After he has been regularly exchanged, then there will be nothing in the way of his discharge, as it was clearly proved on the investigation that the enlistment was illegal. PASSAGE FROM PASSAGE THE PASSAGE THE THE "OLD COUNTRY." Convention of Wool Growers. A convention of wool growers, quite largely attended, was held at Cleveland last week. The principal topic discussed

hargery attended, was held at Cleveland last week. The principal topic discussed was whether shearing should be done be-fore or after washing. After a careful consideration of the question; it was re-solved that the practice of washing sheep be abolished, because, First-It permits of early shearing, which secures a greater quantity of wool, a longer staple and a bet-ter condition of sheep and lambs, through the year. Second-Of the exposure to contagious disease, such as each, foot rot, &c., in places frequented by different flocks to be washed. Third-it is an ex-pensive, unpleasant job, and unhealthy both for man and sheep. Fourth-That the manufacturer must cleanse the wool at all events, and he can do it cheaper than all events, and he can do it cheaper than the grower. Fifth-That it is to the inter-It is stated that the small pox has broken the grower. Fifth—That it is to the inter-est of wool growers to put their unwashed wool in as good condition as possible, by heeping their work as of the inter-interval as the interval as the interval as the interval as the interval less than seven cases being reported in one house. keeping their yards well littered, and by throwing away all filth that can be separa

Convicted. ted from the wool. Sixth-Some lots of John Nolan, coal merchant of Wheel-ing, has been convicted before the United States Court for attempting to evade the excise law and fined \$1,000 and costs. ted from the wool. Sixtu-Source lots of wool are more gross and gummy than oth-ers, therefore no rate of deduction could be agreed upon, suitable to all grades and classes, but that each lot should be bought upon its own merits for quality and condi Graduated

tion. Seventh—As generally practiced, washing is little or no improvement to the fleece.
