PATRIOTS

managed and used by men professing to be Bishop announced Democrate who were compolled to differ Pittsburgh. f our our party on some political question. Men who are contemplating treason or treachery do not at once exhibit their velopment of their infamy.

when is now Nothing is reason to black. A cricians are occoming more frequent, both and government, and the violation of a solution and ugly, visage, we found that those whom in and out of the army. In many of our its midnight incantations and minimizeries cities crowds of unruly white boys assail only be a stab at the institutions of the pawned of the surface had been hun and abuse the unfortunate blacks, without country. There were allegations of bribery, any special provocation. The fearful riot office hunters who hung upon in Detroit the other day was another in Whatever might have happened in 1861, of that midnight association. Their ex garded by the white race. cuse for their conspiracy against the rights. Thoughtful men foresaw all this as the of their neighbors was their sensitiveness result of the ill advised attempt of a por-

parriets here, took control of the opposition at Harris burg and styled it the People's Party, at which John C. Knox presided, Forney appearing in the character of general bugles and control of the character of general bugles as "People Toket" and invited all our "Apriors at Union menages. They nominated the lowest white blackguards, required to the decisions of the Supreme Court upon that question, in proof of his assertion. Admitting that the Act of 1861. They powers at Washington saw success in this deeply laid scheme to cheat the people, and spin wife or sister daily treated "as this deeply laid scheme to cheat the people, and spin wife or sister daily treated "as the damages."

Now all this we recent is just availed. Judge Advocate for the Eastern District

va ins. is morely to suggest to the conhelpless African, while the heartless crew by the Pennsylvania Railroad Company
the dearth of the propriety of watching who are feeding fat with all sorts of offices to influence members to vote for the comthe development of the tcheme whic's the created for the pretended purpose of freecomming State and county elections. At lent in their immunity. We implore white ready they have shown their his ad in Philipeople not to be deceived into the monadelphia. On Wednesday large they had a strong crime of punishing negroes for the gathering in Philadelphia, at , which one or two nominas Democrats practicipated. It was called a Union De monstration, with such mottoes as "no T arty but the party. of the county." For ney's paper, alluding to this demonstration, remarks:

"It was meet ang of the friends of the Union The Covernor of Pennsylvanta presided, and you his presence, his ability, and, above 1. by his brave and eloquent words in de gene of the cause, did honor to himself and those over whom he presided. It was not a meeting of Democrats for R publicaus; it was not called by men of any organization; it rose above parties a ship and politics."

ine. There wing of the party may, by this early move, succeed in heading off such pretenders as John Covode, but they will alt be so successful in their glectioneering any positive influence; endeavors to deceive any number of they sustained as the diseases. Democrats: They may secure a few of mocracy in 1840 and 1848 abundantly Democrated They may secure a prove.

the character of those to whom we have prove.

Now, however, office-holders interfere was last. alluded, bighter places, as it was last Fall, will be more than supplied by conservative men, who have not as yet, acted with its, but who now see that the only salvation for their country is in the accendency of the Democrationarty. Ours is the only organization upon which the true friends of "the Union and the Constitution" can rely. We are the only party able to confront and vanquish Aborditions of the Gazette and office-holders and conserved with a confidence its solding party able to confront and vanquish Aborditions. litionism, and once in power, we could soon scatter the mushroon Southern Confederacy. The Democracy is the war federacy. The Democracy is the war party of the country. Upon its teachings, its example and its prowess the country. Assessor of National Taxes, 2000 that a grower and we will not fritter away two years of time, sacrifice that million of men, and elmost fabrulous millions of trensure, in frustrating an other official severtising of the country to t upstart conspiracy. Give as power and we will not weary the patience of the people and the courned of our soldiers, by perty persecu-Here is a total of \$20,000, and I know I the extraordinary price of gold. It is estimated that the receipts into the mitting a miserable faction of impracticable fanatics to thwait the efforts of the Administrators, in order to insure success to their fanatical combination. Give the conservatives power, and the country will rejoice in shortons battles, instead of sioker at empty proclamation. The expectation of the mark the port of bouning victories, will gladden the heart of the partial of having its strope deferred by actas of confisca. The profits of the last of the profits of the last of the malign influence of the consecutive power, and the country will be sufficient in excess of the care of the profits of the government to pay off the whole public debt in ten or fif the profits of the last of facts has already equivalent to the net of the mark of the profits of the last of the profits of the government. This debt, on the 1st of Jacobs have not a complete list of the various triple and reasonably the profits of the profits and the profits of the prof prostration, the poverty and misery of

The bill repealing the act for the commu-

hrough the city that Bishop O'Connors lation of tonnage duties, on the Pennical world not permit him to come to sylvania Railroad came ap in the House Ever since the fall of the gallant and gladiossy that these apprahensions have discussed at length.

high-toned Whig party, the opposition to the rest acreet by a telegram, repaired to the country has been by V. Rev. E. McMahon, in which the toration of the tax. The was no reason

and others should be allowed to go free. The Pennsylvania Railroad has done much

enue laws this session.

Mr. Smith (Chester) discussed the legal

spent in debate and parliamentary motions, a bill was adopted taxing all the milronds in the State on their tonnage, and also on their capital stock, when dividends are declared exceeding a certain amount. On the third reading of the bill, for its

ed by Mr. Hopkins, of Washington, and silent on this subject? What has become

be sent to the Senate.

New York Herald writes as follows upon about Vicksburg and Charleston, and

til July, 1864, and will tend greatly to re- once more light up the lines of the army store public confidence in ability of the and direct the nation's will. - World. United States to meet all obligations. It is now known to be the intention of Liquid STOVE POLISH. Mr. Chase to avoid issuing a single dollar

more of legal tenders, if possible, and his fixed purpose is to check any inflation shood of the currency, and to reduce by every know! Expedient the extraordinary price of gold. It is estimated that the receipts into the he Ga. Treasury will be sufficient in excess of the

table has been so great that it is estimated they will average two hundred thousand dollars per day within the present month.

It is stated in official circles that Mr. Chase considers that upon the basis of prostration, the poverty and misery of our white millions obstreemen, in order to clevate the negroes of the South. Test us save our Hovernment first, and, in the been, or may be reasons of wounds are used to the wall; let it is understood that the form the army by reasons of wounds are character of our future warfare. The system of cholition at one and the fame time, the country might stake a lond of paring a circular of instructions and of the people in districts which will be ready for distriction measure for products of the South, and the fame in a few days.

O'CONNOR'S LEC | The Tonnage Tax in the Legisla- | which was defeated in the Senate. But | TO-DAY'S ADVERTISEMENTS. the policy of making conquests by trade and commerce with the reasts may be ef-fected through others. Mr. Howard, of brough the city that Biddop O'Connore lation of tonnage duties on the Pean-lealth world not permit him to come to sylvania Railroad came of in the House of Announced. We are of Representatives on Monday and was products. If this sensible course be purpled to say that these apprahensions have discussed at length.

Mr. Ludlow spoke inopposition to the respective as the armies gradually, advance, the rebellion must, to use the relation of tonnage duties, on the House of the rebells to self their sensible course be purpleted and the armies gradually, advance, the rebellion must, to use the rebellion must, the research must be represented in the research mu pellion must, to use the idea of General Dix, be finally worn out Hence the steady stifling of negro culistment bills towards the close of the session, and hence the course of General Banks in ingratia

CRUELTY AND INJUSTICE. for the Commonwealth. Apart from the old idea of Mr. Chase when he held to let There can be nothing more cruel and bad policy of re-imposing such a tax upon ting the South go, that it would come unjust than the treatment of the colored trade was the unconstitutionality of the back by the law and effect of trade. Of course the war can then be prosecuted at a reasonable expenditure, and restored onfidence would cause the investment o most of the spare capital of the country n government securities; the constantly acreasing receipts from internal revenue would pay the interest of the public debt and leave a large margin for ordinary expenditure.

THE WAR IN VIRGINIA. Justabout a year ago the radical press clamored without ceasing against General McClellan, because he forbore to advance ipon the enemy. No words were too bitter or too biting to apply to the general who had organized the finest army the country has ever seen, and who was silentwater population in an nour can party thes organized, the same set of realegade Democrate, who figured most control of its organization. These persons, who shills in the Democratic party, were all ways to most tender in obliging wrong to the African rece of holding the amount of the most rabid of the extreme abolitions. Our observant readers remember the cautorast trimming last year of some who had been recognized. He cannot be sent or a recent who had been Personation, in the Commonwant of the continued, as a consequence, the 'Union Legicas.' This class, headed by Personation in Philadelphia, and small fry throughout, nearly all the count of the continued of t ly maturing his campaign and he had patriots here, took control of the opposition assume all other rights and duties of Mr. Kaine insisted that the Legislature victories, it cannot be contested that the

mhl4-tf cally that if three cents per ton was to be ment ascended daily. They called upon charged without regard to distance, there the President to lead the army onward in would be no need of any additional rev person. They denounced caution as disloyal, and strategy as the unpardonable sin that it of the Legislature to impair any charter or contract, without reference being had to a judicial tribunal.

Mr. Hopkins said that the original act

mand. "The army of the Potomac," carried their ticket, these disaembling and desperate bolitical gamblers, in Philadel phis, headed by Forney, gave cheers for their triumph and for John Brown, whose soul, Forney assured his listeners, was visibly marching on They had, they imagined, in the name of "the people," visibly seemed a fritimph, and, jubilant at the sacess of their jugificity, they exulted in the extravagance of wifty thousand majority."

Our object in these preliminary obser-"without nominal head has only to move SALE OF IMPLEMENTS & STOCK year ago. To day the Army of the Poto. Stock I

believe that this very \$800,000 was used by the Pennsylvania Railroad Company to influence members to vote for the commutation bill.

He continued at length, reviewing the history of the passage of the commutation act, and thoroughly canvassing the subject.

After a session of five hours in length, spent in debate and parliamentary motions, spent in debate and parliamentary motions against the heights of Fredricksburg, than a parliamentary motions, against the heights of Fredricksburg, it as the adding dash deferment and become a sort of living intrenchment the pitt burgh.

Milt and from Unionton Sept Pitt burgh in the adding that the decidency that it and from Unionton Sept Pitt burgh it is a parliamentary and from Unionton Sept Pitt burgh in the and Great predecessor, a patient and respectful Openes of Pittsburgh, March 12th; 1853; F THE ANNEAL MEETING OF THE Stookholders of the Pittsbursh and Boston Min ng -ompany.
