NAMES.

vode, Julien and Cdell-purporting to be the force of arms, or foreign mediation. a review of the incidents of the war This is our desire at present, and the Gangainst the rebels should be denominated will oblige us by proving from this ted a covert and malignant attack upon that we are less loyal than those who Gen. McClellan. The style of men com- like itself, define loyalty to be in favor of posing the committee was of itself suffi- nothing but blood and slaughter, but who cient to satisfy any one that the utter entertain so lively an appreciation of a prostration of the object of their fears and whole skin as to prevent them from prac conduct of the armies in the field was traitor in the Gaztte's estimation now in their intention. The report itself demonth the North is Mr. Seymour, of Connectistrates this beyond all question, for in out, for the reason that he is for restoring stead of its being devoted to an exposition, if he can, by other means than tion of the different operations of our the sword. He says: armies in various localities; it is almost exclusively devoted to the army in Virginia, made up of garbled testimony against General McClellan, and excusing every blunder committed by other generals. The report is as shameless and malignant an attack upon the reputation of a gallant officer as ever emenated from the brains of rofligate politicians. For eighteen months they have been preparing their indictment, but it is so notoriously partizan that it nust fail before the rigid examination to which it will soon be subjected: Extreme aution seems, in the committee's estimaion to be McClellan's greatest fault, but if he absence of results be an evidence of imidity, we do not see how the leaders of the Potomac, since McClellan's removal,

To give the reader an idea of the chercter of this report, we need only to alude to the disposition it makes of Gen. on Wednesday, the 20th ult. : cope's campaign and the battle of nood of McClellar's failure to reinforce him, when it is well established that he sent to Pope's assistance all the forces he of the Democratic party. had at his command. The Committee are very brief in this part of the report, devoting only a few paragraphs to it, of which in a following paragraphs to it, of which is a following paragraphs.

ave improved upon his mode of pro-

"The circumstances connected with the cambinary of Virginia have been so fully investigated by the military courts in the cases of several McDowell and Gen. Fitz John Porter, the proceedings of which were public, that your ammittee have not deemed it necessary to make they would otherwise have done. They refer, the process and the country of the Republic.

The Resolved, That we enter our solemn protest against arrests by the military completed for the complete of the Republic. destruction of the Republic.

Resolved, That we enter our solemn for the championship of England, was produced in relation to the delays in the for interiors, or of General Sumner's and Gen. Frankfording of General Sumner's and General Sumn

McClellan fought the victorious rebels inder Lee with the same army that had been so terribly decimated under Pope) are alluded to, and testimony garbled to rob inclellan of these achievements. Next collows the account of the fatal battle of the fredericksburg, the most disastrous of the war, which the Committee excuse by blam will fulfil our obligations as citizens, to ing its results, not upon Burnside, who committeed, but upon Gen. Frenklin, who was unable to execute the former's order

States.

Resolved, That secession and Abolition are alike dangerous and pernicious doctrines, both attempting, though by different means, the destruction of the Union of our fathers, and of the 'best government ever devised by either God or man.'

Resolved, That, while we recognize and will fulfil our obligations as citizens, to support the President and Congress in alike dangerous and pernicious doctrines, both attempting, though by different means, the destruction of the Union of our fathers, and of the 'best government ever devised by either God or man.'

Resolved, That secession and Abolition are alike dangerous and pernicious doctrines, both attempting, though by different means, the destruction of the 'best government ever devised by either God or man.'

Resolved, That secession and Abolition are alike dangerous and pernicious doctrines, both attempting, though by different means, the destruction of the 'best government ever devised by either God or man.'

Resolved, That, while we recognize and will fulfil our obligations as citizens, to support the President and Congress in all their constitutional acts, whether in the general administration of the government ever devised by either God or man.'

Statistical Bureau.

George B. Smith, of Chicago, formerly connected with the Springfield, (Mass.) Republican, has been appointed chief inded, but upon Gen. Frenklin, who former's order of force the rebel fortifications. Gen. all their constitutional acts, whether in the general administration of the government or the vigorous prosecution of the rapellion, war for the suppression of the rebellion, privilege to express our earnest desire for an honorable peace, and to announce our willingness to agree to any terms not integrity of the nation, to attain that bless dustry and energy required for his new position.

\*\*Resolved\*\* The All Statistical Bureau.\*\*

George B. Smith, of Chicago, formerly connected with the Springfield, (Mass.) Republican, has been appointed chief chief the war for the suppression of the rebellion, and the war for the suppression of the rebellion, war for the suppression of the rebellion, privilege to express our earnest desire for an honorable peace, and to announce our willingness to agree to any terms not integrity of the nation, to attain that bless dustry and energy required for his new provided the resolution of the government of the springfield, (Mass.) Republican, has been appointed chief the presence of the statistical Bureau.

\*\*Resolved\*\* The resolution of the government of the government of the government of the repeal acts, whether in the government of the power of the suppression of the rebellion, the governmen apt upon the part of malignant aboling politicians to utterly destroy the obling of their attack. But the malice of it solved, and the pay of the private soldiers should be increased, and the pay of commissioned officers correspondingly reduced, and that all officers not needed to cottal service should be dismissed.

non-receive the sauction of "the sober scoond thought of the people." Wade, Chendler, Covode & Co., have only slightly "scotched the snake, not killed the sountry solder. it, while their poor malice remains in anger of its increasing strength.

CONNECTICUT ELECTION. Carried the election on Monday last in Connecticut, their majority being nearly three thousand; in 1860, Mr. Lincoln three thousand; in 1860, Mr. Lincoln ristance to the drait, and the collection bear Donglas, Breckinridge and Bell of United States taxes, that we denounce united, 10,292, being a Republican loss such meetings, if any have been held, and deny all complicity in such proceedings. Hon. Samuel Marshall, of Adams town.

Hon. Samuel Marshall, of Adams town. sing that time of over 7,000 votes. Not withstanding this decline of Abolitionism ship and Samuel P. Irvin, Esq., of Butler township, were elected delegates to the State Convention, and James Dunlap and Dr. Joseph Lusk, were elected alternate

sorted to by the Administration to carry the late elections in New England our surprise is that they permitted tilities in order to restore the Union, we

NEWS ITEMS.

A Draft Expected. It is asserted, in quarters entitled to credit, that a draft will soon he made to fill up all regiments now in the field, decimated by the casualties, of war, to their proper standard. It is not yet known how many it will require, but probably near 200,000. The drafted men will be field, and not in camps of instruction, as has been proposed.

A New Idea. Capt. Coulter, formerly of the Eleventh Pennsylvania regiment, who lost his arm at Fredericksburgh, has obtained the sanc-tion of the President to raise a brigade composed of men who through disability war of generations. On the contrary, we are unfitted for active duty in the field.—
These troops will be used for Provost, amongst us and direct the nation to speedy peace by any means not inconsistent with its honor, whether it be through negotiations,

Defalcation of an Army Officer John W. Howland, of Pittsfield, Mas sachusetts, recently appointed Commissary of Subsistence in the Army, has ab sary of Subsistence in the Army, has no-sconded with \$16,500 of government mon-ey, and a large amount of securities which were placed in his hands while acting as Division Quartermaster. The aggregate value of the securities in his possession is said to be nearly \$100,000, but he will not be able to realize on them, payment having been stopped.

A Battle Flag. Lieutenant O'Neill, of the old Sixty ninth (Irish) regiment, now on the Rap-pahannock, writes to his sister: "On colors are merely a bundle of blood-stain ed silk rags tied on a broken pole, as a dozen battles are rather damaging to piece of silk cloth." A whole history i old in these few lines.

Six Per Cent Bonds. The demand for the five twenty year six per cent. bonds, from all parts of the country, has been so great that it has been determined by the Secretary of the Treas ury to facilitate their negotiation by plaling them with the various Assistant Preasurers from whom they can be ob-tained either for investment of sale.

A Good Year's Business. pool and London Insurance Company, i appears that the fire premiums amount to \$2,180,325, and the losses to \$1,408,280 the total income to \$3,250,000; the bal ance of profit and loss was \$1,132,215. The total assets are \$7,889,036.

New York Bounty. A bill is pending in the legislature of New York providing for a renewal of the State bounty to recruits for New York regiments in the field. Its passage is warmly urged, with the suggestion that its action be made retrospective, so as to include all recruits since the expiration of

American Affairs in the English Parliament. In the House of Commons, on the 20th Seymour Fitzgerald gave notice that he would, on the 23d, ask whether the Gov ernment had accepted or intended to accept a proposal of President Lincoln as to the communication between England and the United States, to inquire into any just complaints of the violation of neutral

The Heenan and King Match.

The "Prince Imperial."

Food vs. Tobacco. The people of Nelson county, Va., held, on the 23d instant, a public meeting, at on the 23d instant, a public meeting, at which a series of resolutions were passed, protesting that the best interests of the State absolutely require that every man, unless he is blind or indifferent to the fate of his country, should entirely abandon the cultivation of tobacco, and devote all the cultivation of tobacco.

The Result of Crime. The Boston papers tell a piteous story of Mrs. Tuckerman, formerly one of the most brilliant ladies in Bosten society.
Her husband swindled the Eastern Rail.

Ct., road Company as its Treasurer, and is now serving out an eight years' term in the Connecticut State Prison, for robbing the mails. His wife clung to him through all his disgrace; but finally, it is said, that, losing hope and friends. she took to strong drink, and the last scene was in the Police Court where she stood a wreck of her for

Soldiers in Hospitals. The number of soldiers registered on he books of the Sanitary Commission, is having entered the hospitals since Nov. as having entered the hospitals since Nov. 1st, 1862, is as follows: Central Office, Washington, 58,000. Louisville, 60,000. New York, 7,000. Philadelphia, 6,000. otal, 141,0000
