to maintain and demme the believes of the soldier as fast only as the demands of the soldier as fast only as the demands of the soldier as fast only as the government—Congress—turnishes the materials. Pirrsurger, March 31st, '68. E. One only knowledge of the facts which the construct the soldier as fast only as the government.

Union preferved in opposition to public feeling by the mere exertion of coercive powers of the Government, the founda-tion must be laid in the affections of the people, in the security it gives to life, liberty, and prosperity in every quarter of the country, and in the fraternal attach-ment which the citizens of the several to do unless we had personal knowledge of

the country, and in the fraternal attach ment which the citizens of the several States bear to each other as members of the same political family, metually con-tributing to promote each other's happi-ness. *Resolved*. That considering the magni-tude of the rebellion, and the lvacilating policy purshed by the Administration, bending to mine and strengthen the South and weaken the North, we believe the Union cannot be restored and pre-serred by force of arms alone, and are anxious to inaugurate such action, hon-orable alikel to the contending parties, as

orable alike to the contending parties, as will put a stop to the ravages of war, avert universal bankruptcy, and unite the tion : "We are assured that the paymaster" "We are assured that the paymaster's clerk referred to in an article entitled "Stop the Swindling," in Saturday's Tribune, made no proposition in relation to soldiers' claims while in office: that no States on terms of equality. Resolved, That no Union of

on can be maintained in this country until the fanaticism understanding existed between him and f the negro question is eradicated and the doctrine of State sovereignty is acknowl-edged as a fundamental action of the any one else in the employ of the Gov-ernment, nor that such representationa edged as a fundamental action of the government the people of the North must yield up the heresy of Aboli-tionism or else yield up the blessings of the Union; Abolitionism and the Union are incompatible the principle of wish to socid even the apparent, as we Union are incompatible the principle of abolitionism lattacks the people of fif-ipstice. The general statement of the ar-teen States through a domestic institution ticle, however—that a system has grown which is blended with their social fabric. A war of abalitionism is a war against abolitionism. Abolitionism is a war social come to the undiminished from
