This is a preparation which is neither ore try it added more territory to the Union an application to excertainty set than was embraced in the original thirteen positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal, yet perfect y safe. It possible at the positive medicinal positive medic than was embraced in the original thirteen revolutionary States. It presided at the baptism of the new sisters which have been added to the confederacy, and never repulsed one on account of her domestic institutions. The nation, under the guidance of the Democratic party, expanded in all the elements of true greatness. No State received injustice at its hands, and no class was oppressed by its legislation. NEW ADVERTISING RATES. The following rates of advertising have been agreed upon by the Publishers of the Pittsburg Daily Press, to take effect on and after the 16th day of November, 1862, on all new contracts: ceived injustice at its hands, and no ass was oppressed by its legislation. The ch man found security for his possesons, and the poor man was elevated by equitable and just laws. It pandered no passion; because its action was used upon the great and enduring principles of constitutional freedom. It supplessed no investigation, for it feared one. Euring along carear of arealytical. for Ladies and Gettlemen's wear fine Bronze ressed no investigation, for it feared one. Euring along career of exceptive and congressional control, as has been all said by a distinguished citizen, "tit ever provoked a rebellion among her with people;" it was loved and rebellion among her with people; "it was loved and respected to those whom it governed in kindness and peace; it was feared and honored mankind the highest type of that perceptions are consequenced and peace; it was feared and honored mankind the highest type of that perceptions are consequenced from their ruler the hard message ver found audience with them, received from their ruler the hard med wages of the informer or the dupe. Seedition law or proclamation ever producted from a Democratic President of press. No man was ever arrested or ress. No man was ever arrested or gress. No man was ever arrested or ished for words spoken or written, exiby the ordinary laws of slander and i. There were no cellar dungeons or et bastiles in the days of Democratic and government. There were no continue the programment of the programment of the programment of the programment. ost-marshals, nor crawling sycophants ered over the counties and townships is now too much governed land. No ion was ever trammeled by test oaths bayonets. No white freeman ever a pass upon his person in order to al-from his home. All these degras were reserved for the com ublican administration—the first ad-f that scourge upon the nation. The have already decreed that it shall ese are some of the principles of riment, and the rights of persons, h true patriots are called upon to de.

These are of inestimable value to scitizens, and "formidable to tyrants."

The Democratic organization and 'The Democratic organization and aservative allies, have this work to m. It is a work in defense of the itution, liberty and social order.—eople are aroused to a sense of the work which threaten the matter of the sople are avoised to a sense of the rs which threaten the nation. They eason to distrust those who rule at ington, for "they have spoken with 1 tongues." They have not redeeming pledges. And where is this remether misdeads? It is in the nearest hese misdeeds? It is in the peace-ort to the great rectifier of human we must be faithful to our honor. onor requires that we preserve the iment of our fathers, and that arm unarmed treason, wherever they their head, should be overthrown. ere must be candor and manly sinnot ween the administration and the The people demand it. Justice ercy to the broken hearted wife and phaned children demand it. And MASTIC WORKER, prepaned to the broken-hearted wife and rephaned children demand it. And candor and sincerity be longer with a sit was? On this question hang opes of the people. If that be the two we cast all we have into the keep of the administration, and dedicate repeated to the administration of the constitution is be expunged—if the Constitution is to be cast aside—if their government by Washington is to be supplainted by Washington is to be supplainted by Washington is to be supplainted to be cast aside—if the government by Washington is to be supplainted to the design that Indiana and her gallant sons is, that Indiana and her gallant sons is, that Indiana and her gallant sons is the particle of the government of the constitution is to be particled. The constitution is the particle of the government of the constitution is to be administration. The constitution is to be supplainted to a great with improved Mastic Cement, cheaper and surface constitution and sould and durable administration and solid interpreted is the only reliable and practical workman in this cement, cheaper and surface, imperior to any done heretofore. MEDICAL TO THE PUBLIC the ignorant and falso by Modest of all denomi-

The important and also:

It y Modest of all denominations, freat secret and
delicate disorders, selfabuse and diseases of
inations common and incident to youths of both
cexes, and adults, single or married. Here are
Dr. Bransfur, Dublishes the fact of his doing
so, the ignorant and falsely modest are drasdfully
shocked, and tailed it a great sin very immoral
and for contamination and corruption among
their wives; promising sons and dearnters. Their
family, physicians should be manticus to keep them
in ignorance that they do the same as Dr. Bransfurge
ingen might be lost to them among studie falsely
modest and presumptions families, born and
raised in ignorance, sprung the a musticons and
who compare society, intelligence, sonse, &c. to
delians and cents, invisationally meanly crility
sotten, it is to publicity however, that numerous
work and graritions are thankful that their
cost, dander arritions are thankful that their
cost, and graritions are completely conhave home-resolved to health and vicer by DR.
BRANETUR, besides many, before and after
mistriage through him have been saved much and
gering, anxiety, mortifications and, Spermaturhea or noctural summissions, are compounds
in a substituted the vesticable Female dicase are treated with marked success—naving hed
over forty years, (40) experience in their treatment in houritals of both the Old World and in
the United States leads him to say—to, all with a
fair trial, height and happiness will again bloom
upon the nuw-palled check. Triffe no longer with
month hands and qualcal, but Jeone and the cured
Consumption and allied its findred discases, of
which so many, annually fill our countries, can
now be refleved; providing her situad to montobanks and quacks, but come and he cured Consumption and all of its fundred dischess, of which so many annually all our contribes an now he relieved; providing her strend to it in time. Full particulars can behalded my treatment by procuring a copy of the Medical Adviser, which is given gratis to all that supply Having the advantage of over, forty years experience and observation, consequently, he has superior chill in the treatment of special diseases, and who is daily consulted by the profess on, as well as recemmended by repectable diffuses, publimary, proprietors of hotels, &c. Office 85 Smithfold street, hear Dismond street. Private communications from all parts of the Union stricting at the dealer.
