

MONDAY MORNING, MARCH 17, 1863.

COOPERHEADS.

This is the new nickname applied to the Democratic party. It is a term of great comfort to the opponents to be upon us, as we are called upon to do our duty with respect to the great question of the day. It is a term of great comfort to the opponents to be upon us, as we are called upon to do our duty with respect to the great question of the day.

MR. McTIGHE'S CARD.

On Wednesday last the Pittsburgh Gazette contained an account of what passed between Mr. McTighe and the members of the Abolition Club of this city. The following is a specimen of the Gazette's account of what passed between them:

NEW HAMPSHIRE ELECTION.

The New Hampshire election of Thursday last, referring to the election held in New Hampshire on the previous Tuesday, closed its career with an invocation to Heaven for the State. This prayer for the blessing of the Granite State, whose fifty-third anniversary is celebrated on this day, is a fitting and patriotic expression of the feelings of the people of New Hampshire, and is a fitting and patriotic expression of the feelings of the people of New Hampshire.

COOPERHEAD DEMOCRACY.

The Cooperhead Democracy, as it is called, is a term of great comfort to the opponents to be upon us, as we are called upon to do our duty with respect to the great question of the day.

NATURAL AND POLITICAL EQUALITY.

The Gazette of Saturday editorially announced that "G. B. Swan, colored, was elected Trustee of the town of Potsdam, St. Lawrence county, New York, at the election." We trust that the town of Potsdam may be properly taken care of by its new Trustee, "an American of African descent."
