

military despotian on the ruins of consti-tational liberty. In the course of his re-marks he proved conclusively that the Re publican leaders, have no desire for the rebellion before it was matured.-But our President is even more rapid than lackson was; his most remarkable strokes of fiery expedition being his frequentil appointments and dismissals of McClellan to and from the command of our Eastern army, his last discharge oc After commenting at length on the suscurring at half past eleven on a stormy pension of the writ of habeas corpus, ar-bitrary arrests, &c., the speaker concluded Saturday night, while the army was in motion. Think of that, Master Brooks, by urging a return to the only object for and then reflect upon those slow old which the war can justly be prosecuted, to coaches. "the fathers of our institutions," motion Think of that, Master Brooks, of whom we desire to speak respectfully, and argued, with earness enquence, the and argued, with earnest eloquence, that portant as the Union itself. Mr. James Stevenson, of Smith townbecause they were our fathers. As long as our rural-we were going to

As long as our rural—we were going to say verdant, but we won't-friend ap-plauds the performances of our President as being worthy of the "founders of our institutions," he can't be wrong, especi-institutions, he can't be wrong, especi-the Democratic party, and maintaining ally at long as he is sustained by the that the followers of Jefferson are in no the present troubles; when he took the business from Gen, when he took the business from Gen, a revolution in the North. institutions, "he can't be wrong, especi-institutions, "he can't be wrong, especi-ally as long as he is sustained by the "Democratic patriots" to whom he has alluded. Butler, Dickinson and Hick man, three glorions and self sacrificing men, whose only deare is to serve their country, leaving others to instrict in the spoils of office and contracts. But here these these have been taken out of the those, who should not be forgotten; their names will be registered in future in vestigations, and they should not now be forgotten by admiring cotemporaries. Look at that simple minded and Christian patrior. Simon Cameron, an "old Demo-crat," who left the War Department at his own option, in order to undertake a haz. Delegates were then appointed to the thom office were then appointed to the thom office and contrake a haz. Delegates were then appointed to the thom office were then appointed to the thom office and contrake a haz.

crat," Who left the War Department at his thought" of the people. own option, in order to undertake a haz. Delegates were then appointed to the that he had been Cameton's "man Fri-andone over to Russia, at his own ex. Convention, which meets to day in Wash day" in plandering the government. Tack-

the express purpose of representing his uative State in the U. S. Senate , but was native State in the U. S. Benale, out was Bench. untortunately prevented by a meddlesome Bench. Resolutions were also passed, endorsing the course of the Post, the Examiner and ed to the list of patriots headed by Ben the Review as loyal and Democratic.

Butler. Then see that meek and soft spoken gentlen keu geutlemen, Alexander Cummings, another old Democrat, who vows he'll

pense, and who afterwards returned for

BRIG. GEN. H. W. BENHAM, who order-d several regiments to slaughter on James Island, near Charleston, in Jane last, and K., wile of Edward Henzelton, Kry. know no party as long as his country is in danger, a man of such purity of character as to justify Cameron in entrusting was deprived of rank in consequence, has just been restored to his rank and a com-mand in the army of Gen. Hooker. The President ordered Judge Advocate Holt to investigate his case, which it seems he Coffin Warercom of H. Samioa, Undertaker, has done, and his report has induced the President to restore him to command. to his discretion two millions of dollars. which Cummings judiciously invested for the Government, reserving only a hundred and ten thousand in the way of commissions. An impertment member of Congress, alluding to this transaction, An inferior number of our forces was

declared that the smount realized by Cumordered to charge upon almost impregnaordered to charge upon almost impregna-ble batteries of the enemy, lying in such a position that, if the first battery had been taken by our troops, they would then have been exposed to the concentrated fire of the other batteries. The regiments making the ansatt then rate of the source of the mings was nearer a quarter of a million than the sum stated, but then Cummings had gone to Europe for his health, and other matters of a similar char-

and other matters of a similar char acter prevented further inquiry. Behold, too that burning and fixing up to the batteries, and some of the so and crackling patriot Forney, another old diers of the Michigan Eighth Infant Democrat, and one of the sweetest and most examplary patriots among them all. He to biscessed of the sublime visiting of

He is possessed of the sublime virtues of were engaged, an we will venture that all the rest, in addition to a quality pech-difficer or soldier in either of them we liarly his own. These are the sort of excent easand? ordering the assault. The charge at James Island was the feble corner Smithfield and Fourth streets patriots and loyal men of the country. with whom our rural cotemporary is willing to
