WEST POINT. BECOMING A NUISANCE. "Shut up the West Point Academy, and

send every officer and every able-bod-ied man attached to either into the arprofessing the most rigid piety, have, by

their speeches and writings, done more to The New York Tribune, has issued corrupt the daily literature of the country new obligation to end the war in ninety than all other causes combined. These days, provided ertain things can be done, people are so impregnated with that one ary spirit which now reigns at Washing and one of these is as above expressed .--idea, alavery, that they can see nothing If the office of the Tribune could be which is not positively shocking in the "shut up" at the same time, and the great Southern section of our country. They gun-contractor ind instructor of generals pry into the most disgusting details of could take the field himself, at the head of the West Pointers, the movement would the perusal of their readers, remarking, at no doubt end the war immediately, if not the same time, that these horrible inci-often to victory, and dear to the heart of sooner. We might even consent that dents are true exhibitions of Southern sothe Tribune office should not be "shut ciety.

The Pittsburgh Gazette has lately carup," but that Greeley's post should be filled by Jim. Lane, or the Pathfinder for ried this practice to such an extent that the aforesaid minety days, if we could we have been requested by some of its thereby secure Greeley's services in the readers to protest against its continuance. The article in its issue of Friday last, field for this winter campaign.

The unceasing cry of the radicals 18 under the caption of "The Horror of for something to tear-something to de Southern Institutions," in which it alludes stroy-they are now trying their talents to certain proceedings in New Orleans (talons?) on West Toint-Ben. Wade rants and South Carolina, is absolutely shameful, in the Senate, and Greeley roars in the and we are amazed that a paper pretend Tribune. If the radicals were ever ing to even moderate respectability should visited by a gleam of common sense give it publicity. We will venture to say -if they were not wholly deliver that the flash papers of New York never ed over to phrenzy; we might ask them why published anything more shamefully revolting. Allowing the revelations in ques it is that of all the pursuits of man, the military art is the only one that they look | tion to be true, which, for the credit of our upon as not necessary to be learned, as common human nature we deny, why any other profession is learned. It took should such incestuous publications be Greeley some years to learn to write even made in a moral community like this, poltroon Wale practiced his orator his object in printing them merely to of whom the Energing Post and Werk it and the second when the could be with the man of the second when the could be with the man of the second be when the second be werk and the s achieve the frothy and trashy speeches nities? if so he need not go so far away spired to assert that "his name is cherish accurate the records of crime in the single city of New command of an army! that soldiers, like poets—are "born not made"—tho' even the fortunate possesors of the highest poetical faculties have to undergo years poetical faculties have to undergo years of severe study to bring their powers into proper discipline. It is true that Greeley is a gun-maker, onr own comparatively moral community

that is, he had a gun contract, and made we have scenes of almost daily occur may well be passed over in contemptuou the guns by deputy-and, encouraged by rence, which our Quarter Sessions pro- silence. his success in that affair, he proposes to ceedings—as reported by the Gazette – take the entire charge of the war and show are not calculated to raise us much revelation which this verdict makes of a have the fighting done, by deputy, of course. even in our own estimation. It was but deliberate conspiracy at Washington But as we said before, we prefer that he Friday afternoon last, in the neighborhood should leave off directing the army from of the Gazette office, a scene took place the army and in the state. The effect of his office in New York, and, like Gen. with which our readers are familiar ; but is this conspiracy upon the temper of our

blow at the army; and its organs rejoic ation passed, Mr. Fessenden pleasantly stating that it was a pitty all the Generals in the manner of their kind over a new LATEST NEWS BY TELEGRAPH triumph of official malignity and partisan had not been taken from Congress. But madness. With Major General Rope, 4 the amount of it was what we wanted to commander who has made his name GEN. BURNSIDE AT WASHINGTON set forth. It costs as much to keep up a synonym with noisy incompetency and shameless braggadocio the world over, as The Army has not Crossed the River. ship of the line or a steam frigate for one year as it does to maintain West Point. Of course Wade and Lane should dehis accuser, and with a knot of officers.

three of whom have been dismissed from TWO REBEL SPIES TAKEN nounce the expense of the institution .-Yet they will vote millions, if asked by the Army of the Potomac for incapability members from the seaboard, to keep up and a majority of whom were more noted Prisoners, Ammunition, &c., Captured

as politicians than as wairiors, for his steam frigates to protect our commercial judges, Major General Fitz John Porter marine. If the interior of the country has been dismissed from the service of the can zet any advantage from skillful lead-Union, after a trial in the course of which ers. Wade and Lane object to the ex-

every candid man in the country had become convinced, by the evidence put in and published, at once of the innocence of There is a small class of radical men the accused and of the political objects of and women in the country, who, while the prosecution.

The verdict in this case is in reality a judicial suicide of the court which pro nounced it. It was, in a measure, unex-pected, for the American people are slow a coming to a full sense of the revolutionton ; and we have been so accustomed to associate the idea of justice with our civil and military tribunals that we were hardly Southern section of our country. They prepared to see the political marder of pry into the most disgusting details of Admiral Byng parodied by the judgment Southern depravity, and print them for of a body of American officers upon a the country he had served. But the deed has been done, and those who have done it have prepared their own place in our history to which, in due time, they will As for General Porter, no court can

cashier him from the gratitude and the re-spect of honest and loyal men. For him, too, his own place is reserved, and neither passion nor power can drive him from it so long as he remains true to his well established character and his honorable

past. The foolish exultation of his ene mies already betray the purpose at which they aimed in this most lamentable chapter of a lamentable story. The following extract from a thorough ly characteristic article which appeared yesterday in the Evening Post of this city,

tells the whole tale: "He was a zealous partisan of General Mc lellan. At the desire of McClellan he had been promoted to the rank of Mejor-General, for a very doubtful piece of ser-vice, and zeal for the honor and interest of McClellan apparently made him blind to the honor and interest of his country.

The thing which really concerns the
