se to relation to the necessity of the South-sea Congress enschange a law against car-ping the reals on Sunday. It informs us that bave through the measure, and that a majority of Coarress and of the rebel sometime past with an attack from the national are protesting christians. God; Arkansas rebels in steamers. Every protesting the says, has greatly blessed them, and he vision was made to meet it. Lieutenant the Lord has thus far "greatly blessed" to me to cut it.
the rebel cause, it is that kind of blessing through with his

which we do not sign for. Fields dayse I ordered him to do so, and he passed through with his vessels twenty-four hours after we cut the bend, thus saving a distated; bomes annihilated, families dis-pensed and mattered; coasts blockeded; tance of over ten miles.

The mouths of the Arkansas and White contest and restared, coasts blockeded; contest and the first are now brought close together, and a small force can defend both. One of the worst points for guerrillas is also cut off, as these being greatly blessed. Faith the worst points for guerrillas is also cut off, as these pests of the human race could, from the isthmus, attack a vessel on one side, and be ready to meet her on the other as she came round, the distance being ten miles around and half a mile across. I have force enough at Arkansas and White rivers to prevent any attack.

How They Live in New York. The Democratic members of the New York Sun says that there is in that city 12,347 tenement houses, containing a fotal population of 401,876 persons—an average of about 331 to each house. Of this number—a good sized Attended Wood and his frothy associates, town of itsetf—22,095 live in cellars, some aften the sentiments of the Democracy of is bad, and of course so far injurious to health. In case of fire, &c., 8,546 housneatth: in case of nre, &c., 5,040 none-es, containing a population of 255,901 souls, are provided with good means of escape, while 3,801 houses, with a pop-ulation of 125,880, are deficient in this

the Empire State. The address says:

La the seldst of the suproducting el som, with a dest examined to forced upon us, the date of the fees the suproduction of the Pennistry of New York can be clearly discerned. It is examined to be very discerned, at the selds of the selds of the user till the same forces that selds on the object and aim of which we heartly accedented to struct and aim of which we heartly accedented to the object and aim of which we heartly accedented the object and the force of the following the same of the same of the same of the object Military Governor of North Caro adder Federal authority, has been vacant interest. for some time past, Gov. Stanley resigned the position as far back as February, ed the position as far back as February, urges the establishment of a national bank and adhered to his determination, and, in New York, with a capital of twenty though maintaining the best relations with millions. though maintaining the best relations with the President, could not entirely approve that entirely approve tha

wing of the Republicans, represented by ositions. But I cannot and will not the Times, and aided by John Van Buren and a few other Democrate, and is in the interest of Mr. Seward. But the Seward wing must in time give way to their more radical rivals, and then Mr. Van Buren and his friends will find a resting place and his friends will find a resting place one who claims to speak for cooking supper, and loitering around the papears some one fine; and, it would seem the statement of the part of the Confederation of this part of the Confederation of the part of the part of the Confederation of the part of the Confederati We never thought that John Van Buren's appearance at the league of conservative Republicans in New York, was any indication of his abandonment of his old party. This conservative combination is necessary to hold the abolitionists in check, If the we expect to, when the lines are fairly drawn in a national control of the conservative and in the entire regiment is supposed to have itself.

venal and corrupt politicians of New York city. Either Mr. Wood has been egregical couly sold by some wag, or in the maze of New York politics, such a falsehood having become useful, it has been made 'to order and warrant to suit.'''

We had occasion, during the past few months, to note the differences which have gradually grown up between the conservative men of the North, and to deplore the existence of such differences at a time when the spirit of unity, and harmony should prevail heartily and samestly. First Nebraska infantry, under Lieut. Col. Baumer, did most of the fighting in the rebel attack on Cape Girardeau, and behaved with great gallantry. They were posted in the woods about a mile from town, and kept Marmaduke's whole force in check while the guns from the fort played upon them, doing considerable extension. The rebel batteries did no injury to the town. The enemy's loss was ecution. The rebel batteries and no injury to the town. The enemy's loss was about sixty killed and two hundred
