CITY AND NEIGHBORHOOD INTELLIGENCE

A Settlement at Last.

A settlement at Last. It is at length aunounced, evidently by authority, that the railroad debt of Alle-gate to over \$1,000,000, has been compro-mised. At the last session of the Legis-lature a bill was passed, giving the county promise with the bondholders and issue new bonds for those held by the latter.— The terms of compromise proposed by this act were submitted to the attorneys for the bondholders held gath and, after due consideration, they recommended their cliunts to accept the proposed basis, as It is at length announced, evidently by authority, that the railroad debt of Alle

Improvements.

consideration, they recommended their clit nts to accept the proposed basis, as the best the county could offer un-der the circumstances. Some ne gotistic on between Mr. Lambert and the bohndholdars followed, resulting in the acceptance of the terms offered, and the compromise of the entire debt of the ecompromise are, that the county shall is-

county, amounting with interest, as sta-ted, to over \$3,000 000. The terms of the compromise are, that the county shall is sue new bonds for the old, bearing five per cent interest and having fifty years to run. Bonds shall also be issued for the back in-terest and for the judgments obtained against the county, bearing five per cent. The old bends shall be deposited in the Bank of Pittsburgh for five years, as a guarantee that the interest will be paid on the new bonds, and Messrs. George P. Hamilton, T. J. Bigham and R. M. Cust the arrangement is fairly and fully carried out. The terms are quite as favorable as could be expected and will worthink the set could be expected and will worthink the terms and faulty carried could be expected and will worthink the terms and faulty carried could be expected and will worthink the terms and and fully carried could be expected and will worthink the terms are quite as favorable as could be expected and will worthink the terms and faulty carried could be expected and will worthink the terms and faulty carried could be expected and will worthink the terms and faulty carried could be expected and will worthink the terms and and intervent the terms and and intervent the terms and and intervent the terms and and will worthink the terms and and will worthink the terms and and and the terms and and the terms and and and will worthink the terms and and the terms and and the terms and and and the terms will say it s a good outlay. Worther terms and and will worthink the terms and and and the terms and and will worthink the terms and and will worthink the terms an

The terms are quite as favorable as could be expected and will, we think, sation of contention among us is now finally disposed of. We have no donbt that the interest on the new bonds will be entered by and the subject of the city indebtedness being ere prospect of the city indebtedness being ere torg arranged in a manner equally satisfactory.
