the apparatus, and to the mechanical part
the War Department was published rethe war Department was publ As Gens Frankin had been recognized as one of the ablest of the Generals in the service of the United States, it was at once perceived that some reason existed to this removal not known to the public at large. It was announced in some of the United States, it was at the expected orders. At midnight, no orders the expected orders. At midnight, no orders when the expected orders are the the world consequently the tother telegraph station to ask for them. for his removal not known to the public at large. It was announced in some of the large. It was announced in some of the large ders having come, Col. McMahon was sent to the telegraph station to ask for them. He received and reported the answer that had been ordered, and the names of the members of it were given. Nearly two months have elapsed, and no Court has been sonvened. On the 27th of January, a statement was published in the New orived the order on which he acted in that York Times, containing charges against a Gen. Franklin as grave as can be alleged against a General commanding a force in the field of forty thousand men, assume a national importence.

The expected orders. At midnight, noor men, noor in men, noor in men, noor in men, noor the knew to the their was sent to the the ders having come, Col. McMahon was sent that they were being prepared and would be in the desperate resistance of the flower of the roor this time until they were being prepared and would be in the desperate resistance of the flower of the roor this time until they were being prepared and would be in the desperate resistance of the flower of the roor the forthwith. From this time until they were being prepared and would be in the desperate resistance of the flower of the roor the forthwith. From this time until they were being prepared and would be in the desperate resistance of the flower of the roor the monning, able officers. With a full consciousness of the momentous issues depending on the conflict of the morrow, will it be believed that they were being prepared and would be in the desperate resistance of the flower of the robe in the flower of the received and reported the answer that they whenever he should determined to the the whenever he should determined to the the view of the robe in the flower of the robe in the flower of the robe in the houng in attack he would concentrate against they were being prepared and would be in the they were private. In the received and reported the answer that they whenever he should de attack with at least one corps vigorously. designed making his main attack against and then to follow up the attack with an army which has thus far proved itself no emphasis to call it to the attention of prompt and heavy supports."

Gen. Franklin's whole force consisted to, under an order so entirely inade-of three divisions each. of onste to the success of any such attempt? the public, it was printed over your own signature. You are not only the respon-sible editor of an influential and widely signature. You are not only the respon-sible editor of an influential and widely circulated journal, but you have filled er side of the river; but it is quite evident,

sible editor of an infactatial and widely gricrelated journal, but you have filled some of the most important official positions in the State of New York, and therefore a statement under under such as a statement under under such as plees cannot be treated as an ordinary inewspaper article. It is to be regretted that the Administration has not ordered an invegitation into the subject, and thus firmished the means by which the public judgment could be invoked upon all the wide of an invegitation into the subject, and thus firmished the means by which the public judgment could be invoked upon all the wide of an invegitation into the subject, and thus firmished the means by which the public judgment could be invoked upon all the widence of orders—upon testimony apparently derived from the most submitted to the most services of all military offences—a disobedience and its consequences, justice, that in suapport the submitted to the most services of all military offences—a disobedience and its consequences, justice, that in suapport of the proposed of the pro

Gen. Franklin acted at the battle of Fredopen.

One of the battle of the corresponding of the commanding officer had been decided upon, ports made from the left Grand Division.

One of the battle, have been prompt of the commanding officer had been decided upon, or ously," or "following up the attack with Gen. Franklin gave his whole heart and decided upon. during the day of the battle, have been prompt and heavy supports," but, as the whatever powers of generalship he possessfurnished to the writer, and this statement event proved, before the sun had reached ed, and required the same of his subord. nent feature of your statement, inculpating Gen. Franklin with reference to the supports to this attack, in which his whole ting Gen. Franklin with reference to the battle of Fredericksburgh is, that Gen. Burnside's plan of that battle was to make the "main attack" upon the rebet right, which was opposite our left, commanded by Gen. Franklin. The sentence is italiciated, and is in these words:

"title main attack was designed to be the property of the pro which was opposite our left, commanded by Gen. Franklin. The sentence is italicated a line of retreat open," a part of the order, the wisdom of which no one will dispute. Immediately after the receipt of two the retelling the order, the wisdom of which no one will dispute. Immediately after the receipt of two the retelling the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the receipt of comparison of Sumner attacking in front to complete the wisdom of the order, the wisdom of which no one will dispute. Immediately after the receipt of the part of the order, the wisdom of which no one will dispute. Immediately after the receipt of the order, the wisdom of which no one will dispute. Immediately after the ereceipt of comparison of Sumner attacking in front to compare and one to reput the order of the order, the wisdom of which no one will dispute the order of the order

needed was prompt and effective support.

These facts are not only collected from the written statements of some of the sent another small corps to his aid, but it officers engaged, but I have before me a

round nonfirmed the opinion entertained one referred to in his letter "in the rear of y Gen. Franklin and his corps comman the town."

puste to the success of any such attempt? He knew then, and the rebel maps which have come into our possession eince fully charge of our boats. We don't say this in the confirm it, that to have made his "main way of complaint, only as a matter of fact. The

your statement. I rely upon the spirit of fairness which has always characterized the conduct of your paper for space enough for this answer.

Gen. Franklin's command in the Army of the Potomac cousisted of the Sixth Corps, under the command of Msj. Gen. Wm. F. Smith, and of the First Corps, under the command of Msj. Gen. John of both these gentlence, "30 fairness which has always characterized the conduct of your paper for space third, to keep this division well supported; and fourth, its line of retreat open. It does not require a military man to see that Gen. Barnside did not mean to make his main attack upon the rebelarmy of both these gentlence, "30 fairness which has always characterized to paper for space, except to his general officers, when asked for the judgment to nis; third, to keep this division well supported; and fourth, its line of retreat open. It does not require a military man to see that Gen. Barnside did not mean to make his main attack upon the rebelarmy other persons. It will be conceded by all fair minded men that when he was called fair minded men that when he was bound to give him the first fair minded men that when he was ed, and required the same of his support

nates, to the full and prompt execution of his orders, without the slightest reference to his opinion as to their wisdom. Yours, respectfully. MASTIC CEMENT
