That no ene may be den'ed the privilege of contributing to the fund and thereby expressing their exarcts sympathy with the bereaved relatives and friends, it is proposed to receive voluntary contributions in any amount that may be offered.

The Committee have decided to have the subscriptions purely, voluntary, that those who do not feel, from the natural impulses of sympathy with those bereaved, desirons of contributing to the proposed monument, may not be constrained to do so by personal scilicits ion.

As a record of an appalling accident and of sympathy with there bereaved, it is suggested that the Monument should be built from purely, voluntary offerings, and the Committee manulge the hope, that such an expenditure may be authorized as will do full justice to the proposed monument, may not be constrained in the Monument should be Built from purely, voluntary of of respectively and the Committee manulge the hope, that such an expenditure may be authorized as will do full justice to the Proposed authorized as will do full justice to the Proposed authorized as will do full justice to the Proposed authorized as will do full justice to the Proposed authorized as will do full justice to the Proposed authorized as will do full justice to the Proposed authorized as will do full justice to the Prop Monument to the Killed by the Alleghe-
