CITY AND NEIGHBORHOOD INTELLIGENOR Decisions of the Secretary of the

Treasury. The following decision has been made by the Secretary of the Treasury, of ques-tions arising from appeals by importers from the decisions of Collectors, of cer-

tain sticles entered at the ports of Bos-ton, New York, &c: Benzole or benzine, as it most closely resembles spirits of tur-pentine, is subject to the same duty, viz., 15 cents per galion. The exaction of \$6 per ton on old iron

 one of the most crowded and business
streets in our city. On St. Clair street at the end of the bridge Mr. John Bisssell, is now erecting four large four story iron front warehouses, which will add much to the appearance of the street and bridge. On the Allegheny side, between Stockton. Avenue and Water street, most of the buildings are to be removed, on both sides of Federal street and handsome iron front warehouses are being erected. In another boilers is overruled for the reason, among several others, that to constitute an importation within the pure meaning of the law, the arrival must be voluntary with the intent to import, which was not so in this warehouses are being erected. In anothe year we doubt if a finer built street of the

Tanned calf skins were properly assess same length can be found in any city. ed at 30 per centum, the act of July last imposing an additional duty of 5 per cen-Barge Building.

Explosion on the Pennsylvania next session. Railroad.

Gas in Manchester.

About e leven o'clock, yesterday morn ing, as a freight train going Eastward on making of the Pennsylvania Railroad, was passing into the The Manchester borough council making an effort to have gas introduced into the borough. The Allegheny Gas the Pennsylvania Mailroad, was passing Denny's carve, opposite Lawrenceville, a keg of powder, exploded, from some un-known cause, shattering to atoms the car in which it had been placed and one or two others. The car was laden with am-munition which, with some cannon, in an. in which it has been placed and one or two others. The car was laden with am-munition which, with some cannon, in an. other car, and a lot of candles, groceries, &c., in a third, were scattered about in light Beaver street, by means of some twenty lamps, located at the corners of the vicinity of the track for some distance One car was thrown over the embankmen

cross streets. The committee of the bor-ough council was instructed to ascertain definitely how many citizens will bind themselves to take the gas. and the rest of the train was more or less injured. The explosion shock the houses in the vicinity, breaking some windows, and occasigned a good deal of alarm; it Chartered. The Cooper Fire Arms Manufacturing being rumored that another explosion had

occurred at the arsenal laboratory, that a locomotive had blown up, etc. Fortu-nately no one on the train was injured, all Co: has been chartered by the Legisla-ture and stock subscription books are to e opened next week. employed on it were in the front or rear

their newspapers out of our hands, but the Government has information that Richmond journals of the 4th, contain tel-egrams from Charleston announcing that eight iron clads are off the bar, and that

eight iron clads are off the bar, and that the day of conflict is at hand. It is evident from the toone of the com-ments in the Bichmond jonrnals on this intelligence that they are not so confident of the strength of the elaborately pre-pared defences of Charleston against our iron clads, as they would have the world believe, and the foreign ministers here ap-pear to think the unwillingness of the rebels to let their papers of a later date than the 4th reach us so significant of good news for the country.
