and thus imade useful while, at the same time, allowed to rest and recruit. This relief from active duty they richly deserve. No division of the Army of the Potomac has seen more hard service, either march-ing or fighting, and few have seen as much. The orders of General Reynolds, de-taching the Reserves from the Corps, to report to Géneral Heintzelman, at Alex. "In separating from the Pennsylvania Reserve Corps, with which the Command-ing General has been so closely allied for the past eighteen months, he cannot but express his deep regrets. They are, how-ever, lessened by the hope that isoon their thinned ranks will be filed, and they, once more restored and reorganized, will be returned to the field, prepared to add new lustre to a name already endeared to our patriotic State.

Com. Hell and Lieut. Commander Read, on the coast of Texas, extracta and a copy of which I herewith enclose, by which will be seen our disasters on that coast are not yet ended, as I had already articipated. It appears the enemy came out of Sabine Pass with two cotton fortifi-

ed steamers on a certain morning and ran out to sen some twelve or fourteen miles, where the Morning Light was, then abettors. No pasport has been granted to any foreign Minister to pass the milita-ty lines, except by the President's direc-tion, and each of such Ministers who has received such a pasport, has on his re-turn waited upon the President as well as the Secretary of State and given them such incidents of his journey--of course these statements are to be qualified to so render a 'd was taken into port. I am abettors. No pasport has been granted the latter soon got under way, but by re-to any foreign Minister to pass the milita. bel accounts, and we have no other, they the Secretary of State and given them such secount unasked as he thought proper, of the incidents of his journey—of course these statements are to be qualified to so far as the facts relating to the communications concerning the exchange of pris-oners and other military matters in charge of the War Department may effect them enabled them to erect a battery of great atrength in such a shallow pass. The Respectfully submitted, guns of the Morning Light were loaded and went off when they became heated, by which circumstance I judge the men did not oven fire their last charge, but surren-dered without a struggle.

Signed, WILLIAM H. SEWARD, Department of State. WASHINGTON, Feb. 9th, '63.'

Acting Rear Admiral Porter, in terms of commendation, communicates to the Navy Department the report of Col. Ellet, commanding the United States steam ram commanding the United States steam ram Queen of the West, giving account of her passage of the batteries at Vicksburg.

L'. S. STEAN RAN QUEEN OF THE WEST.) RELOW VICKMBURG, Feb. 2d. ADMIRAL: In compliance with your in-structions, I started on the Queen of the West at half past four o'clock, A. M. to pass the batteries at Vicksburg and sink the rehal steamer lying before that office Bigned, D. G. FARRAGUT, Rear Admiral. P. S.—I have just learned that the calm by a steamer coming up astern of ber. Signed, D. G. FARRAGUT, Rear Admiral. P. S.—I have just learned that the calm by a steamer coming up astern of ber. pass the batteries at Vicksburg and sink the rebel steamer lying before that city. I discovered immediately on starting that a change of wheel from its former position to the narrow space behind the Queen's bulwarks did not permit the boat to be handled with sufficient accuracy. An hour or more spent in re-arranging it, when finally round the point the sun rose, and

finally round the point the sun rose, and advantages which would have resulted 

ignited the portion which was on the bow. The flames spread rapidly and the dense smoke rolling into the engine room, stift-cated the engineers. I saw that if I attempted to run into the city of Vicksburg again, that my boat sinceessful. She met with three steamera would certainly be burnt. I ordered her to be headed down stream and ordered fire out by catting the burning bales loose. The enemy of course were not idie. We were struck twelve times, but though the
