DAILY POST.

THURSDAY MORNING, APRIL 30, 1863.

The Newark (Ohio) *Advocate*, in speaking of some old Abolitionists of Licking County, who are now blatant Loyal Leaguers, says of them:

"In 1850, when sixteen star flags were carried in Fremont processions, they had a fair chance of showing their abhorrence for disunion, but they failed to do it. The party to which these men belonged, had then under consideration (as is shown by Henry Ward Beecher's paper of that year,) whether in the event of Fremont's defeat, they would at once *take up arms*, or make one more peaceful effort before resorting to revolution."

General Assembly.

We see there are two announcements of the holding of the "General Assembly of the Presbyterian Church, U. S. A.," on the 21st of May next. One announcement, signed by Messrs. Gill and Schenck, as clerks, and the other by Messrs. Hatfield and Daily. One Assembly is to be held at Philadelphia and the other at Peoria.

George Washington a "Copperhead."

According to the Jackobin Vocabulary, "Towards the preservation of your Government, and the permanency of your present happy state, it is requisite not only that you steadily discountenance irregular opposition to its acknowledged authority, but also that you *resist with care the spirit of innovation upon its principles, however specious the pretext.*"—*George Washington.*

Facts about Brandreth's Pills.

NEW CASTLE,
Westchester Co., N. Y. Oct. 21, 1862.

Mr. G. TAN EYCK SHELDON, *Editor Sing Sing Republican*:

Dear Sir—I would state that I was induced to use BRANDRETH'S PILLS, through the recommendation of John B. Swift, of Croton, Westchester county, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with an occasional dose of six. In one month he was able to go to work, and in three months he was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY.

WESTCHESTER Co. ss.:

Edward Purdy being duly sworn, says that he resides in the town of New Castle that some years ago he was very sick with a sore on his leg which had been running for over five years; that he was also much distressed by a pain in his chest, and besides very costive and dyspeptic that after trying various remedies and many physicians he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore on his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since.

EDWARD PURDY.

Sworn to before me, this 18th day of Oct. 1862.
