建铁锰铝矿口人复铁锰铁锅 不小紅目

from the Circuit Court of the United States, union the County Treasurer is not authorized by the act of Assembly, and does not bind any moneys in his hands. He further decides, in reference to the general effect of executions against the county, that the Treasurer is not bound to pay any moneys under these executions until the amounts of the claims for which they were issued have been included in the annual estimate and appropriation required by law to be made by the Commissioners and the trees. points, the District Court, on Saturday,

Judge Williams read an opinion in the case of the application of Daniel Mitchell, court crier, for a mandamus to compel the County Commissioners to draw a war-rangion the Treasurer for his salary. The n was virtually that a man could not be issued to compel the Com-

cours and be assued to compel the Com-missioners to draw a warrant on an empty Trengury.

The Court say: We it sappeared that there were funds in the Treasury not oth-erwise appropriated than by the judge-ments and mandatory execution referred to then the supplier would be directly ments and mandatory execution referred to, then the question would be directly and fairly presented.—Whether the said mandatory executions, on writs of special fieri ficias of the Circuit Court of the United States, are an appropriation of all the moneys coming into the treasury of the county, after the service of said writs, and the same are fully paid and satisfied. until the same are fully paid and satisfied, or w einer they only appropriate and bind the excess of said moneys not absolutely needed and required to defray the ordinary and current expenses of the count nay and current expenses of the count nay and current expenses of the count with this question arrises, it will demand the grave t consideration of the Court. Its decisio, will not concern the petitioner alone, but e. sch and every citizen of the county; for if a cided against the petitioner, in a case like the present, it

the treasury of the county to the payment of the mandatory executions referred to, was not intended, as we understood it, to qualify the allegation that there are no unappropriated funds in the treasury of the county, but was intended to be an independent avertment of the facts stated therein as an additional reason why the mandamus prayed for should not be granted. But it is possible that such was not the understanding and intention of the decks. It is the property of Mr. N.

Drayage in Cincinnati. ed. But it is possible that such was not the understanding and intention of the Commissioners and if the petitioner is advised, and helieves that he can make it appear that there will be funds in the treasury of the county not otherwise appropriated than by said mandatory executions, at the time application was made for the warrant, the rule will be made absolute without prejudice, and an alternative man-

warrant, the rule will be made absolute without prejudice, and an alternative mandamus awarded. Otherwise the rule will be discharged. It would be useless to issue an alternative mandamus if all the sue an alternative mandamus if all the coal have been shipped to ports below, viz: to Cincinnati, 240,000 bushels; to ted by previous warrants or order, as the Court would be compelled, under the authorities cited, to refuse a peremptor

The Revenue Laws.

The Commissioners appointed by the Governor to revise the State revenue laws haxe submitted a complete new code, by which the existing laws are materially changed. At proposes to reduce the revenue laws lay. changed. It proposes to reduce the revenue arising from real and personal property from \$1,422,624 to \$569,049, which would be a reduction of \$853,574. To make up the deficiency thus produced they propose to increase the tax upon corporations. The Commissioners do not porations. The Commissioners do not propose to increase the tax upon banks, believing that they now pay their proporbelieving that they now pay their proportion of the decessary revenue, but to tax railroad companies equally with banks.—
They have adopted the plan of taxing the the gross regeipts of all railroad companies two per gent, upon each and every dollar of the rearrange. From this tax they

The Indiana soldier, Muster, who was injured by a feight train near Courtney's station last week, died on Friday night.
His fellow sufferer, Wright, will probably recover soon. David Brooks, of the Tennessee Union Volunteers, died on Thursday of disease contracted at Camp Parole, Md., near Annapolis. All these soldiers were inmates of the Western Pennsylvania Hospital, in the Ninth Ward, now used by the Government.

The Fennsylvania Reserves.

Seven Sisters at Laura Reene's. We predict a great success for the piece in fail to have observed that the most promaining, and pains taking actor in the company of the Mordaunt. He is always up in his warfs, very careful, an accurate reader, and has won the prinse of all the most promother, past. He certainly has a fine opportunity, with attention to his profession,

shall be filled in the same manner as the offered and Mr. Win. C. Gallagner has like vacancies in other volunteer regiments kindly volunteered his services for the octon the State. The Governor shall commission all such officers and designate Pythias," Mr. Mordaunt as Pythias and their rank, for present and future vacantheir rank, for present does its narts. Mr. M. also personates Fournitive their rank. their rank, for present and future vacancies, in like manner as he at present does in Pennsylvania volunteer regiments now in the field. So much of the act of the 15th of May, 1861, as conflicts with this is to be repealed.

Mr. Gallagher as Damon, one of his favorite parts. Mr. M. also personates Fournithe the parts. Mr. M. also personates Fournithe in "Life's Revenge." A large number of tickets have been sold and the benefit premises to be a great success. To morrow evening the "Seven Sisters" will be produced for the first time.

On Saturday the Court of Common in the battle of Murfreesboro. Descrived in the battle of Murfreesboro. Reserved in the battle of Murfreesboro in the battle of Murfreesboro. Reserved in the battle of Murfreesboro in

Scarcity of Small Change.

abundantly the lack of small silver change, and the little green "tens" and brown "fives" are almost a drug in the market. feculty in making change. The great demand for silver has even caused the absorption of nearly all the three cent pieces in circulation, they having been bought up at a small premium and sent East with tother silver. "Coppers" and "nickels" then the only record for newborg other silver. "Coppers" and "nickels' even, then, the only resort for newsboys periodical dealers, apple women, mate girls, peddlers, and all who are called upo to make change for five or ten cent pieces Yet, notwithstanding the millions of per nies recently coined at the mint, the supply of these was not equal to the demand and they soon rose to a premium of ten per cent. Great is now the rush for pen

have been included in the sanual estimate and appropriation required by law to be make by the Commissioners; and the taxes collected for that purpose. The other Judges of the Court concur in this opinion and Judge Sterrett will file an independent opinion, embodying some additional noints.

In the war deneral many years since and should standard to the court of the c was general many years since and should the present scarcity of pennies continue we should not be surprised to see it fol lowed by many others. It is a cheap me-thod of advertising and is worth any trouble or expense attending the issue.

Distressing Casualty. We regret to learn that Mr. Alfred Slack, one of our Representatives in the Assembly, has been so suddenly called upon to mourn the death of an interesting son, ten or twelve years old, who met with a fatal accident at Harrisburg on Friday a fatal accident at Harrisburg on Friday morning. The lad was leaning over the balustrade in an upper story of the Jones House, where his father boards, when he lost his balance and fell to the second story, a distance of some thirty feet, causing severe concussion of the brain. Medical aid was at once on hand, and avery possible attention river the second story. and every possible attention given to the sufferer, but after laying several hours in an unconscious state, he died. The afflicted parents have the sympathy of the community in their bereavement.

Discharged on his own Recognizauce. Joseph Taylor, accused of bigamy, was again brought before the Judges of the Criminal Court on Saturday morning, and petitioner, in a case like the present, it might possibly stop the wheels of the county government; and shut up all the Courts exercising civil and criminal jurisdiction in the county, for the want of necessary funds to keep their machinery in motion. But the question does not necessary rily arise here. The answer alleges, without more particularly since his health is bad, qualification or explanation, that there are and he has lately been subject to fits. Tano unappropriated funds in the treasury.

The allegation that the law has appropriated all the moneys which shall come into the treasury of the county to the payment on his own recognizance.

By the present rise 578,000 bushels of

Louisville 165,000 bushels; to Memphis 168,000 bushels.

The Drama. Pittsburgh Theatre. The fairy spectacle of the Seven Sisters, and the birth of Cupid in the Bower Ferns, will be pro duced on Tuesday evening, under the direction of J. E. M'Donough, who has brought the entire Pransformation Scenes from Philadelphia, together with wardrobe Properties and general appointments necessary for its production. The play is, interspersed with a variety of rich songs, choruses, and some clever hits at the times, for be it understood that the Seven Sisters is a husbassue compiled for the the gross receipts of all railroad companies two densets of the garnings. From this tax they calculate that, the State would receive are revenue amounting to at least \$600,000.—They also proposed a very light tax upon the tonnage carried ever the different improvements but the State, calculated to yield an adual revenue amounting at least to \$300,000. By imposing taxes of this describing, it is argued that the same the deliar, the deficiency being supplied mainly by the increased tax upon railroads.

Revival at Beaver.

For some days arevival has been in progress at the Methodist Protestant chinch, in Beaver, altered with considerable additions of influiring penitents. On Sunday of last week the congregation was a tonished by the simultaneous going for world of wenny rimp of the Sabadt school children, front mine years old injwards—all of whom joined the church.

The Indiam soldier, Muster, who was improved the finding states of the

by the Government

The Pennsylvania Reserves.

A bill has passed the Senate changing the mode of electing officers in the Reserve Corps. It provides that all vacancies of commissioned officers in the Reserve shall be filled in the same manner as the like vacancies in other volunteer regiments from the State. The Governor shall commission all such officers and designate heir rank, for present and the same manner and the same manner as the single provides that all commission all such officers and designate heir rank, for present and the same manner and the same manner as the single provides that all commission all such officers and designate heir rank, for present and the same manner and the same manner as the single provides that all commission all such officers and designate heir rank, for present and the same manner and the same manner and the same manner as the single provides that all commission all such officers and designate heir rank, for present and the same manner and the same manner as the same m

The joint resolutions which propose to amend the Constitution so as to extend the right of frinchise to volunteers in active service, which passed the Senate the other day, has leen amended so as to constitute in force the laws directing the mode mode of holding elections in camps, until the enactment of a more perfect system by the Legislature. They are still pending in the House! If they pass that body they will require the approval of the next Legislature-before they are submitted to the people for their approval.

Oil Shipments. The copious issue of "postage currency" by the government has supplied most abundantly the lack of small silver change, and the little green "tens" and brown vania Railroad, 110 by Cleveland & Pitts Yet small dealers experience no little difficulty in making change. The great design of the property of the great design of the control of the great design of the control of the cont
