the editor of Wilkes' Spirit, upon the subject

a subject: DEAR SPIRIT. —In a recent issue of your valuable paper, I noticed that the great scullers of England, Chambers, Iverson and Green had come to a dead-lock, in consequence of which Iverson was anx-ious to get on a match with any man in the world. Upon reflection, I have con-cluded to accept his challenge: or at least signify inv.desire to you, in hopes, that by your assistance a meeting may be brought about. I think I might say, that it would be next to an impossibility for me above named gentlemen think it would pt Supplement to a Charter. cluded to accept his challenge: or at least signify my desire to you, in hopes, that by your assistance a meeting may be brought about. I think I might say, that it would be next to an impossibility for me to leave this country, but if either of the above named gentlemen think it would institution establish and direct. The Di-ters, say the Harlem course, New York, where a fair, honorable race could be had, stohylas Mr: Wurd and myself had on it Schuylkill. I will row him two scull races turning, baoya as usual for a purse of one weak after the first. I might offer the English party to come to this side, and my New York friends can testify to the same, to offset the small purse, Pittsburghers will coaser all the money they bring, to invest, be individued to accept his challenge: or at least is a fair in the second from the bady of the stockholders at such they may determine upon, with coupons attached, bearing interest not exceeding to the chast or the cast outlay upon the any branch party to come to this side, and my New York friends can testify to the same, to offset the small purse, Pittsburghers will be individued to prospentation in the second from the branch road for which they may determine upon with coupons they may determine upon, with coupons attached, bearing interest not exceeding to the chast or the chast of the prensylvania or an inducement I might offer the English party to come to this side, and my New York friends can testify to the same, to offset the small purse, Pittsburghers will

The Pennsylvania Railroad. was placed under the innuence of chioro-form and the operation occupied about an hoar, during which he experienced no pain. Mr. Wolff is doing very well and will be able to return home in a day or We make some further extracts from the report of the Board of Directors of the Pennsylvania Railroad Co., relative o subjects of interest here : two.

The repairs and additions to the Penn-sylvania Railroad have been committed to the charge of William Hazel Wilson, Esq., as the Chief Engineer, who has managed The Pennsylvania Canals. The charge of William Hazel Wilson, Esq., ⁴ The following is an exhibit of the earn-iss the Chief Engineer, who has managed ings of the canals for the past year. The the affairs of this Department for several gears past with much system, economy and ability. Under his direction, the second (176 kk, 148 steadily, programmed with the canal of the Company's canals were: (176 kk, 148 steadily, programmed with the canal of the Company's canals (199 can be years past. with much system, economy and ability. Under his direction, the second track has steadily progressed until the space requiring to be filled up is but 32; miles: He has been instructed to provide materials and lay the second track between the Junista Acqueduct and Newport, and hetween Anderson's Siding and Garvin's Bridge, during the present year. This Bridge, during the present year. This will leave but fourteen miles of single track on the line between Harrisburg and Pittaburgh, after 1863; all of which is be-tween Lewiston and Mill Creek, except one mile at the Susquehanns bridge. Directors Elected. At an election held at the office of the Pittaburgh Insurance Company, on the ad inst., the following persons were elect-
