It is not surprising that the military government, which has been in existence for so long...

For the Monitor Post.

Dear Sir:—Having with you please find a tabular statement of the formation or erection of the several counties of this great commonwealth...

I flatter myself that it is an original in its way, and that it will prove a very valuable contribution towards elucidating our progressive history...

It was principally compiled from authentic sources, by David Pastor, Esq., one of the clerks in the Surveyor General's office...

Names and Date, Day, Month and Year of the erection of the several Counties of the Commonwealth of Pennsylvania...

It is not surprising that the military government, which has been in existence for so long...
