GEMANTOWN, June 1, 1861.

D. J. M. JACKSON-Sir-It gave me pleasure years ago, to give you a certificate, testifyin the German Bitters had done for ma. I am owperfectly cured of all those diseases your adicine professes to care, viz. Dyspepsia. Chronian Nervous debility, disease of the Kidneys, etc. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and 'm' every instance, it has effectually cured. Your medicine has a great reputation in Germantown, and is sold in every Drug Store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their stiffaction, that the Bitters have cured in this risinity more than twenty cases of the above inseases.

Bespectfully.

PHILADELPHIA, August 12, 1862.
Da. O. M. JACKBON-Dear Sv. While in Vire
A owing to the change of water, I was taken
with a swere diarrhea; which seemed incurable,
and which greatly weakened me. When we
cached Marinahura, I feared I should have to
come home; but noticing seme of your Bitters in
the store Mr. H. H. Price, in that town, I purhased a supply, and on taking it was speedily restored, to health. The diarrhea was quickly
shocked, and I experienced no return of it. A
munber of my comrades, who suffered in the same
manner and from the same cause, with whom I
shared the Bitters, join me in this certificate. I
support to return to the seat of war with the Legon, and shall certainly take a supply of the Bitlia my inapsack. I would not be without it
lia waight in gold, particularly on going into a
mesons region.
