TARK ROW, NEW YORK and STATE STREET, BOSTON are our agents for the Daily and Weekly Poss in those cities, and are apply to take Advertisements and Subscriptions or us at our Louist Raise. SATURDAY MORNING, JAN. 31. CITY AND NEIGHBORHOOD INTELLIGENCE The Troubles, not Trials, of a "Jour" Printer. Of all the unfortunates who (not blessed with a sufficiency of this world's goods to enable them to live in ease and retir "tramp," who may happen to be "out of sorts" either with the needful or employ-ment, which is sure to bring it. Hence, long residence on the frontier, growing unwhich, perhaps, the most curious chapters would be the record of the past two years. Hiram may be said to have suffered persecution for opinions' sake and he has good cause to lament the inauguration of the present rebellion, as he has suffered at the hands of both the governments, de here, made his way across the line, and turned up in the wilds of Minnesota in the year of our Lord 1862 Even there he tound the way spirit aroused and ere long he found himself (having fallen in with the popular tide) an enlisted soldier in the First Minnesota regiment. But here his hirsute eccentricity proved his bane, for the mustaring of th natural ornamentation.

The scene of our world buffeted hero's next adventure was Western Virginia. It seems that experience had not taught him prudence, for, having said something which was construed into an expression of disloyalty, it was reported he was again arrested as a rebel spy and soon af ter he found himself an inmate of Fort Delaware, with other political prisoners. We need not detail the experience of We need not detail the experience of wentworth during the five months' spent in this military prison. The story is the same as that told by others. The release singular appearance having attracted the attention of his fellow boarders, and caused house. He took other lodgings, but ma-lignity pur well him and a night or two

made to arrest h. a, he suddenly took his departure for the W. at hair and all. Wentworth sease is a hard one, but it color and exquisite perfume commending serves to show what can occur where civil disturbances such as ours exist. We sin lords of creation. Its sale is concerely hope that he may either learn "which side of his bread is buttered" and use any other kind. It is sold by Henry act accordingly, with one section at the Winer, Lyon's hullding. Fifth street, norther than the same of the same o act accordingly, with one section or the other, or bridle his tongue so as to keep out of difficulty hereafter. Young Men's Bible Society. The Young Men's Bible Society of boots, balmorals, or shoes of any kind, go ittaburgh organized on Thursday evening to McClelland's auction house. No. 55 Pittaburgh organized on Thursday evening by the election of the following officers, the fifth street, Masonic Hall building.

Wm. H. Kincaid; Vice Presidents, R. S. Davis, T. H. Liane; Corresponding Secretary, Jos. H. Griggs; Recording Secretary, J. S. H. Griggs; Recording Secretary, R. C. Miller; Treasurer, James Rohb, Esq.; Libratran, J. Culbertson; Executive Committee, A. F. Brooks, S. S. McQuiston, Jos. Horne, Geo. S. Jas McQuiston, Jos. Horne, Geo. S. Jones and get cured. Executive Committee, A. F. Brooks, Jas McQuiston, Jos. Horne. Geo. S. Bryan, Samuel Morrow. The Rev. J. K. Miller, was reselected Agent.

The late Orphans Fair realized \$4,41428 over all expenses. Twelve hundred dollars was netted at St. Paul's table alone. Williams' resignation. Handsome.

gheny was completed and housed, we grow that the receipts from all sources during the year 1862, were \$130\) tion in detail of her machinery, and we now take pleasure in redeeming our pledge. We believe the following decription will be found correct and accurate:

The boiler is thirty four inches in diameter, five feet three inches in height; fire box twenty-seven inches deep; flues twenty one in number; steam dome, sixteen in diameter, twelve inches loading warrants. The amount paid on warrants was \$117\, one in number; steam dome, sixteen inches and placed on a wrought iron trunk, fourteen inches by seven feet long, one end used for a water tank the other for a tool box. The steam cylinders are six inches in diameter, twelve inches to find the county, and \$77\,510\, 49\, for the ordinary expenses of the county. The Commissioners ceased issuing warrants on the 22d of December, 1862, and

much facilitated by the uniform character of the printers calling, in all localities, the fact that he requires no capital and only such tools as his employer furnishes and the close bond of fraternity which binds the craft together and makes it an invariable rule with the miles of which the miles of the requirements, to the fire plug. The standing all delay in making attachments, no matter in what position the engine may stand to the fire plug. The steam is conveyed to and from the cyling with the median as follows: Pitts together with the needful or employment, which is sure to bring it. Hence, as we have said as follows as the receiving pine from exposure to cold.

Rare Chance for Clathing.

this cannol be so easily done as before—but the printer craft make it a rule to surmount all difficulties, and the disciples of Faust penetrate the Southern Confederacy and return almost at pleasure.

Last week one of this peripatetic class came to this city and made himself and antecedents known to the fraternity. He was from Maine, but that, we believe, was not the reason he wore his hair flowing luxuriously to his waist, long and silken; for he had contracted the habit during a Nelson.

long residence on the frontier, growing unconsciously to a weakness which would have induced him rather to suffer decapitation than lose a single tress from his superabundance of flowing locks. His name was Hiram Wentworth; he was, as we have described the class, shrewd, quick witted and hid great store of valuable in years of pergrinations through North and South. His life had been a chequered one, as he had suffered much and seen much—participating in many stranges adventures. His experience would, we are sure, have formed an interesting book, of which, perhaps, the most curious chapters

Nelson.

To the latter gentleman, also the designation and subject the Eagle, the company are deep lygratified for the complete and satisfactory manner in which he discharged the trust reposed in him. The new Alleghe, so the trust reposed in him. The new Alleghe entertained that the same amount of business we have described the class, shrewd, quick in throwing capacity any steamer in the city, embodying, as she does, several valuable improvements, never the same amount of business was transacted last year, it would require but a short time for the Common which, perhaps, the most curious chapters

Nelson.

The new Alleghe is entertained that take some measures, by additional legislation, to force its unpatriotic managers to make at least the usual reduction

The new steamer will not be tested for some days, as she has yet to be furnished with metalic packing and other requisites, We shall look forward to the trial with much interest, with every confidence in the perfect success of this valuable addition to our fire department, of which the

domicil. The e must have been some indiscretion, as he was arrested and thrown into prison as an Abolition spy. His native energy and tact, however, prevailed and he was soon at liberty; but was again and again, in his journeyings through the confederacy, imprisoned on similar charges, until he was acquainted with the interior arrangements of three or more of those institutions which are not peculiar to the South; though escaping in each instance, without the formaltty of a trial.

Preferring a larger share of personal liberty and founds. make it a point to be present. The fine stance, without the formaltty of a trial.

Preferring a larger share of personal liberty and condly hoping that in the free institutions of the enlightened North he would find security for his person, Wentworth by means not necessary to relate.

The oil interests of this vicinity are very three and the condition of demand and supply elsewhere, will have a derit less precarious than heretofore. The oil interests of this vicinity are very three and the condition of the procession.

First Minnesota regiment. But here his hirsute eccentricity proved his bane, for the mustering officer informed him that he could not be sworn in unless he first divested himself of his flowing mane—but had been suffering from lung disease for this he pensistently refused, preferring some time, with occasional hemorrhage, "death before dishonor!"—and was thrown into the guard house as a punishment for his contumady. The result was a dishon-rattling noise was heard in her room, on into the guard house as a punishment for o clock, retired to bed. Soon after, a his contumacy. The result was a dishon-orable discarge and again Hiram took his departure for other parts, the victim of circumstances and an odd predilection tor natural ornamentation.

The result was a dishon-orable discarge and sealing the result was a dishon-orable discarge and sealing which she was found dead, hem morrhage of of the lurgs having set in, caused her death. She was about fifty-two years of age, and leaves four children. The jury returned a verdict in accordan

with the facts.

Personal.

Ralph Waldo Emerson is in the city and stopping at the Monongahela House. He proposes visiting the government works in the vicinity during his stay.

Col. Robert Anderfon, of the 9th Reserves and Col. Thos. A. Rowley, of the 102d Pennsylvania, left Harrisburg for this city yesterday afternoon and were expected here by the early train this morning.

Rev. R. W. Oliver, late pastor of the Episcopal church, Altoona, has resigned his position as Chaplain in the larmy, and resumed the charge of his congregation in that place.

Prime Oysters.

For a palatable and digestible dish of oysters commend us to Fred Weiss, proprietor of the Cornucopiæ, corner of Fifth and Union streets. He is daily in receipt d here by the early train this morning.

Traveling onward he reached Pitts. There is nothing which adds more to the appearance of a gentleman than an elegant new hat, and those who think so before. His fallow craftsmen gave him employment (money he would not accept) as a 'ub," and he was laboring faithfully in his vocation, when, at a quiet boarding house in the upper nark of the second sec in his vocation, when, at a quiet boarding Children's furs, is unsurpassed in style or house in the upper part of the city, where he had located his history leaked out, his goods at lowest prices.

Last Chance. them to institute inquiries. He was an one day, having expressed himself rather warmly concerning the persecutions he had suffered. North and South, a discussion ensued between him and a fellow-boarder, which crowded in his being denounced as a crowded house at each exhibition in this vesulted in his being denounced as a crowded houses at each exhibition in this vesulted in his being denounced as a crowded houses at each exhibition in this vesulted in his being denounced as a crowded houses wherever it may exhibit.

Mauve Ink. This is a really beautiful article, and has grown much into favor with the ladies.—Indeed it is now "all the rage"—its rich

House: The House resumed the con-deration of the negro slavery bill. Mr. sideration of the negro slavery bill. Mr. Wadayorth made a speech against it.
Mr. Wright, of Pa., said this government and the Union were the result of compromises. In concession and compromise it had its birth the very day the declarations went forth to the colonies from Independence Hall, then was compromise and concession from that period down to the 1850 methon policy between the colonies. to 1850, such a policy has prevailed. The Union was again saved by compromise of the great and ruling spirits of the land.— Clay, Webster, Calhoun, and others, meeting together for that purpose. Were gen-tlemen here less wise than those men? It ever there was a time in the his dry of our country when concession and compromise should be exhibited it was now. The excitement of a measure repulsive to a sen-timent of a large mass of people, might produce such state of affairs, that we some

sent to them, they will regard it as a condemnation of their conduct and leave the service if they can. How far this feeling extends he was not able to say.

He said the white Angle Saxon race was informed that L. M. GOITSCHALK the He said the white Anglo Saxon race was capable of taking care of itselt; but if we have not power to maintain our position negroes cannot help us out of the difficulty. They were not reliable in the military service. He believed that by a reconstruction of the cabinet, and of the restoration of the cabinet, and of the cabinet, and of the restoration of the cabinet and the restor

order was repeated he would order the galleries to be cleared. Mr. Wright said that McClellan was not a favorite of his, and he had never advocated him here, but he believed that no other General in th army embodies the feelings and sentiments of his troops. If you want to carry victory on your arms you must have a commander in whom the army have confidence. It was idle to talk about victory with a demoralized army, and McClellau, he repeated, was the heart of the American army and should be placed in command.

of several officers who came up here and complained of Gen. Burnside's movements to the President.

The Navy appropriation Bill items in aggregate is \$58,195,000 including nearly fifteen millions; Pay officers, seamen. \$9,290,000, for construction of vessels: would be impossible to restore the Union \$3,250,000, purchases and charters, etc.; if negroes are brought into the field, like fiends of hell in accordance with the policy which began in hate and followed up \$12,000,000, iron sea steamers; 2,000,000.

Westchester Co., N. Y., Oct. 23, 1872.
Mr. G. TEN EYCK SHELDON, Editor Sing Sin Begubican:

Dear Sir—I would state that I was induced to use BRAWDR ECH! SPILLS, through the recommendation of John B, Swift, of Oroton Westohester county, who was entirely restored to health by their use. He wassick for some two years, very costive and dyspeptic, and he tried everything

Westghester C. Javy, 88:

Edward Purdy being duly sworn, says that he resides in the town of New Castie; that some years ago he was very nick with a sore on his leg, which had been running for over five years; that he was also much distressed by a pain in his cheet, and besides very costive and dyspeptic that after trying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week; and at the end of one month, the sore on his leg healed, and at the end of two months he was entirely cured of costiveness; dyspeptia and pain, and has remained well ever since.

EDWARD PURDY.

Sworn to before me, this 18th day of Oct. 1862.

S. MALCOLM SMITTH.
