cratic Central Club has been published in the Post, and I confidently ask you if there is anything in that upcompare that can offend any loyal man? I cannot expal election for the Democratic Union not the Union League candidates. There any YORK. POLITICS.

can offend any loyal man: I cannot ex-actly see how you can look upon this war as a personal contest between Jeff. Davis Bird Autanam Lincoln, as you intimate, but I can honestly declare that I know par:y is about being formed in New York. which will utterly destroy the present no man who desires to see Davis and his rebellion overcome Lincoln and the North. Abolition organization of that State.— no man who desires to see Davis and his rebellion overcome Lincoln and the North. The chief plank in the platform of this 1f 1 understand the tenor of your pronew party, will be a vigorous prossecution gramme of what constitutes a "Copperof the war for the restoration of the "Copperheads" but Republicans cannot Union, and not for the emancipation of Union, and not for the emancipation of be, and there seems, in your notion, to be the slaves. I his, it is thought, will, un no night side to Republican ideas and inder the leaf of Seward and Weed, and

tentions. But your paper, sir, professes to be "in dependent." I will do you the justice to Van, Buren and Brady, organize a party powerful enough to sweep the Empire say that you wish to make it "independent" and impartial also; so that all classes State at the next Presidential election. That this new movement will throttle Greetley and his set of fanatical aboli-tionists seems to be conceded; and that appears to be its principal object. But to accomptish this result the new organi-to accomptish this result the new organi-that ito ikin the National Department of the Nati zation has but one course to pursue, and shall contain matter treating them after that is to join the National Democracy. Weed and Seward may be able to call off No man who holds precious the fruits of

a hundred thousand Republicans from the his fireside can receive the Gazette into Abolition ranks, but Van Buren and Bra. his house, if he has a family-even if, as Abolition ranks, but Van Buren and Bra-dy can not induce a hundred Democrats to abandcn their organization. Greeley and his followers will still maintain their control over the organization of their par-ty, so that the only way left to defeat them is by desertion from their ranks to those of the Democracy. The third party in New York will amount to nothing as a separate organization, and if it desires the prostraion of Abolitionism, all it is control to do is to put its shoulder to

required to do is to put its shoulder to ed by the enemies of the Democracy, not the Demodratic wheel, pray to God for to designate a part, but to stigmatise all? the Democratic wheel, pray to God for screegth, and push on the column. There is not a particle of necessity for a new party in New York. The followers of Weed agree with the Democrats upon the leading questions growing out of the the leading questions growing out of the are as dear to us as are those of any other war gainst the rebels. They are both for a profecution of hostilities for the res-toration of the Union and the preserva-tion of the Constitution; they are both against a long war, or a vindictive one that will leave bad remembrances after it is over; they are both against all the radi-cal legislation of the last Congress, the President's blundering proclamations, and the constless expressions of such men as Thaddeus Stevens, against the fore the rebellion began. They are both willing to carry the clive branch in conjunc-tion with he sword, so that when there is war egainst the rebels. They are both set of men in this universe, and will be as willing to earry the clive branch in conjunc-tion with the sword. so that when there is manifestel in any rebel State or district a desire to retarn to its allegience, a hu-mane course may be pursued towards them, and not a monster like Ben Butler eivy and tyranny, will make them more determined in their hostility to any con-determined in their hostility to any con-determined in their hostility to any con-determined in their hostility to any con-state of the Democratic participation of the the them prac-tice of the Democratic participation of the them there have a state the determined in the state of the them there have a state the state of the them there have a state of the them there have a state the state of the them there have a state of the them there have a state to banding, and our enemies have everything to lose, even "contracts."] : Or sup pose they were called "Banditti," or any other tor of an independent, impartial paper, feel that you had a right to adopt the pracdetermined in their hostility to our goy. tice of the Democratic party press, and ernment. These parties agreeing upon all use the term "Thug" or "Jacobin" or these important particulars, we do not see II do not forget that you disclaim the u aim the use why Werd and his followers should not at of the offensive term as the Gazette rises it once knock for admission into the Demo--but still you employ it, and it racans cratic fold. If the war lasts until 1864 they will have to unite, not only for the purpose of putting down the rebellion, but is recardly what it means in the *Ganetic*-all purpose of putting down the rebellion, but is the provided the second seco

also to put down abolitionism, the infernal spirit of which will, by that time, have hurried onr own section to rapid destruc-tion. Let the great State of New York. If you would take up a name of reproach given to the If you would take up a name of reproach given to the Democrats by the Democrats to their oppo-nents in the same way that you have ta-ken up a name of reproach given to the Democrats by their enemies. If you would take up a name of reproach given to the uncertaint of the same way that you have ta-ling the same way the same way the same way that you have ta-ling the same way the same wa
