THURSDAY MORNING, APRIL 9. CITY AND NEIGHBOBHOOD INTELLIGENCE

Thanks to the Ladies of Pennsylvania,

In the House of Representatives, or Ionnay, Mr. Shannon, from the committes on the subject, reported joint resolu-tionathanking the ladies of Pennsylvania

tiona thanking the ladies of Pennsylvania for their noble and patriotic action for the relief of our soldiers, in which were espe-cally named the Cooper Volunteer Refresh mant saloon, of Philadelphia, and the Sub-sisteme Committee of Pittsburgh. Numerous amendments were then of dies' and societies in the Commonwealth were incorporated in the resolutions. New reside or possible to the taxpayers for the sole benefit of one class of her creditors while all others are compelled to receive their dues in the currency of the Government; and whereas it and societies in the resolutions. There is no sewing in the worlds and beautiful as that perform the Wheeler & Wilson machine, every lady has not one by her fi why she don't understand her the 's all we have to say. Grover & Baxes's Edwing Machines, in A. F. CHATONAY, General / A. F. CHATONAY, General /

were incorporated in the resolutions. Mr. Barger objected to these indiscrimis the duty of the Legislature to pass equal and just laws for the protection and benefit of all the citizens of the Common-wealth, and not to pass special acts for the benefit of one class of her creditors to the information of the contact of the special acts and the second the protect of the second second second second second second the protect of the second se inate amendments, by which the resolutions were to be borne down by the weight to of all the institutions in the State. The of all the institutions in the State. The Coopers' volunteer refreshment saloon of Philadelphia was especially mentioned because it was the largest in the State. having spent over \$40,000 during the past year for the benefit of our soldiers. Mr. Smith (Chester) said it was wrong to esp cially nametwo or three societies, when he was certain that the country so-ciptions by dentity of Angust next. be and the same is

Mr. Sinith (Chester) said it was wrong to esp dially name two or three societies, when he was certain that the country so-cieties had sent to Philadelphia more than three times the amount that Philadelphia herself had contributed. Mr. Shannon said that the labors of the site societies had been of a neculiar and

city societies had been of a peculiar and extraordinary character, such as awaiting the arrival of trains at night-time, Another Legal Holiday.

the arrival of trains at night-time, re-quiring them to have their table spread al-most continually. His speech was an elo-ality of the citizens of Philadelphia and Pittsburgh. The original resolutions as amonded

were their reconsidered, and the amended, ments being stricken out, the resolutions were again amended by including thanks to the ladies and counties of the Gommon to the ladies and citizens of the different secular day preceding, protest on non-payment at time mentioned. *Provided*, to the soldiers of the United States while to the soldiers of the United States while passing through their respective places The resolutions thus amended then passe notice or protest made or given as here tofore, at the option of the holder, no finally. shall the same be construed as to vary the rights or liabilities of the parties to any such instruments herebefore executed....

Payment of the State Militia. The act passed in the House to pay the militia called out by the Governor last Sep-

The rules were suspended, and the bill tember, entitles each officer, non-commis-sioned officer and private to one month' passed finally.

sioned officer and private to one month's pay, at the rate prescribed by act of Con-gress for United States regulars or volun-teers. Wartants are to be drawn in favor of each persion by the Adjutant General of the State upon the State Treasurer, which warrants mist be countersigned by the Auditor General. The last section author-izes the Governor to receive from the mapropriated by an act of the late Congress of the United States the amount sistence of the militia thus mustered into service, and to accept the same in full of such pay and subsistence, the State of Demonstrates are induced by the section at the tot the directions. Site constrained by an act of the state of the States of the section at the super the same in full of such pay and to accept the same in full of such pay and to accept the same in full of such pay and subsistence, the State of the subsistence, the State of the subsistence, the State of the such pay and to the state of such pay and to the state of the subsistence, the State of the State subsistence, the State of the subsistence, the State of t such pay and subsistence, the State of inquest, and the jury found a verdict of according to provisions of this act.
