and the place of irom a secret aboutton caucus: one's nativity. Were the General at home, superintending his favorite department of a county fair, these compliments to his taste in flowers would be proper; as it is, taste in flowers would be proper; as it is, however, the *Gazette's* introducing it at the close of an article on war looks very much as if an advertisement of the Gen-eral's boquets were intended, and not a bearty and described compliment to his and the early and uniform predical compliment to his and the early and uniform predical complete to his and the early and the earl

Philadelphia Ledger speaks of our U. S. Senator, elect, as follows:

"Charles A. Buckalew, the Senator "Charles A. Backalew, the Senator elect, is not a stranger to the public. He occupied a seat in the State Senate for six years, and durfugithat time was the recog. es in its members should be made as will years, and during that time was the recog. nized leader of his party in that body. His nized leader of his party in that body. His ability is of the highest order. Pennsyl-vania has no reason to be ashamed of him. As a public speaker, he is calm, clear and forcible. He is fluent in debate, and a thorough master of every subject he dis-cusses. He is more of a statesman than a politician, unknown to intrigue, and a thorough gentleman in his bearing. Even politician, unknown to intrigue, and a of the principles and purposes that above thorough gentlemath in his bearing. Even his political enemies regard him as the most unobjectionable man in the Demo-tion of any important military operation

cratic party. He is about forty years of tion of any important military operation or separate general command or enter

age." The Philadelphia Inquirer, an adminis-tration journal, alluding editorially to Mr. Backalew, says: "He was once happily described by a these words: "The and o nothing with Buckalew; he's inst like one of our mountain streams." prise in this war to any who is not a cor-dial believer and supporter of the same principles and purposes first above stated. Patton, Strouse, Pancoast, Ramsey, Ritter and Slack. How Halleck's Strategy Prevents Rosecarns from Reaping the Fruits of His Victory. Special Correspondence of the Chicago Fines. Whatever may be the extent of the victo the State to recruit their ranks and energies-total demoralization will follow. This is an object which the Governor has tory which Gen. Rosecrans has gained over the enemy under Gen. Bragg, at Murfressboro, it is understood here that it will fressboro, it is understood here that it will "On to Richmond" military disasters, be barren of results, owing to the fact have already withdrawn New York, New the voice of the Legislature, added to that the voice of the Legislature, added to that of the Governor, in an earnest appeal—or even a demand, if necessary—would bring back the war-worn veterans who have been so long in active service and have suffered so severely. Their whole strengthe the battle of Frederickaburg did not, we be lieve, exceed 4,500, and of this number they lost, in that terrible struggle about out forces into small delivery masses of the Democracy, and most of they lost, in that terrible struggle about out forces into small delivery masses of the Democracy, and most of they lost. in that terrible struggle about out forces into small delivery masses of the Democracy, and most of the province the struggle about out forces into small delivery masses of the Democracy, and most of the province the struggle about out forces into small delivery masses of the Democracy, and most of the province the struggle about out forces into small delivery masses of the Democracy, and most of the province the struggle about out forces into small delivery masses of the Democracy, and most of the province the struggle about out forces into small delivery masses of the Democracy and most of the province the struggle about out forces into small delivery masses of the Democracy and most of the province the struggle about out forces into small delivery masses of the Democracy and most of the province the struggle about out forces into small delivery masses of the Democracy and most of the province the struggle about out forces into small delivery masses of the terrible struggle about of the struggle about out forces into small delivery masses of the terrible struggle about the strugg lieve, exceed 4,500, and of this number they lost, in that terrible struggle, about cut up our forces into small detuchments they lost, in that terrible struggle, about 1,700. Surely justice and mercy alike re-quire that some rest should be allowed the tached expeditions, scattered all over the tached expeditions, scattered all over the ute their money and peril their lives to continent, so that the enemy, by concentra-

ting their force, would be enabled to de-feat them in detail. Now that the facts in regard to the battle of Murfressboro are feat them in detail. Now the second s bin it not, for twenty years, at our elec-tions, State and national, ever play into the hands of pro-slavery Democrats ?--While we were laboring for the right, do-ing all we could for the Union and the tent before the battle had been longing, for, knowing full well, for some weeks past, that the relative strength of the two ar-mies before the battle, was about equal, ing all we could for the Union and the country, were we not embarassed and thwarted by this factious, impracticable "Third Party?" Who were its leaders then? Messrs. Garrison, Phillips, Sum-ner, Gerrit Smith, etc., etc. Did we trust to their judgment, or follow their lead, or yote with them than? A so not the same

vote with them then? Are not the same men, with Mr. Greeley, fully developed, as a disciple, the abolition leaders now? A Little Heavy all Over.

y and rendered necessary to suppress, a causeless and atrocious rebellion. *Second*—The theory of our Government is and the early and unitorm practical con-struction thereof, is that the President should be aided by a Cabinet Council agreeing with him in political principles and general policy, and that all important public measures and appointment should be the result of their combined wisdom and deliberation. This most obviously ne-cessary condition of things, without which no administration can succeed, we, and the public, believe does not now exist; and therefore, such selections and chang-tes in its members should be made as will; secure to the country unity of purpose and action in all material and esseptial respects, most especially in the present crisis of near my thigh_-it's sticking in yet; one in public affairs. eral's boquets were intended, and not a hearty and deserved compliment to his unquestioned military ability. OUR NEW SENATOR. The Harrisburg correspondent of the Philadelphia Ledger speaks of our U.

> ened his woes with a double quantity of solace.

Sir Walter Scott's Memory. Mr. Carruthers, in the course of a lec-

ture on Scottish history, delivered in Queen street Hall, Edinburg, mentioned an instance of Sir Walter Scott's wonderful memory# "I have heard Campbell relate how

strongly Scott was impressed with this (Cambell's) poem of 'Lochiel's Warn-ing.' 'I read it to him in manuscript,' he said; 'he then asked to read it himself, which he did July and the state of the second which he did, slowly and distinctly, after which he handed to me the manuscript I have got your poem by heart,' and with
