Copperheadism

TREASONABLE ASSOCIATIONS. The discussion occasioned by the Pitts burgh Chronicle's positive assertion, that statement with some apprehension; he first day of July after the enrollment, and, if called into the service, shall continue and emphatic paragraph :

mow provided by law; and the President, of St. Louis has taken a favorable start, and promises to be much greater than at sonable associations? brought before the Grand Jury and by a Judge, who promises to lay a "heavy hand" upon all who may be found belonging to them; and, it is scarcely necessary to inform our community, that Judge Stowe will not shrink from enforcing the extreme penalty of select, a sum of money in lieu of a substitute. he has, and we trust that the Grand Jury report in person, or by procuring a sub-will leave no stone unturned in their in stitute, or by paying the stipulated sum, is vestigation to delect, indict and punish all to whom Judge Stowe's remarks ap- opinion that our State may not be called ply. We trust, however, that the Grand upon, if a draft is made, as Pennsylvauia Jury will not, like the Pittsburgh Gazette and has already furnished more troops than other Abolition papers—confound the Adany other State. ministration with the Government. If a citizen pays his taxes as willingly as Judge Extensive Forgeries in Vermont. Stowe and the gentlemen of the Grand O. B. Clark, accompanied by a lady, the necessity or the efficacy of the Presi- Bank of Rutland, stating that he and a the necessity or the efficacy of the Presidents and cashiers dent's emancipation proclamation, we number of bank presidents and cashiers were about forming a company at the West loyal to the Constitution of his country. In order to enable the Grand Jury to act intelligibly in their investigations of the delicate subject injugation, we quote the would leave them until warmer weather.

British Privateers.

It is understood that in case any more that he was going about the country to make his selections and purchases, but called and a recommendation made by the two would leave them until warmer weather. following pithy paragraph from a letter of He went about among the farmers, but

"In this country especially, it is a habit not buly entirely consistent with the Constitution, but even essential to lits stability, to regard the Administration at any time existing as distinct and separate from the Government itself, and to canvass the proceedings of the one without a thought of disloyalty to the other."

Had Judge Stars innercented these Had Judge Stowe incorporated these few lines in his charge to the Grand Jury

hose gentlemen might have a clearer apreciation of their precise duties, because e are all more or less disposed to conound principles with partisan prejudices, ind act accordingly. We have heard of partisan feeling entering the sanctity of the jury-box, and have known Judges to gro teamsters for Gen. Bragg's army. nder to popular clamor and prejudice. udge Stowe, we rejoice to think, is too ofoundly impressed with the sacredness f his high office to permit the slightest egree of partisan feeling to mingle with administration of equal and exact justice; and we hope, most protoundly, that the Grand Jdry, now in session. will rise to the Judge's and to Mr. eward's comprehension of the difference intween hostility to the government and position to some of the measures of an mbecile and temporary administration. them, and let us see who are the conspirators in this community, whom the Chronicle informs us, meet in secret to devise means to resist the government. But do not measure a citizen's loyalty by his adhesion or opposition to party; and, in order that the Grand Jury may more thoroughly understand our injunction, we blockade runner which entered the harbor

"Nothing is more certain than that the great of Nothing is more certain than that the great of Nothing is more certain than that the great of Republican, is thoroughly loyal to the Governments. It has no affinity with the rebellion in any degree. Every instinct and every principle binds it to the nationality. There never was a greater the Democratic party senerally felt constrained to condemn the management of the war, they were therefore opposed to the war they were therefore opposed to the war tast, and ready for pessoion any terms with the rebels," Says the Independent

Says the Independent:

"We will work for the Union and Constitution as this Eathers ordained them with all men of all parties who believe this saded end is to be gained nothly by sustaining the Government in this indispensible and righteous war. We scorn and repeated in the standerous imputation that we reconsist of the cordial aid unless the war is carried on according to our views of right and expedience on according to our views of right and expedience when the public the highest motives of the public the motives of Justice and Liberty. But we do not refuse to work heartily with men who chooss motives for lower. Each man that is true to the great end—an undividend man that is true to the great end—an undividend man that is true for the great end—an undividend man that is true from the construction of every side, must tolerate us. Let all men, of every side, whatever his theory for philosophy, join in combining the total strength of the great Loyal Estate for the last and victorbuis onset upon rebellibn in the construction of the construction of the present them.

A Tax on the Dead. ston the city clerk has to give a

throughout the United States to carry except the rations, etc., leaving about \$113 per month. This will constitute

munications on hand in reference to the Copperhead question, well written and quite pointed. We prefer, however, that manufactured the proceed to make the enrollment in such manuar that analysis and the proceed to make the enrollment in such manuar that analysis and the proceed to make the enrollment in such manuar that analysis and the proceed to make the enrollment in such manuar that analysis and the proceed to make the enrollment in such manuar that analysis and the proceed to make the enrollment in such manuar that analysis are proceed to make the enrollment in such manuar that analysis are proceed to make the enrollment in such manuar that analysis are proceed to make the enrollment in such manuar that analysis are proceed to make the enrollment in such manuar that manner that each class shall be enrolled separately, and the age of the person enrolled is to be set down on the list as it wedding dress and made a flag, which will be on the first day of July succeeding the date of the enrollment. That is, if any person is not now twenty, but will be on the first of July next, he is to be placed on the list: or if any married man is not

Mrs. John C. Breckinridge, according item, has cut up her wedding dress and made a flag, which wedding dress and made a flag, which Regiment, in her huself to a circulating item, has cut up her wedding dress and made a flag, which wedding dress and made a flag, which wedding dress and made a flag, which distinguished services.

Mr. Denys, a correspondents Punished. Mr. Denys, a correspondent of the New York Herald, has been convicted by a Court-Martial of publishing contraband news and sentenced to six months hard.

Soldiers Voting. manner that each class shall be enrolled thirty-five now, but will be on the first of

tigate the subject in the following pointed during the rebellion, but not to exceed and emphatic paragraph:

"It has lately been publicly alleged, in a manner which has attricted attention, that there are in the county organizations, or persons combined together, for the purpose of interfering with and opposing the National Government in raising money by taxational and soldiers by conscription or voluntary enlistment, to suppress this accuracy are bellion which is now so severely testing the carpacity of men for self-government. Such things (if they exist) are disloyal, and, even if they should not technically amount to treason, are a most serious violation of the law, which, all parties concerned may take notice, this Court will not hesitate to lay heavy hands upon, if properly brought within its reach. While our brothers, sons and fathers are pouring out their blood like water upon the battle field, to preserve the unity of the Government, it will not do for us to shrink from working for the same end, by a fearless and stringent enforcement of the laws, whenever a proper case shall arise requiring our action."

Here we have this subject of "trea" three years. But the persons of the second class shall not, in any district,

the law against any one charged and contact, a sum of money in lieu of a substitute, which sum is to be made uniform by victed of crime against the Government.

We rejoice that his Honor has spoken as hundred dollars. Every person failing to

to be deemed a deserter.

Jury pay theirs, but differs from his about a week ago visited Rutland, Verneighbor in relation to the propriety, or mont, and made a deposit of \$2,200 in the we quote the would leave them until warmer weather. Mr. Seward, written last Nevember, to Charles Francis Adams, our minister at England: himself. The banks victimized are the banks at Rutland, Middlebury, Vergennes, and Orwell, about \$4,000, making in all over \$25,000. Nothing wrong was suspected until Monday last, when he left for parts unknown or parts unknown.

Negroes in the Rebel Army. From the Chattanooga Rebel of a late date we learn that General Pillow recently made a speech in Madison county Alabama, on the subject of furnishing ne-The General entered into an elaborate argument to prove that it is the duty and In the course of his remarks he said the Union forces had taken from him not only which has arisen during the most vexing Union forces had taken from him not only

Boarding Houses in Rich-

mond.
The Richmond Examiner says that a Had Judge Stowe drawn this distinction, his charge would have been not only complete, but admirable; having failed to do so we have thought proper to supply the omission. At all events let the Grand Judge Stowe drawn this distinction, his charge would have been not only complete, but admirable; having failed to do so we have thought proper to supply the omission. At all events let the Grand Judge Stowe drawn this distinction, his charge would have been not only complete, but admirable; having failed to do so we have thought proper to supply the office and entertainment open for every passer by, have succumbed to the navy.

The Richmond Examiner says that a great many of the keepers of boarding houses in that city, who have, through a good many years, managed to keep a place added to our navy. Since the new naval register was issued thirty vessels of all kinds every passer by, have succumbed to the times within the last week, and closed their establishments to boarders. The alarming price of provisions, coupled with the fact that the board already demanded would not justify an advance, appears to have led to this step.

Running the Blockade. The Charleston correspondent of the Mobile Register gives the annexed account direct their attention to the following extracts from high Republican authority—the first from the New York Times, and the second from the New York Independent Save the Times.

has since been captured:

"Charleston harbor yesterday morning presented a very exciting and animated scene. The splendid steamer Havelock, Captain L. M. Coxetter, had run through the blockaders just before day, having left Nassau on the 20th inst., bringing a most valuable cargo. After crossing the bar, however, she ran ashore on Drunbar, Dick Shoals, and it was feared the most valuable cargo. After crossing the bar, however, she ran ashore on Drunken Dick Shoals, and it was feared the enemy's gunboats would run in and en-deavor to capture her, which might have been done at the time, had they pluck enough to have attempted it. The Con-federate States federate States rams Chicora, Captain Tucker, and Palmetto, Captain Rutledge, immediately got under way and went down to offer battle, should the enemy

down to offer battle, should the enemy attempt a capture.

"There was evidently a great commotion among the fleet, who could be seen rapidly signalizing each other. The batter as our rams glided down to the scene of which had been delayed in rendering as which had jest gotten off, was now seen island. Numerous sail-boats and barges to the interest of the scene. For a time to the interest of the scene. For a time to the scene of the greatest interest and excitement prevailed. By the assistance of \$1.5000 \text{ s. } 23,145,626; Joint Stock Banks, £2,794, 2925, and as that of Scotland is £4,247, 277; and that of Ireland £5,538,139, the aggregate circulation of the United King-down will amount to £85,392,153.

Contracts.

The following contracts were awarded on Friday last at the United States Clothing and Equipage office, Philadelphia: H. Wilson, Philadelphia, 10,000 yards 50 the interest of the scene. For a time the greatest interest and excitement prevailed. By the assistance of \$1.5000 \text{ s. } 2.794, 2.7

The valves of the sloop-of-war Juniata out the enrollment bill will be made as have been rejected as useless, and improved roller valves substituted, and the ship has taken her departure from Philadelphia. The Juniata's battery consists. the district is very large two or three will of one eleven-inch Dahlgren, one one hundred-pounder rifled Pariott, four thir transported and four third transported and the four third transported and t In addition to each district, there will also be one civilian and one surgeon, to be paid as assistant surgeon of cavalry, west Indies.

In addition to each district, there will pounder Parrots, and four twenty-four motion in favor of recognizing the South rules somewhere in the latitude of the Times condemns the proposal, deprecates further discussion proposal, deprecates

the enrolling board, whose duty it is to divide each district into two subdivisions, and to appoint for each an enrolling officer, whose special duty it will be to make the enrollment.
