MONDAY MORNING, APRIL 27.

CHANGING THEIR TACTICS. ple is from denned meas as to a merchine life, after it, was determined that 1 col and the ruder their religion, the ruder are no longer be of use in the army; that their government and laws. When, in the desired no public position of any ki latter nart of the last century France, comticed by our opponents consisted in open and palpable charges of dialoyalty against the ever faithful Democracy. As soon as the campaigns in these States fairly ed, the God of their fathers and est up the there drages of dialoyalty against the ever faithful Democracy. As soon as played their infadelity, and the mode, follow-ingtheir example, dithroned, asthey boast. To be stamped by the Abolitionists upon the extrement, the ever faithful Democracy. The result of the elections in both Pennaylvania and New York revealed the extraordinary difference and they naturally by here ould not be expected a regular there could not be expected a regular the test of a moment's reflection, among the legal voters of each. To per shift to lost states referred to commence oudgeling the test of a moment's reflection, and consultant to look on the ministers of the properties of a moment's reflection, and consultant to look on the ministers of the properties of a moment's reflection, and consideration. There is no quicker or sure that consil with a solution was to their religion with contempt, either by the value agrees and consideration. There is no quicker or sure that to do the ministers of the properties of a moment's reflection, and consideration. There is no quicker or sure that consult with a solut to consult with a solut to consult with a sub consult with a solut to consult with a sub consult with a solut to consult with a solut to consult with a sub consult with a solut to consult with a sub consult with a sub consult with a solut to consult with a sub consult with a sub consult with a solut to consult with a sub consult with a solut to consult with a sub consult with a sub consult with a solut the result of their shares of the infinites the sub difference and they is a sub consult with a sub consult with a solut to consult with a sub consult with a by which to prop their tottering cause.— Union Leagues were the result of their de-liberations; knowing the undying attach in Union of the States, these Abolition of the Abolition of the States, these Abolition of the States, these Abolition of the States about the states abou ment of the Democracy of the country to the Union of the States, these Abolition dismionists, who, for a quarter of a centu-ry denounced and ridiculed us for being "Union Savers," imagined that by a pre-tence of sudden love for the Union they could bamboocle usinto "Leagues" intenddismionisty, who, for a quarter of a centu ry denounced and ridiculed us for being "Union Savers," imagined that by a pre-tence of sudden love for the Union they could bamboosle usinto "Leagues" intend ed to keep them in power, and to prolong a civil war, which will beggar the masses of our people, while the designing knaves be-hind the curtain are amassing fabulous fortanes. To compass their designs they have changed their tacijes. Instead of de-tence of and et in the rational definition of the perpetuity of our government is the apparent satisfaction or silent acqui-statisfy because of these times and the given met and the given met have changed their tacijes. Instead of de-termined the rational definition of the perpetuity of our government is the apparent satisfaction or silent acqui-statisfy because of these times and the given met have changed their tacijes. Instead of de-termined the rational definition of the perpetuity of our government is the apparent satisfaction or silent acqui-secence with which the tion exemption of ridgers, Copperheads and Butterbuts, we are invited to take cushioned seats in front pews-provided we sing the lines given out supposed there was a country under Heav by our abolition leaders. The truth is that en where any religion was received and those who endeavored, a few monthssince, those who endeavored, a few monthssince, to poison us with political arsenic, are now administering to us what appears to be rather pleasant beverages. But we sus-pect their mixtures, and will not swallow them; we remember their treatment last fall, when they suggested halters and gas-tian the sume time. This is a disgraceful punishment, next only to that of death for fall, when they suggested halters and gas-posts and determinedly decline their nos-trums. To partake of their compounds would be like feeding a rat upon ginger-trums determined from the consider the comparatively small when we consider the comparatively small the crimes of a mere Second Lieutenant. Conduct of the War, and generally sup-posed to have been embraced in this would be like feeding a rat upon ginger-

bread and arsenic - death were sure to follow obtained from this class, one could imagthe agreeable and sumptuous repast. the agreeable and sumptions repast. We can stand the abuse, and slander, and persecutions of abolitionism with mar-velous fortitude, but when it resorts to de ine that the feelings of a large portion of the administration may find that they have pandered to and fostered a spirit of infi we confess cur inability. For instance pandered to and lostered a spirit of init delity and radicalism, that if it once obtain will sweep not only them but our beloved Constitution and the Union of States from the face of the earth. After this stab at the religion of the Lord of Hosts in the read the following smooth and softening lines from the New York Times, a paper which lastfall insisted upon the Democratwhich last fall insisted apon the Deinocrat-"The masses of all participation of the president's call. If therewas, in fact, any difference in the vehemence with which this was done, it was in favor of the Denocrats, or, at least, the larger portion of the Denocrats, or, at that they had borne the deceptions and imposi-tions of the veremies of the Union so long made the relound all the more signal when it came.-There was not only patriotic, but party and per-sonal resentment to impol them, for party and person had been betrayed as well as country.-Had not the Democratic masses thus responded-had the antagonism between the 1,22,000 Anti-Limeoby voters, in 1860, in the present loyal States and the 1,557,000 Lincoln voters, continued-the rede fag rould long ere this have been floating from the done of eur National Capitol, and the ab olute conquest of the North by the S are Power would hare been made inseitable." sonal resentiuent to impel them, for party and Bad not the Democratic masses thus reponded had the 1,557,000 Lincoln voters, continued—the incol voters, in 1920, in the present logal States and the 1,557,000 Lincoln voters, continued—the is not nore free now than it was when the ioryal States are determined that this Dem. Ioval States are determined that this Dem. ceratic government, which, under Demo-cratic thition, reached so magnificent a po-sition amongst the nations of the earth, aball he perpetual. They have taken their evertasting stand upon this point, and they mere the only party in the country's salvation-the signs of abolitionists. The originators of our Union Leagues mever were for the Union, and are not signs of abolitionists. The originators of our Union Leagness never were for the Union, and are not now. Their design, in assuming a Union name, is to deceive the people and keep themsalves in power. Persons who are willing to be considered califfs and para-sites for a little office, or for a seat for three months in the Legislature, may be induced tojoin their comtinations, but they do so from mercenary motives. The imass es, however, who know the Democracy to be the true and only Union party which the country has ever known, can not be deceived by such false and transparent The testimony of Gen. Burnside under this head, and from which the commit:ee condense their abstract, was given as fol-lows. We quote from pages 719, 720, and 721 of the evidence contained in Part I, embracing all the evidence that relates

....PH. B. MERTE.

Western Virginia President Lincoln has issued a procla-

mation notifying the public that Western mation notifying the public that Western Virginia is a State by itself, and a member of the United States. Thus is consum-mated an act which from the beginning ed since the Report of the Committee was has been characterized by revolution and given to the press:

has been characterized by revolution and trand. The new State movement has been engineered with an utter digregard of the Federal Constitution, and the proceedings stand upon the record as perhaps the most shameless violation of that instrument thorities of the Government. Proclaimed the legal adviser of the President, and reviewed and approved, subject, of nadvance by Attorney General Bates— the legal adviser of the Constitution," the scheme has been carried through from a grantic infringement of law. The deed of sccession, and publishes to the world the confession, both on the part of the people of Western Virginic and the Red. has been characterized by revolution and trand. The new State movement has been engineered with an utter disregard of the eral Order No. 8. That order dismissed before the state of the st

It involves Congress and the Cabinet in the most glaring inconsistency, and places the forms and semblance of legality upon a gigartic infringement of law. The deed impliedly recognizes the odious doctrine of secession, and publishes to the world the confession, both on the part of the people of Western Virginia and the Fed-eral Administration, that they have no ex-pectation of recovering to the Unior what least, have cleared our skirts of an acquiwas once the State of Virginia. We, at least, have cleared our skirts of an acqui-secence in this business, for we raised our with any other question than the simple one of dividing the State. The issue of last moment, as it were, does not in the st. Louis Republican. All other Administrations, but we hope or to the degree suggested by these un-placing myself in opposition to it; that the President of the United States, at any state before they could be put in force; the President in a position where he either
