J. DIAMOND, Practical Optician, Manufacturer of the Russian Pebble Spectacles, jaule i No. 89 Fifth street, Post Building could not obtain any other reply than that

than the regular paper currency. We suppose they do not understand that cents suppose they do not understand that cents and three cent pieces are not worth what they pass for, and that they are not a legal tender for the payment of debts amount-ing to more than 30 cents. A person may heard three cent pieces to the amount of hundreds of dollars, but he cannot not

ceiving it was not the Doctor, 1 request ed to know the object of his halting me, hundreds of dollars; but he cannot pay debts with them or use them at all in busiand his name, fank and authority, but could not obtain any other reply than that it was none of my G -d d d basiness. I repeated the question several times, and received similar answers, with the excep-tion that the countersign was not demand-ed more than once, and he added, "You cannot pass here." I expostilated with him upon such con-duct and table has not con-the knew who he was talking to, and then they are intrinsically worth, in order to there and stop me from proceeding, and that he must let me pass. I asked him if he knew who he was talking to, and then gave him my name and rank, telling him they there to the front under ness transactions beyond the amount specified, if others refuse to take them; that he must let me pass. I asked him if he knew who he was talking to, and then gave him my name and rank, telling him also that I was going to the front under orders, and even my business there; but it was of no avail. He answered, "I do not care a G-d d-n who von are." which I had every reason to fear, and the duty that was incambent upon me at that particular time, when an attack upon out ines was apprehended, would have justi-hed me, in my own mind, in taking the measure I then did. As soldiers of long service, I am convinced that you will rec ognize the necessity and lawtalness of the act, however much you may regret that it was caused by one of your number, and none does more than myself. Although that I am aware of, I had learned to re-spect him for his gallantry in seyeral en-gagements of the present war. It was not gagements of the present war. It was not who it was; but had he been my best of intelligent visitors attest its value and friend I cannot see how it could have refriend I cannot see how it could have re-sulted otherwise, from the part he acted on that occasion. With no authority to demand the countersign, I would have been dereliet in my duty had I yielded to his demand. His refusal to give me his name or rank, or any information about him, or upon what authority, if any, he assumed to act (the fact being, as you are importance as a great numismatic collec-
