SELECT TALE. A ROGUE'S LIFE. WRITTEN BY HIMBELF.

[Continued from Yesterday.]

Of course. I laid my hand on my heart and indignantly dehied everything. Use less My original model for the 'owl had got proofs of my guilt that were not to be resisted. The doctor, ordinarily the most mellithous and self possessed of meh of this occasion—declared that I was important to a roaring, cursing passion, on this occasion—declared that I was important to the racket ground, in the follow. Talisman, other caricature, either for public or prince the purposes, as long as I lived; and ordered me to go forthwith and ask pardon of Lady Malkunshaw in the humblest terms it was possible to select. I answered dutifully that I was quite ready to obey, on the condition of the purposes, as not to possess a sense of humor; and the condition of the follow. The first and is unwavering smile, 'you will great the purposes, as long as I lived; and ordered me to go forthwith and ask pardon of Lady Malkunshaw in the humblest terms it was possible to select. I answered dutifully that I was quite ready to obey, on the racket ground, in the follow. Talisman, and is unwavering smile, 'you will great the purposes, as long as I lived; and ordered me to go forthwith and ask pardon of the purposes, as long as I lived; and ordered me to go forthwith and ask pardon of the purposes, as long as I lived; and ordered me to go forthwith and eak pardon of the follows. The form of the follows. The form of the follows. The form of the follows. The follows the

[Continued from Yesterday.]

Which allows the privilege of a weekly change of matter, to be inserted among new was possible to select. I answered duit fully that I was quite ready to obey, on the condition that he would reimburse as not to possess a sense of humor, and if you did take my likeness, I am afraid I should not see the joke of it.

The post of the condition that he would reimburse as not to possess a sense of humor, and if you did take my likeness, I am afraid I should not see the joke of it.

The condition that he would reimburse as not to possess a sense of humor, and if you did take my likeness, I am afraid I should not see the joke of it.

Sir, I returned with my customary impudence, "it is not of the slightest intecture, or that Lady Makinahaw should not see the joke of not. The public will—and that is enough for me."

With that civil speech, I turned, on my was alone in my was alone in my might and said that I follows in the exertion of turning my ner as the bid me, without daring to hint at any conditions where the law of 1851, of the progress of which I have kept you advised. There were none given the law of 1851, of the progress of which I have kept you advised. There were four material points presented in the condition that he would reimburse as not to possess a sense of humor, and if you did take my likeness, I am afraid I should lose, by giving ap the Art of Caricularities. I an so unfortunate as not to possess a sense of humor, and if you did take my likeness, I am afraid I should not see the joke of it.

Sir, I returned with my customary impudence, "it is not of the slightest intecture or the slightest intecture or the slightest intecture, or that Lady Makinahaw should not see the joke of it.

The public will—and that is sendighted in the waited watering will also the slightest intecture or ruffled, smoothed down in several my fall not to the slightest int

there are spots on the sun. He was in company with Miss Zephania Shoddy, a few evenings since, where the conversation turned upon a party when the ladies were invited to appear in Demi-toillette. Binks inquired what the Latin expression meant, and was informed by Miss Zephania that the words were French and signified half dress. Which end do they cut it off of?"

The was in artistica outside these walls? No; for I read in the papers that Dr. Softly (doubtless through the interest of Lady Malkinshaw) had been appointed King's Barber Surgeons Deputy Consulting Physician. My relatives are comfortable in their sphere—let me proceed forthwith to make myself comfortable in mine: Pen, ink and paper, Mr. Gaoler: I wish to write to make myself comfortable. to my esteemed publisher:

Zephania pulled her dress up as high around her shoulders as circumstances would allow and turned away, remarking that Binks was very stupid, and so he was.

A Novel Stump Puller

A writer in the Rural Register states that he removed a large stump from near his hopse in the following manner: In "FRANK SOFTLY."

Having thus provided for my support in prison, I was enabled to introduce my-self to my fellow debtors, and to study character for the new series of prints, on the series of prints, with the very first day of my incarceration, with my mind quite at ease.

If the reader desires to make acquaint If the reader desires to make acquaint ance with the associates of my captivity. I must refer him to Scenes of Modern Prison Life, by Therites junior, now doubt less attimely searce; but producible to the demands of patience and perseverance. I should imagine, If anybody will be so obliging as to pass a week for an over the catalogue, of the British Museum. My fertile pencil has delineated the characters I met with, at that period of my life, with a force and distinctness which my pen cannot hope to rival—has portrayed them all more of the seasons why lexituded him from my portrait, gallery are so honorable to both of us that I must ask permission to briefly record them. honorable to both of us that I must ask permission to briefly record them.

My fellow captives soon discovered that I was studying their personal peculiarities for my own and for public amusement.

Some thought the thing a good joke; some objected to it, and quarrelled with me. I Liberality in the matter for liquor and small loans, reconciled a large proportion of the objectors to their fate; the sulky minority I treated with contempt, and scourged sample ground with the smart lash of caricature. I was at that time probably the most imprudent man of my age in all or caricature. I was at that time probably the most imprident man of my age in all England, and the common herd of ill-tempered prisoners qualled before the magnificence of my assurance. One prisoner only set me and my pencil successfully a defiance. That prisoner was Gentleman Jones

politeness of his language, and the units politeness of his language, and the unissailable composure of his manners. He was in the prime of life, but very bald had been in the army and coal tradewore very stiff collars and prodigiously, long wristbands—never laughed, but talked with remarkable glibness, and was never known to lose his temper under the
