

The Union as it was ; The Constitution as it is!

Ar See First Page for Commercial Daily Markets and River News. MONDAY MORNING, JAN. 19.

THE ARMY OF THE POTOMAC. The reader will find on the outside page of to-day's paper, an able and interesting review of the Army of the Potomac. The discussion of the probabilities of the

war in Virginia, being confined, almost exclusively, to the necessity of capturing

the late message of Governor Robinson, directed towards the rebel capital, that we appear to consider it the great obstacle to be surmeunted. The reduction of Richto emancipation. We find by late advices from Frankfort that the State Legislature mond by our army would be a brilliant and telling achievement; but we question ncline to the same views as Governor

very much whether it would be as dam-Robinson. In the Senate, on the 9th, aging to the rebels as is the loss of New joint resolutions were introduced, as fol-Orleans. If the war is to go on as the delows: Resolved. That Kentucky hereby enter fiant and scornful terms applied to us by the fight and scornful terms applied to us by the Southerners indicate it will, we need not look for a cessation of hostilities with the fall of Richmond. The press of that city is full of hatred towards everything North-eru. Such men as Vallandigham, and Mr. Brocks of New York, are ridiculed for their suggesting terms of peace, while they of any other way to a emancing to redict.

their suggesting terms of peace, while they proclaim their separation from us as be-ing final and irrevocable. These senti-ments, it is true, come generally from what are regarded as the organs of the rebel government; and they may, therefore, be no truer interpreters of the masses South thau our extreme radical papers are of the feelings of the North. But allowing the determination in the South for a final seperation to be what the South for a final seperation to be what the South er papers say it is, where do we stand? Will the capture of Richmond settle the question? or will the reduction

the control of which has never been given settle the question? or will the reduction and garrisoning of all the principal cities now or after this rebellion shall have been and towns in the rebel. States close the contest? Much, would depend upon the action of those put to command the con-quered localities. Such governors as B. consent of the general government. That the Union and constitution mus F. Butler was at New Orleans would never

bring a proud and stubborn people back to and shall be maintained allegiance. If then the present temper of THE PAPER DUTY. our government prevails on our side, and that of Davis dictates upon the other, we Meeting of the Book Publishers

may make up our minds for a war of in At a meeting of Book publishers, held definite duration. Acts of emancipation at the Trade Sale Rooms in upon our side and military executions up. Our own detestotion of those who

Richmond, has impressed the people with the conviction that the accomplishment of that feat would speedily crush the rebel-We have already given an abstract of the action of this Government on such criminals as may attempt its execution, I confine myself to informing

(Union,) of Kentucky, stating his hostility you that I shall, unless in your wisdom you deem some other course more expedient deliver to the several State authorities al commissioned officers of the United commissioned oncers of the United States that may hereafter be captured by our forces in any of the States embraced by the proclamation, that they may be dealt with in accordance with the laws of those States, providing for the punishment of criminals engaged in exciting servile ina small boat.

In its political aspect this measure pos-In its political aspect this measure pos-sesses great signification, and to it, in this light, I invite your attention. It affords to our people the complete and crowning proof of the true nature of the designs of the party which elected to power the present occupant of the Presidential chair at Washington, and which sought the conceal its murnages, by every artful

to conceal its purposes by every artful grace, and by the perficious use of the most solemn and repeated pledges, on every practical occasion. Major Gen. Wool.

It is stated that Gen. Wool, since his

arrival in New York, has lost no time in concentrating his orders into a business plan, and is now engaged at the work for

which the government has selected him. The New York Times says :

"The brave old officer is in the best of health and spirits, and by his suavity of man-ner will make himself a favorite, not only in this city and State, but also in the New England States."

Novel Method of Cooking.

That necessity is the mother of invention s clearly proven by a writer in the Western rmy. He tells of an Illinois cavalry regiment where every man is provided with wo little pockets in his jacket, one of which is for salt and the other for pepper. Each man also carries with him a small

n the schemes devised for rasing money in fr England by the hypothecation of cotton in the Confederate States. The modus of operendi by which coin may be transmit-ted in British naval vessels from the blockaded ports to be employed in Eng-land for war purchases and payment, re-ceives elucidation at the hands of the f Confederate Secretary of the Treasury, while the use to which a portion of the funds is to be put finds explanation in the accompanying correspondence of Mr. Mal-lory. Confederate Secretary of the Navy. The utility of the iron clad vessels, and t the means by which they are to be procented sack of two or three pounds of flour. When they camp for the night the cornfield supplies them with thousands of small bake ovens in the shape of corn husks. ing particles as to cause the war to degen-erate into a mere struggle for blood and vengeanced when the cities and towns of the South are in our possession, then will begin a system of warfare no better than assassi-nation. The rebels will fly to their moun-tain fastnesses, and may continue a spas-modic conject for ages to come. In this

BALTINOBE, January 17.—The National Intelligencer of this morning publishes eight columns of rebel dispatches, being letters and instructions to Mason, Slidell, and other rebel agents in Europe which
The heating of the Government in Conversation with high functionaries of the Government in the says, of large tracts of land then in possession of the rebels, and have control of all necessary means to push the war to a successful termination.
BALTINOBE, January 17.—The National Intelligencer of this morning publishes eight columns of rebel dispatches, being letters and instructions to Mason, Slidell, and other rebel agents in Europe which The President to-day, in conversatio

will be ordered to resume command of the Department of the South, as soon as and other rebel agents in Europe which were captured on the person of the rebel arrangements can be made providing another command for Gen. Banks in the Major who was recently taken prisoner while endeavoring to leave Charleston in same section.

The first is a letter from Secretary Ben-CAIRO, Jan. 17 .- The Ram Storm, left Arkansas Post on Monday, and arrived. jamin, dated in September last, exaggera- here to day, confirms the capture of that ting the rebel victories, and summing up post.

The attack was made on Friday evening the Federal loss in all the battles up to bygunboats, the land force debarking two miles below, marching in the rear of that time at 350,000 men. The most important portion of the correspondence rethe fortifications. The rebels had earthworks two miles below the main fort, from which they were shelled, not however before they had done ates to a movement on the part of the French Consuls at Galveston and Rich-

mond, supposed to have originated in Paris, to induce Texas to secede from the some damage to the gunboals. Three balls entered the port hole of the Lexington, killing four men. The main fort which was represented as Southern Coufederacy and establish ndependent government. The result of

this discovery was an order to General Magrader to send the Consul at Galves Magrader to send the Consul at Galves, ton to Mexico as quick as possible, and the Richmond Consul to leave forthwith. The order with regard to the latter was, however. rescinded. It further appears that the reception swarded by Earl Russell to to Mr. Com-missioner Mason at London, is not such as comports with the latter's sense of pro-

priety, and with the expectations of the authorities at Richmond. Mr. Mason was, ne days since, was recaptured. The reconnoissance sent up the river had not returned at the time the Storm however, complimented for his self abega-tion in consenting to remain at his post.

Our loss is not so heavy as at first re ported.

LOUISVILLE, Jan. 16.—The railroad bridge across the Kentucky river at Frank: The second portion of this correspond encerelates to the European operations Of the Confederate Treasury and Navy Departments. Mr. Memmieger explains the schemes devised for reason fort was swept away by the flood last

A large quantity of snow has fallen, and the schemes devised for rasing money in should it disappear suddenly, it threaten every moveable structure. The railroad trains everywhere are far behind time generally, the roads being en tirely blocked.

NEW YORK, Jan. 17.—The rebel pilot; captured by Capt. Summer of the Cam-bia, and brought to New Orleans, states that all of the crew of the Harriet Lane, except eight, were killed in the struggle on board that vessel before her capture.

Put aprima, Januar, 17.—A special dispatch to the New York Times, dated Washington, Januar, 16th, says: Since the battle of Fredericksburg the air has been filled with frequent fumors of offen-sive movements on the part of the army of the Potomac.—In one case at least the rumor had the basis that a movement was actually ordered by Gen. Burnside and countermanded by the President, on the representation of two of his subordinate LAFAVETTE HALL.
