

As the oath of the c.

I those who will not take it,
as ociety, are necessarily opagovernment, at least so argue
apidated partizans who expect, by
do their oaths and their other dark
ceedings, to keep themselves in effect.
the dodge won't work—it is rather shallow—but here's the oath:

"I with your named do solemably swear, is their recence of God and these witnesses to support two the little first the subject of the time shallow and fiver and defend the Constitution and dovernment and diverse and the first the same and the constitution and dovernment and the state or platrict against and great of the same and first the same and first the same and t

victions In the sudden rise and equally sudden fall of Know-Nothingism we saw these sissippi in a foreign jurisdiction. Our inreligion and in violation of the Constitution of the United States these men formed their societies and their atrocious teachings swept like a whirlwind throughboth habitation and temple. Even, after cities of Baltimore and New Orleans bellion against the very government, which it pretended to be in danger from Hence has the West fought, and so will what they styled "foreign influence!"

Nothing crusade against the peace and

order of society and the rights of their fellow citizens. Are they not the same did then their solicitude for the government against the danger of "foreign influence?" The purpose of that organization was to secure office, precisely as the object our Union Leagues are to retain it; and he game of both is pretty much the same. The latter, it is true, does not prescribe people, because of their religion feature in both was, and is, pretensionan implident and swaggering assumption of superior patriotism. To secure the offices of the country was the ambition of are, unquestionably, giverned as are the the control, quite as readily, if not more rank and file of every party, by patriotic so, as if won under Democratic aus motives; but the originators of them are pices.

What shall be done in this contingency istration, who are piling up colossal forunes smassed from the blood and agony at the October and November elections is of our soldiers, and the sweat and labor of and will be: The war must be prosecuted us all. The signs of the times last fall, and since admonished these contractors and office holders, that Republicanism necessary, rather than give up the Union, they accept it—sorrowfully, it is true, but the Hatteras by the pirate Alabama, may them below in power something must be the discovered by the property of its proceedings. It is whatever the fortunes of war may be this winter, and especially if success shall at the officers of the Hatteras have and defunciations of those who will not be caught bysuchartifice are calculated upon to effect their purposes; but they won't. The part is power are according to the north as party in power are responsible to the people, this fact they can not dodge by the assumption of a new name. From this stand doint the record will record and not the responsible after the 4th of March, when the new Congress will come stand doint the responsible will record and not the responsible to the responsible after the 4th of March, when the new Congress will record and not the responsible to the responsible to the people will record and not the responsible to the responsible to the responsible to the people will record and the responsible to the people will record as the responsible to the people will record as the responsible to the people will be admit a peace on the old basis and protect them in their fair constitutional rights, then peace is possible after the 4th of March, when the new Congress will come stand point the people will reason, and no sophistry of argument; no loud professions of bounding particism; no sneaking instituations against those who will not assist them in their operations, and no threats of vengeance will deter the people gone on blundering in blood so far, that in the West.

even should it wade no more "Returning were as tedious as go o'er." To the people, the honest masses, who are content to furnish the means for the prosecution of hostilities, the government must look for its preservation. The honest millions scattered throughout the land, are the conservators of this home of the free. To them, and not to secret societies of copulent contractors, comfortable office holders and hungry expectants, do we look for the vindication of our common government against rebellion. Had the common judgment of these millions of our

facts demonstrated. A secret oath bound terests are agricultural, and upon a marand traitorous, organization sprung into ket for our products depends our well-beexistence to oppress their fellow-citizens, ing, almost say our existence. Before the because nature could not choose its origin war we supplied the plantations of the -and its members were obligated to lie in South with their horses and mules, their order to escape detection. Patriotism corn and their bacon. This plantation market consumed most of the products of countries bordering mon the Mississippi was the cloak worn by these dark game countries bordering upon the Mississippi sters who were banded together by an oath, and its tributaries, and any surplus found to violate the Constitution of the country its way to the Atlantic cities and foreign which they professed so much reverence countries through that great river. By for. To cultivate an intense American outlet, and our products, which formerly feeling by the persecution of men for went South, have been thrown upon the the accident of birth and choice of Northern transports and Northern marout the land. "To cultivate this American teeling," they committed all sorts of Presidential election, on the Ohio river outrages upon their fellow citizens, and in mules were worth from one hundred and some localities exhibited the fruits of twenty-five to two hundred and twenty-five to twenty-five to two hundred and twenty-five to two hundred and twenty-five to twenty-five to twenty-five to two hundred and twenty-five to twenty-five to twenty-fi cannot realize more than sixty five to eighty dollars per head, notwithstanding being condemned by 'the sober second thought of the people, this organization horses have depreciated in nearly the same survived in certain localities, and in the ratio. If other portions of the country have found means to make money by the it controlled the local politics of the peoproved an unmitigated burden, which can ple, until, in both cities, it became, and is only be relieved by a restoration of peace now, the central power in the Southern reand of the Union. The former without the latter would render permanent that

more than ten thousand troops above ner quota. It a draft has been necessary in any portion of the West, it has not been where the influence of this plantation marwith at addition of Abolitionism and ren-egade Democrats, who are now sounding we can never consent that the lower Mis-their superior patrictism, even as they I also agree with you that the radical Abolitionists prefer a separation to a re-storation of the Union as it was, with all

the rights of the States as they exist un der the Constitution, including slavery and just so soon as they are convince that a majority of the people of the North and of Congress are determined to admi a peace upon the old basis they will labor for a separation. They seem determined or nativity, but the great distinguishing to invent and practice every provocative possible against the South in order to pro duce and continue a degree of alienation which will prevent them from embracing the tender which the conservative Nort is ready to offer them to return and enjoy Know Nothingism; to etain these offices, besides monopolising the expenditures of one or two thousand millions of dollars of the whole community South, render any mish with them lately. per annum, for as long a period as the war hope that they will the status quo ante lasts, and that is precisely as long as bellum entirely futile at the present molasts, and that is precisely as long as they can continue it,) is the simple and maked purpose of our newly organized Union party. The state they are playing for is an immense one; this county is still the Southeast. Victories must be used from the relation of feeling in the Southeast. Victories must be used from the rolls, and those who are cashier they will likely to reason from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls, and those who are cashier and they can be used from the rolls. rich enough to bleed, and the gentlemen before they will listen to reason from any as privates. now at the head of our Union Leagues Were the Democrats in power to-day, they are precisely the very fellows to strike their lancets in the proper places. The multivide who belong to those Leagues

The answer of ninety-nine in the hundred of those who voted the Democratic ticket conquer the South; but to crush and con-quer the rebellion. If a ten years' war is lyes in power something must be and hence the new organization.—
whatever the fortunes of war may be this stated that the officers of the Hatteras nave tend our arms, and if Mr. Lincoln can be been honorably acquitted of blame. Combrought under Democratic influences, or Captain Engle were the officers of the mising and hurling from power, a necessary consequence upon the determination not to submit to a dismemberment of the Union—which, as before stated, war in a peaceful country, and which has must be looked upon as a settled question

The Northern Democracy stands now To the people, the honest masses, who at all hazards the integrity of the Union, government against rebellion. Had the common judgment of these millions of our countrymen been consulted and heeded by those in power, and their advice taken in the presecution of the war against the rebell, there would now be no need of Union Leagues; the rebellion would long since have been crushed the people would be consented, contractors would not be so rich, and peace, contentment and repose would be smilling throughout the land.

its triumph. While we must prosecute the war to the end proposed, we will do it without malice and without vindictiveness, and upon those humane and Christian principles which should illustrate the civilization of this great republic, and especially when warring with our own brether for the sole purpose that we may here after live with them in peace and amity.—

The taunt of those fanatics who are blinded by rage and the imaginary wrongs of the negro, that we would conduct the war "with kid gloyes" and "so as not to hurt the enemy," shall not drive us back to First Edition

GRANT SURBOUNDING VICKSBURG THE ANDERSON TROOP MUSTERED OUT

SCARCITY OF PROVISIONS IN TENNESSEE

You are undoubtedly correct that the Northwest will never consent to a separation of the Union, leaving the lower Miscorpus, by the executive and his subordinates, was equally a violation of that in-strument. It was upon these measures we took issue with our opponents, and not pealing to the public for food and sup upon a prosecution of the war, and upon plies of bacon, for which he has been au these issues the popular verdict has been thorized to pay fifty cents per pound, or

> At the commencement of the war he one pound of bacon. appoint all the regimental and company officers. At this juncture there were that there has been a great reaction in three hundred thousand volunteers as public sentiment throughout the State sembled and organized in these States, since the adjournment of the Legislature. sembled and organized in these States, held and controlled by the State Governors, and commanded by officers appointed by them, and still subject to their tary orders as their superior officers. Nearly if not quite all of these Governors were clamorous for radical measures-for more encouraged than at present. the proclamation—a measure which they professed to believe would crush the repellion and end the war directly, and that without it there was no hope of success. we have every reason to believe was actual ly contemplated, by at least a portion of these State executives, and who shall say

october and November elections. The true course of the Democratic party in the future is manifest. We must walk in the light of the past. If we would maintain the ascendency already attained and augment our ranks by the accession she fight, not for the desoration of the South, and the final destruction of her of those Republicans who are disgusted and alarmed by the radical points and abolitional leaders and who desire to means and for constitutional ends, we must pursue a course alike dictated by patriotism and by policy. We must heartily and cordially live up to our professions during the canvass. We must show no luke-warmness or hesitancy in sustain

that it would not have been actually ac-

complished had not the President vielded:

Then there would have been no peaceful
