As the Ken tucky is pouring out an immense tide, the swel will no doubt continue for a day or two, in which event the cellars on Water street will be filled with water. The weather is clear, but very cold and windy, very much after the style of March weather. Dr. Brown's remedies for the siarming trouble brought on often by that solitary habit of sectors gratification, which the young and weak n inded often give way to, (to their own destruction,) are the only reliable remedies known in the country—they are eafe, and make a specify rectoration of health.

BURGINATION. WM. H.SMITHJOS. R. HUNTER WM. H. SMITH & CO. St. Louis. The river here is falling steadily. In the twenty-four hours ending at ten o'clock a. m., yestorday, the decline was five and a half inches, and the river was then fifteen feet six and a half inches above low water mark in December, 1860. There is a big river out to Cairo and to Vicasburg as far down as heard from.

The Illinois River is falling slowly, and overflowing from Lasalle to the mouth. Business on this river continues dull, on account of high water. WHOLESALE GROCE TO COME and make a speedy rectoration of health.

BY HOLESALE GROCE TO COME and the painful disease is a previous Affections, pains in the painful disease is a previous Affections, pains in the Back and Kidneys, Irritation of the Bladder, together with all diseases of an impute origin. A gent, 116 Water street, Pitteburgh Pe, is prepared to bring out or send, back passengers from or to any part of the old country, other by steam or sailing pickets. on this river continues dun, on account of angu-water.

The Missouri River was falling at last accounts, with 4½ feet in the channel from Leavenworth down to the mouth.

The Upper Mississippi is open to Dubuqe, and falling all the way down, with four and a half feet on the Upper and three and a half feet on the Lower Rapids. There is from eight to nine feet from Keokuk to St. Louis. LAKE SUPERIOR COPPER MINES steam or sailing packets.
