<section-header>

out discussion, as was done here under the previous question, obtained the opin-ions of competent and experienced engi-neers from various parts of the country, order that it might be demonstrated piper the bridges authorized by the bill

would obstruct the navigation of that great highway. After full in restigation by the Senate Committee, they directed the re-moval of this intermediate pier, and the

Sends Committee, they different of this intermediate pier, and the more already diversity is to be enarged. Now, sir, before this bill is to be put imported to obtain replies to communications that have been performing as girl of about seven been performing as a ballet girl in the seven site of the seven site area where this measure is ikely to accretain whether this measure is ikely to accretain whether this measure is ikely to the more bridges over the Ohio. The gentiemas site that because we have more bridges above the month of the Big Sandy there is no reason why of the Big Sandy there is no reason why more be.

and to allow every tarmer along its banks to build a bridge to cart his hay across. If that is what the House desires to do, let me pass this bill. I baliere myself that it would be proper

with the stockholders of the Pennsylvania reatinational channel into a little canal, addio allow every farmer along its banks build a bridge to cark his hay across. that is what the House desires to do, tampass this bill. I balieve myself that it would be proper construct a bridge at the falls of the biol and I do not know that I would ob-set to one being thrown across the river a complete the connection with the Cov-

 bondid a bridge to car his hy across. If alroad Co. held their annual election on the first is what the House desires to do lowing gentlemen were elected Directors: I follower myself that; would be proper to construct a bridge at the falls of the falls reason why Congress should interfere and reduce its height thirty feet. Gentlemen will observe that the navigation of the Ohio river affects the interests not only of the States of Ohio and Kentucky, but of all the States bordering on the river and the various kinds of metter the common such an entertainment as Rogers, of New Jersey, addressed the meeting. NORBISTOWN, PA . March 4 --- The Dem-Onio river attacts the interests not only of the States of Ohio and Kentucky, but of all the States of Ohio and Kentucky, but of all the States of those States ought to be consulted in this matter. I desire that this House shall have before it some sta-tistics of the immense trade of that coun-try, through the Ohio river, before it un-dertakes to pass, under the previous ques-tion, such a law as this. It was shown in the discussion in the Senste last session that the additional cost for lumber and coal to the people of Cincinnati, Maysyille and Louisville, would more than counter-balances the benefits conferred on railroad companies from the construction of the se ocratic club of this place fired 100 guns to day expressive of their joy that the late Congress has adjourned sine die. PORTLAND, March 4. -- The steamer IIi ternis from Liverpool on the 19th, and Londonderry on the 20th ult.; arrived at this port at half past six o'clock this even ing. The steamer Edinburg arrived at Queens companies from the construction of these The gas is as harmless as the air we breathe and those who inhale it retain their conbridges. I have never taken the position that I have never taken the position that sciousness, and nothing improper ever oc-navigabilitatreams ought not to be crossed by bridges to connect great lines of railroad. I desire always to accommodate bosh these interest of travel and trade. I wish to crossing navigable streams taken y facility in see anorged to railways every facility in crossing navigable streams; always provi-ded that they do not interfere with other interests engaged in the navigation. I be lieve that both railroad and navigation interests may be promoted; and I believe that the difference dw its charter is a second and nations. Miss Lotty Hough takes a benefit at the Theatre to morrow evening. We look for an overflowing house, as the lady has made herself a great favorite here, as well that the sufficient, so far as the bridge in con-cornad. Mid at the bridge in contion. I said I would like to hear from those sections of country interested in the navi-gation of this river. It affects not only Obio and Kentokry her the section of the secti Now is the time to buy dry goods, at least ladies' wear. Barker & Co. offer for this week extraordinary bargains. See their advertisement. Mayor of inviting Mason to participate in the proceeding, was unanimously adopt-ed. The London Times complains that the grand old cause against slavery and the Ohio and Kentucky, but away up into Virginia along the Monorgabela river, and up into the State of New York, along and up into the State of New York, along the Allegheny, down which immense quantities of lumber are floated at at high water. It affects Pennsylvania, Indiana, Illinois and Missouri, and all these States are interested in the defeat of this scheme, if it shall be found to cause a marine, construction to the period of the scheme and th GROVER & BAKER'S Sewing Machines, for 1- or 17 manufacturing purposes are the best in nse A. F. CHATONAY, General Agent, AS Fifth street, Pittsburgh, 1 -JOSEPH MEYER. ANTHONYKYIII this scheme, if it shall be found to cause a serious operruction to the navigation of the Ohio river. If the bill can be post-poned for a few days, I hope to have statistics to present to the House which will throw some light on this question. JOSEPH MEYER & SON NANUPAOTURNES OF PANCY AND PLAIN FURNITURE & CHAIRS Coroner's Inquest. WAREHOUSE, 135 8MITHFIELD ET RAAD. Coroner McClung yesterday morning held an inquest upon the body of Wm. Craw-ford, the peller who was tilled by the New Brighton Accommodation train on the Pittsburgh Fort Wayne and Chicago Bail-road, near the outer data the Turadar (Between Sixth street and Virgia :. iley.) · PITTSBURGH. bog BLACK DIAMOND STEEL WORKS Fittsburgh: i'ort Wayne and Chicago Rail-J road, near the outer depot, on Tuesday afternoon. The engineer testified to hav-ing seen deceased on the track, about 150 J yards ahead; that he immediately gave the alarm, followed by several 'toots,'' but the man (who seemed to be watching the Economy Accommodation, coming up) paid no attention until the locomotive was close upon him, when he turned around. looked PITTSBURGH, PA.
