ANOTHER REPORT. refer the reader to the preliminary eport of the seven days' battles of the and comp rehensive

GEN. McCLELLAN'S REPORT. of the battles of South .nd Antietam, published in our and patriotic McClellan, has, less, been perused by all our read-It was written upon the 15th of October, and from that period until the day

of its publication it rested among mouldering manuscripts and antique records, engagements of the war in Virginia quietly hung up, as if no report at all had been made of them? The answer is easy gallant achievements of his army upon lar and the occasions referred to was too much a few days ago. Cause—whisky. forhis radical persecutors to withstand .suppressed it, and in its stead gave us slander and detraction of its author? Instead of allowing him the poor privilege of telling his own story a right denied to no one else—his report ppressed, and slander and intrigue immediately instituted to effect his re moval. The reason given by Gen. Halleds to the War Department, justifying

not pursue Gen Lee after the battle of Antietam." McClellan's account of that bloody and obstinate engagement shows, beyond cavil, that our army was in no condition to embark in any such desperate undertaking. His army was not any larger than Gen. Lee's they had fought from Cases of Colonel Frick and Lieutenant-Colonel Armstrong, of the One Hundred and Twenty-ninth Penusylvania Volunthan Gen. Lee's they had fought from c. ntre being all engaged at the same time teers, dismissed for refusing to obey an and for one to talk of an army that order requiring them to make a requisition for dress coats, their regiment being supported in the support of the support had been thus engaged for fifteen hours, in desperate conflict, pursuing and cap and those officers return to their comturing their opponents, consisting of equal mands. numbers, will strike any one as the heighth of absurdity. And yet upon this charge did Halleck base his letter justifying Gen. McClellan's removal. Had the eastern Tennessee. The mountaineers report which we resterday published, been given to the country, it would have shown pursue the rebels and the falsity of Halleck's charges would have been exposed. The reader will perceive how slight was the presext required to prostrate McClellan.

resolved upon the sacrifice. army out of a rabble, until the day of his dismissal, how have things been improved since? Has the army of the Potomac got. any nearer to Richmond since McClellan whipped Lee at Antietam; and what has it Rooms, 19 Craven street, London, Engdone since that memorable occasion t. It land, for the week ending March 3d, 1863 : advanced against the fortifiations at Fred Josiah J. White, Newton, Massachusetts; ericksburg, by which ten thousand killed and wounded upon our side attested the Taylor and Lady, Connecticut; E. Thayer, Since then it has remained in quietude, John J. Howell, Philadelphia; J. P. without even an indication of an advance. Is not the patience of the Abolition leaders fornis; F. Woodward, Californis; W. P. Page, New York; D. B. Page, New York; Geo. Parsons, Wilmington. really extraordinary? Twenty months ago nothing but a march upon Richmond would answer; we did advance to our sorrow. On the fifth of March a year ago McClellan put his army in motion and before this time in the following Apri transported them to the Peninsula, and commenced the stege of Yorktown. This General, who was dismissed the service General, who was dismissed the service to make way for a more expeditious commander, commenced his campaign last spring, in the beginning of March, while

We do not desire the reader to infer in a long leather purse. The day after of the enemy. It was necessary to fight from what we here say that we are disposition, and find fault with Gen. Hooker; he is in transacting business, and on his at any cost, until night, and in the mean in whate we should not have are quiposed to find fault with Gen. Hooker, he is in transacting business, and on his doubless as skilful as he is brave; our only desire is to expose the fell spirit of holditionism, which resorted to such contamptible meanness to prostrate a truous and able officer. Had these fanatics labbred as industrously for the suppression of the rebellion as they have for McClellan's removal, the rebellion would not show such giant proportions as it does. His dismissal, however, they placed above everything else, and now that he is relieved, they still pursue with its contents all safe, except that the noites were very. Of course that the place of his dream, in a few seconds the index would be found as tast he procured a man, with a small band that repelled the attacks of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the index of the place of his dream, in a few seconds the individual of the notion of the energy of t The government emigration officials at have secured his removal, show a malice which every soldier of the Potomac feels like tramming down the throats of his assillants. The last effort to finally prostrate the idol of the army is about being made; it is the long talked of and well sounded report of the Congressional Commoder.

The government emigration officials at Liverpool have just issued their usual when the enemy discontinued his attack. During the night the final withdrawal of the right wing across the Chickahominy was completed, without difficulty and without difficulty and without difficulty and without difficulty and with out confusion, a portion of the regulars remaining on the left bank until the morning of the 28th. Early on that morning the bridges were burned, and the whole larmy was thus concentrated on the right.

I mited States, having on board 4.230 pas-

THE BATTLES ON THE PENIN-1 sition covering the roads leading from SULA.

The Washington Republican publishes as "furnished by the Government," the as "furnished by the Government," the Oak Swamp, and were placed in position following preliminary report by General to cover the passage of the remaining diMcClellan of a portion of the operations visions and trains. In the course of the

narrative of the operations of this army since the 25th ultimo. since the 25th ultimo:

On the 24th of June I received information that appeared entitled to some credit, that Gen. Jackson was at Freder theless, the result was that two attacks of mation that appeared entitled to some credit, that Gen. Jackson was at Freder the enemy—one a very determined onset ing of his own division, with those of Ewell and Whiting, and that his intention was to assisted in the last by Smith's division of attack our right flank and rear, in order to the sixth corps. These are the two actions of Allen was the sixth corps. throw the right wing of the army into the Chickahominy. Fortunately, I had a few days before provided against this contingency by ordering a number of transports to the James river, loaded with commissioned, and was not in action during that some contingual to the state of the swamp before dark, having left its position before the hour assigned, and was not in action during that some continuous states of the swamp before dark, having left its position before the hour assigned, and was not in action during that sary, quartermaster, and ordnance supplies. day, (the 29th.) The second corps and I therefore felt free to watch the enemy Smith's division safely crossed the swamp

Just as the new line was gained, I was had passed the White Oak Swamp, and to called from the field by intelligence which guard the passage of our large trains to tended very strongly to confirm the belief that Jackson was really approaching.

I immediately repaired to the camp of General Fitz John Porter, commanding they were posted about as follows: Poron the right of the Chickahominy, to obtain further information and arrange the Syker and the mass of the reserve arrangements for the morrow. On was a Siller on Melecan Hill, the left of the follows:

Bridge and Mechanicsville, and to give disposition.

McCall immediate notice of the enemy's The result of the various actions of the approach. Porter's remaining troops vere to be held in reserve, ready to act according to circumstances. The centre where repulsed, except in his attack appeand left of the army were also to be held McCall's division, which, hard pressed by

trinsically a very strong one, was less liable to be turned on either flank than any position in advance of it, and brought the army in a more concentrated and manage able position. Our position on the right of the right the right that place, all ariving in safety and united the right of the right of the right of the right of the morning.

in several columns, in the vicinity of Me-chanicsville and Meadow Bridge, and atchanicsville and Meadow Bridge, and attacked McCall in his position at Beaver tacked McCall in his position at Beaver to hance the mean tacked McCall in his position at Beaver to hard tacked McCall in his position at Beaver to hard tacked McCall in his position at Beaver to hard the mean that we constantly repulsed, with but titute 1055 on on. I saw that in the faces and bearing part of the enemy. The contest ceased here about 9 P. M., the enemy leaving us in fall possession of every part of the field of of battle. During the action McCall was supported by the brigades of Martindale and Griffin, of the division of Morell.—

While this was going on there were some is sharp affairs of pickets on the centre and help to the brigades of Sickles and Meagher. It was desperate, brave, and determined, but so destructive was the fire of our numerous artillery, so left, but nothing of a serious nature.

By this time I had certain information

strong force, from Hanover Court-house, so admirable the dispositions of Porter, and that his advance guard had probably participated in the battle of Beaver Dam creek. This rendered that position untenable. I therefore determined still fur-ther to concentrate the army by withdrawing Porter's command to a position near Gaines' Mill, where he could rest both his flanks on the Chickshominy, and cover the most important bridges over that stream. The wagons and heavy guns were withdrawn during the night, the troops falling back to their new position early in the morning. The enemy attacked Seymour's brigade, constituting the rear guard of the division of McCall, but were sharply repulsed and the wages heavyly repulsed.

were sharply repulsed, and the movement was not further molested. In the course of the morning of the 27th, In the course of the morning of the 27th, Accordingly the army fell back during the received intelligence that Longstreet's night of the 1st and 2d July, reaching the corps was at Mechanicsville, ready to move down on either bank of the Chickshominy, according to circumstances. This intelligence, and many threatening movements of the enemy on various parts of the centre and left, placed a limit to the amount of the reinforcements available dict will be that no such difficult move for the support of Porter. Under the ment was ever more successfully execu circumstances, it was impossible to with-d aw him to the right bank of the Chickahominy by daylight. The enemy were so close upon him that the attempt would with him gold and bank notes to the have insured the loss of a large portion of amount of nearly £4,000, which he kept ced our right flank and rear at the mercy
